Brandreth's Pills.

SUDDEN CHANGES.—From warm to chilly weather, are unfavorable to health and it is a fact universally admitted that heat and moisture are powerful agents in producing disease. and that constant dry and constant wet weather, are both favorable to its generation; it does not signify what we call it; it may be ague; it may be bilious fever; it may be yellow fever; it may be dysentery; it may be rheumatism; it may be bronchitis; it may be colic; it may be the constipation of the bowels; it may be inflammation of the stomach; it may be a nervous affection; but still it is a disease, and a disease curable by the Brandreth Pills, because they remove all impurities from the body, all that can in any manner feed the further progress of the malady, no matter how called; thus these pills are not only the most proper medicine, but generally the only medicine that need or ought to be used.

Dr. Brandreth would call the special attention to the following letter from Arnold Buffum, the Philanthropist:

"N. Y. Third Month, 28, 1848.

DR. BRANDRETH—My dear friend—If to be good and to do good is the highest duty of man; and if to do good is the best evidence a man can give that he is good, then *I* feel bound to address thee as one who has come up to the mark of man's destiny.

"As a testimony that this is not vain flattery, I give the following brief sketce of my own experience:

"When I was twenty years old, I was very sick for about two months, with what my physician called "slow fever," during which time I took much medicine; from that time, for thirty-four years, I was very often sick ane under the care of a physician. About twelve years ago, I had a very severe attack of inflammaory Rheumatism, during which I was attended by Doctor Moore, of Philadelphia. I then regarded myself as an old man, with a broken down constitution, swiftly descending to the grave. Soon afterwards, however, I purchased a box of Brandreth's Pills, and finding them, on trial; to be more effectual in removing disease than any medicine I had ever tried before, I replenished my supply from time to time as occasion required. Since that time I have spent three years in the western country, where I was very much exposed to vicissitudes likely to produce disease; twice I have crossed the Atlantic Ocean, and have now spent the last four years in an office in this sickly city. Once, while travelling in the west, I was taken suddenly very ill. The friend at whose house I stopped, called in a physician, who made a very careful examication of my case, and then proposed to commence a process, which he stated would so reduce my system, as to confine me to house for at least six weeks; but I declined his prescriptions, took a dose of Brandyth's Pills, called the next day and paid the physician for his visit, and pursued my travel; and this is the only instance of my being visited by a physician since I purchased the first box of Brandyth's Pills, twelve years ago.

My health is now vastly better than it has been for thirto-four years, before I commanced the use of these Pills. They have been my constant companion whereever I have been, by land or by sea, and my only medicine; I am now ten pounds heavier than I was before I used them; when I take a cold now, I have no cough; and I attribute all this charge, under God, for the substitution of Brandyth Pills for the frequent bleeding and the calomel dosing to which I was before subjected. My wife, too, by the same means, enjoyed the same uninterrupted good health. Our doctor's bills, for both of us, have not amounted to five dollars in twelve years. When we find our health impared from any cause, we take a dose of Brandyth's Pills, and the difficulty is removed, and, judging from my own experience, I believe if every family should adopt the same practice, the health and longevity of community would be greatly promoted.

Most respectfully, thy friend,
ARNOLD BUFFUM.

FEVER & AGUE

Chill Fever, Dumb Ague, Intermittent & Remittent Fevers & all the various forms of Bilious Diseases SPEEDILY & THOROUGHLY CURED by Dr. Osgood's India Cholagogue

THIS medicine was prepared by a regular physician and is the result of an extensive practice of several years, in a bilious climate. It is entirely a vegetable preparation, and may be taken by any one with perfect safety to the most delicate constitution.

Numerous certificates from men of the highest respectability testifying to the great efficacy of this medicine can be seen on application to the undersigned.

The following extract is from the 'Farmer's and Emigrant's Hand Book,' a valuable work of about 500 pages, recently published by Messrs Appleton & Co., New York. In chapter 8, page 535, the author in speaking of Fever and Ague, remarks:

'There is a most admirable medicine sold in most of the Western cities which we can conscientiously recommend for FEVER and AGUE and other bilious diseases, it is the India Cholagogue which is prepared by Dr Osgood of New York, who has made the bilious disorders of the West his special study. We are no friend to those medicines usually called patent, but we have had ample opportunity of knowing the invaluable effects of the Cholagogue, in billious cases.'

Extract of a letter from Messrs Scattergood, Haverstick & Co., of Philadelphia;

Dr. C. Osgood,—Respected Friend,—We have had occasion to see the good effects of thy medicine, in the case of young man who had been troubled with chills a long time and could not get clear of them but since he commenced taking a bottle of thy preparation has entirely recovered, and is now becoming quite stout.

Respectfully thy friends,
SCATTERGOOD & HAVERSTICK & Co

From Rev. Charles Reighley, Chaplain of the United States Army to the Agent at Detroit:

My Dear Sir—I feel not the slightest hesitancy in saying that I consider the Indian Cholagogue an invaluable medicine in billious affections. My reason is simply this,—I have used it. On my recommendation many others have used it; and I have yet to learn the instance in which it has failed to effect a cure.

Respectfully,
CHARLES REIGHLEY.

GRAIN FANS.

☞*WARNING TO THE AGRICULTURAL PART OF THE COMMUNITY.*—There are men halling Wind Mills, or Grain Fane about trying to deceive the public by telling them they are the same as mine, and to some people they tell anything to effect a sale. I am under great obligation to the Agricultural part of the community for the patronage bestowed on me for the last three years, in Nashville Co., Del., second to none for enterprise; and also to those of Cecil, Kent and Queen Annes and other counties in Maryland. Be cautious who you buy fans from, as there are some men making fans and using my invention without paying me for it. I have the Patent Right for the whole United States, and have never yet sold any Rights to any one. My Patent is dated at Washington D. C. March 20th, 1847.

I have made great improvements in my $5,000 Premium Grain fans, within the last 2 years, having put in an additional improvement so as to use 2 screens at once, and screen out all the cockle and cheat and leave the seed grain clear of all impurities.

All grain fans, that are genuine have my name on them "J. Bamborough, Latest improved, Premiums awarded 18 times, Letters; Patent March 28, 1847;" No 5500 on the directions. I am making 300 this year in Elkton, Md.; also, in Lancaster city, and New Hope, Bucks county Pa. Orders sent to either of these places, will be thankfully received and punctually attended to. Wholesale or retail, different prices and sizes. Patent rights for sale at reasonable rates I can give 4,500 recommendations if necessary, but I think a fair trial and they will recommend themselves.

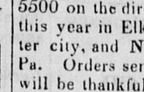

Be cautious who you buy fans from; unless my name is on them I will hold the purchaser or the user responsible for my patent right. I am very much pleased to think my patent grain fans are justly spoken of, but I think the public had better be on their guard not to be deceived by imposters. Look and see if the fans have marked on them, "J. Bamborough, Latest Improved, Premium awarded 18 times, Letters patent, March 20th 1847." Eight premiums were awarded to me last fall, and 2 silver medals for the best grain fans. "A word to the wise is sufficient. JOHN BAMBOROUGH, Patentee.

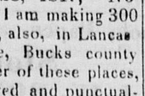

N. B. My fans are painted blue this year, and they cannot be excelled by any others in the United States, to my knowledge, and I offer a premium of $15,000 if they are excelled satisfactorily. Patronise Home Industry. I have been 16 years in the business.

"We would sooner have one of J. Bamborough's combined, Patented, Latest improved Premium awarded 18 times and 2 silver medals, grain fans, than any other we ever saw or used. Recommendations similar to the above from thousands of persons in Del, Md. Pa, and N. J.

Orders sent for fans will be attended to and they will be delivered 200 miles and upwards. Wholesale and Retail by J. Bamborough, Patentee.

THIS REMEDY is one which has proved successful for a long time, and it is universally acknowledged by all who have tried it to be far superior (being so very pleasant to the taste, and at the same time effectual) to any other medicine ever employed in diseases for which it is recommended. It not only destroys worms, but invigorates the whole system. It is harmless in its effects, and the health of the patient is always improved by its use, even when no worms are discovered.—*DR. SWAYNE'S VERMIFUGE* has met with a degree of favor from the public, which has perhaps never before been accorded to any medicine. It needs no recommendation wherever it is known.—to the fond mother, bending in sleepless anxiety over her wasting child, it will carry relief, joy end thankfulness; to all who are suffering from the diseases for which it is prepared, it offers a speedy restoration to health.

Beware of Imposition.

SWAYNE'S VERMIFUGE is in square bottles (being recently changed to prevent counterfeits, also to pack to a better advantage) with the following words blown in the glass: "DR. H. SWAYNE'S VERMIFUGE, Philada.," also enveloped in a beautiful portrait on each side of the bottle, without which none is genuine.—This article is so pleasant to the taste that both children and adults are universally fond of it.

CLEANSE AND PURIFY.

DR. SWAYNE'S SARSAPA. AND EXT. TAR PILLS are a mild and gentle purgative, unsurpassed by any medicine for removing the bile, cleansing the stomach, and effectually purifying the blood.

LET IT BE REMEMBERED,

That in this preparation are strongly concentrated all the medicinal properties of Sarsaparilla and Extract of Tar, compounded with other valuable *"Vegetable Extracts,"* the whole strength of which is extracted on an entirely new principle.—Unlike all other Pills, these neither grape produce nausea, or any other unpleasant sensation, while they are as powerful as it is possible for a medicine to be and be harmless. It purifies, cleanses, and strengthens the fountain springs of life; and infuses new vigor throughout the whole human frame.

The above valuable Medicines are prepared only by DR. SWAYNE, N. W. corner of *EIGHTH and RACE Streets*, Philadelphia, to whom all orders should be addressed.
