FEVER & AGUE

Chill Fever, Dumb Ague, Intermittent & Remittent Fevers & all the various forms of Bilious Diseases SPEEDILY & THOROUGHLY CURED by Dr. Osgood's India Cholagogue

THIS medicine was prepared by a regular physician and is the result of an extensive practice of several years, in a bilious climate. It is entirely a vegetable preparation, and may be taken by any one with perfect safety to the most delicate constitution.

Numerous certificates from men of the highest respectability testifying to the great efficacy of this medicine can be seen on application to the undersigned.

The following extract is from the 'Farmer's and Emigrant's Hand Book,' a valuable work of about 500 pages, recently published by Messrs Appleton & Co., New York. In chapter 8, page 535, the author in speaking of Fever and Ague, remarks:

'There is a most admirable medicine sold in most of the Western cities which we can conscientiously recommend for FEVER and AGUE and other bilious diseases, it is the India Cholagogue which is prepared by Dr Osgood of New York, who has made the billious disorders of the West his special study. We are no friend to those medicines usually called patent, but we have had ample opportunity of knowing the invaluable effects of the Cholagogue, in billious cases.'

Extract of a letter from Messrs Scattergood, Haverstick & Co., of Philadelphia;

Dr. C. Osgood,—Respected Friend,—We have had occasion to see the good effects of thy medicine, in the case of young man who had been troubled with chills a long time and could not get clear of them but since he commenced taking a bottle of thy preparation has entirely recovered, and is now becoming quite stout.

Respectfully thy friends,

SCATTERGOOD & HAVERSTICK & Co

From Rev. Charles Reighley, Chaplain of the United States Army to the Agent at Detroit:

My Dear Sir—I feel not the slightest hesitancy in saying that I consider the Indian Cholagogue an invaluable medicine in billious affections. My reason is simply this,—I have used it. On my recommendation many others have used it; and I have yet to learn the instance in which it has failed to effect a cure.

Respectfully,

CHARLES REIGHLEY.

WILD CHERRY,

The Original and Genuine Preparation!

DR. SWAYNE'S

Compound Syrup of Wild Cherry.

A TRULY WONDERFUL CURE!

☞ *Read this extraordinary case!* ☜

December 26th, 1848.

DR. SWAYNE:—Dear Sir, having contracted a severe cold, which settled upon my lungs attended with a violent cough, pain in my side and breast, difficulty of breathing, I was attended by physicians of the first respectability, but my symptoms become very alarming, there was an abcess formed in my lungs and made its way through my side, and discharged large quantities of puss externally, so that my physician thought the power or functions of one of my lungs were totally destroyed—therefore supposed the case entirely hopeless. This mournful state of things continued for a long time, until I was wasted and worn to a skeleton. I had tried a number of remedies but all failed to do any good. But there still being a spark of hope left with me and my anxious parents, and having heard of the great virtues of your Compound Syrup of Wild Cherry, and its being approved of by physicians of the first eminence, I concluded to make a trial of it and to my great satisfaction my cough gradually grew better, the hole in my side began to heal and I am now happy to say, from a poor and almost hopeless skeleton, I have become healthy and weigh more than I ever have. All my neighbors can testify to tha above fact.

ABRAHAM HUNSICKER,

Beware of Imposition.

☞ There is but one genuine preparation of Wild Cherry that is *DR. SWAYNE'S*—all others, by a little inquir in the quarters where they originate will be found to be fictitious and counterfeit.—The great and increasing demand for the original article has induced a host of unprincipled men to put forth spurious mixtures and to give currency to their nostrums, attach the name of *Wild Cherry* that already established. As you value your lives beware of them. Some are called '*Balsams*,' *Cherry Pectoral*,' '*Wild Cherry and Tar*,' '*Wine of Wild Cherry*,' '*Wild Cherry Pills*,' *Sarsaparilla and Wild Cherry Bitters*,' and a host of others who, in some way attach the name of Wild Cherry. No one ever thought of using this name for an article of their own before it had become established and well known as belonging to be one of the greatest remedies ever discovered for the human family.

That remedy is Dr. Swayne's Compound Syrup of Wild Cherry. the original and only genuine. Remember it is put up in square bottles, covered with a beautiful wrapper, (steel engraving) with the portrait of Dr. Swayne thereon, also his signature.

Prepared only by Dr. SWAYNE Philadelphia.

SWAYNES CELEBRATED VERMIFUGE,

"A safe and effectual remedy for Worms Dyspepsia, Cholera Morbus, sickly or Dyspeptic children or adults, and the most useful Family Medicine ever offered to the public."

THIS REMEDY is one which has proved successful for a long time, and it is universally acknowledged by all who have tried it to be far superior (being so very pleasant to the taste, and at the same time effectual) to any other medicine ever employed in diseases for which it is recommended. It not only destroys worms, but invigorates the whole system. It is harmless in its effects, and the health of the patient is always improved by its use, even when no worms are discovered.—*DR. SWAYNE'S VERMIFUGE* has met with a degree of favor from the public, which has perhaps never before been accorded to any medicine. It needs no recommendation wherever it is known.—to the fond mother, bending in sleepless anxiety over her wasting child, it will carry relief, joy end thankfulness; to all who are suffering from the diseases for which it is prepared, it offers a speedy restoration to health.

Beware of Imposition.

SWAYNE'S VERMIFUGE is in square bottles (being recently changed to prevent counterfeits, also to pack to a better advantage) with the following words blown to the glass: "DR. H. SWAYNE'S VERMIFUGE, Philada.," also enveloped in a beautiful portrait on each side of the bottle, without which none is genuine.—This article is so pleasant to the taste that both children and adults are universally fond of it.

CLEANSE AND PURIFY.

DR. SWAYNE'S SARSAPA. AND EXT. TAR PILLS are a mild and gentle purgative, unsurpassed by any medicine for removing the bile cleansing the stomach, and effectually purifying the blood.

LET IT BE REMEMBERED,

That in this preparation are strongly concentrated all the medicinal properties of Sarsaparilla and Extract of Tar, compounded with other valuable "*Vegetable Extracts*," the whole strength of which is extracted on an entirely new principle.—Unlike all other Pills, these neither grape produce nausea, or any other unpleasant sensation, while they are as powerful as it is possible for a medicine to be and be harmless. It purifies, cleanses, and strengthens the fountain springs of life; and infuses new vigor throughout the whole human frame.

The above valuable Medicines are prepared only by DR. SWAYNE, N. W. corner of *EIGHTH and RACE Streets*, Philadelphia, to whom all orders should be addressed.

DR. MARTIN'S Universal Purgative Pills,

A Remedy for all seasons, and safe at all times. The most superficial observer is aware that one great cause of disease is Costiveness, and that by the timely taking of a Purgative; the system is often restored to its usual health. By such a course, the lives of hundreds are saved, who would otherwise have falleh victims to disease. These pills remove all irritating matter in the bowels, and exciting the biliary functions to a healthy action. The press is teeming with the recommendations of purgative pills, gotten up by men who know nothing of the effects of medicine on the human system, and hence are endangering the lives of thousands, who are daily using them. In offering, therefore, these pills, we think we are doing a public benefit, as they are the prescription of a regular physician, who has used them in his practice for ten or fifteen years, and with great success.

DR. MARTIN'S Compound Syrup of Wild Cherry, is the best medicine for Coughs, Colds, Consun ption, Asthma, Spitting of Blood etc. Read the following:

Dr. Martin—Dear Sir.

Having received such great relief from the use of your Compound Syrup of Wild Cherry, I have determined to send you a statement of my case as it was when I commenced the use of it. I had had for some weeks a violent cough, and was under the care of my family physician, the late Dr. R. A. Durkee, whose experience in such matters no man ever doubted, yet my cough continued to increase, and I was so much reduced in flesh, I as well as my family became alarmed. In Decemcer last I called on you, as I knew you had for many years back attended my brother, the late Dr. Charles Tilden o Caroline county, Md., whose wife and two children and himself have since died of consumption. You seemed very doubtful of my case, as I thought and remarked you knew of nothing that would benefit me more than the free use of your "Syrup of Wild Cherry," n I would observe a rigid diet, such as laid down in your pamphlet on Consumption, which accompanies each bottle of the Syrup. Upon due reflection I at once commenced following your advice, and soon found a grea change for the better, and in a few weeks I was enabled to attend to my business. My children have had violent colds, attended with a cough—such is my confidence in the Syrup I immediately resort to it, and always with success. Parents I think, should always keep it in their houses, as it will relieve the worst cough if taken in time. You can make use of this statement in any way you see proper. Yours respectfully,

Dr. Hoofland's

Celebrated German

BITTERS!

☞ Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States as the cures attest, in many cases after skillfull physicians have failed.

Derangement of the Stomach & Liver are sources of insanity; and will also produce disease of the Heart Skin, Lungs and Kidneys, and lays the body open to an attack of the Cholera Bilious, or Yellow Fever, and is generally the first cause of that most baneful disease, Consumption.

Opinions of the Philadelphia Press:

The 'DISPATCH', of December 31st says:—

An Invaluable Medicine,—We have frequently heerd the celebrated German Bitters manufactured by Dr. Hoofland spoken of in terms of commendation, and we know deservedly so. It is a too common practice in certain quarters, to puff all manner of worthless trash, but in the case of the above Bitters, hundreds are living wittness of their great moral and physical worth. Aa a medicine for the Liver Complaint, Jaundice, Nervous Debility and Dyspepsia, it has been found invaluable, effecting cures and thoroughly eradicating diseases when all other medicines have failed. We feel convinced that in the use of the German Bitters, the patient does not become debiliated but constantly gains strength and vigor to the frame—a fact worthy of great consideration. The Bitters are pleasant in taste and smell, and can be administered under any circumstances, to the most delicate stomach—Indeed, they can be used by all persons with the most perfect safety. It would be well for those who are much affected in the nevous system to commence with one tea spoonful or less, and gradually increase. We speak from experience, and of course, a proper judge. The press far and wide have united in recommending the Gerffian Bitters, and to the afflicted we most cordially advise their use.

The 'SPIRIT OF THE TIMES,' of June 24th says:

Do our good citizens who are invalids, know the many astonishing cures that have been performed by Dr. Hoofland's celebrated German Bitters:—If they do not, we recommend them to the German Medicine Store, all who are afflicted with Liver Complaint, Jaundice, Dyspepsia, or Nervous Debility; the doctor has cured many of our citizens after the best physicians had failed. We have used them and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor and that which givrs them greater claim upon our humble effort they are entirely Vegetable.

'The DAILY NEWS,' of July 4th says:

We speak knowingly of Dr. Hoofland's celebrated German Bitters, when we say it is a blessing of this age, and in diseases of the billiary, digestive and nerveus systems, it has not we think an equal. It is a vegetable preparation and made without Alcohol, and to all invalids we would recommend it as worthy their confidence.

☞ READ THE FOLLOWING.

It is from one of our first druggists, a gentleman favorably known throughout the United Statrs—the proprietor of the 'Medicated Worm Syrup:'

Philadelphia, Nov. 22d, 1848.

Dear Sir:—It is with much pleasure that I testify to the extraordinary virtues of your German Bitters having sold largely of them these last few months to various persons, afflicted with Liver Complaints, Dyspepsia, and debility of the Nervous System. I can conscientiously say that they are the best article of the kind I have ever sold, (and I deal in all the popular medicines) and I consider it the only inedicine for the above disease before the public.

I have never sold one bottle that has not given satisfaction and brought fourth the commendation of those who used it.

I deem this my duty both to you as the proprietor of this highly valuable article, and to those afflicted with the above complaints that they may know of its curative properties and to enable them to select the good from the various articles with which our market abounds.

With much respect, I remain yours,

J. N. HOBENSACK, Druggist,

JAUNDICE AND LIVER COMPLAINTS.

Cured after Physicians had failed.

Philadelphia, Dec. 27, 1848.

Dear Sir:—It is with feelings of pleasure I communicate to you the sanative effects (and in a short time) of your invaluable Hoofland's celebrated German Bitters, upon my system while laboring under the Jaundice,—About two years ago I had an attack of the Jaundice and was confined to the house six weeks under medical treatment of the Family Physician and for sometime after when I went out I had to be very careful of myself, since that time I have had several attacks of the same disease, and your bitters have entirely relieved and cured me in two or three days. My next door neighbor, Mr John Diehl, last spring, hid a long and serious spell of Jaundice, he had it sometime before I knew it, he was confined to his bed. As soon as I heard of his condition I called to see him and told him of the effect your bitters had upon me in the same disease. He immediately sent for a bottle and in a few days he was cured. I have in several instances recommended the Bitters in other cases, always prodgcing the same happy effect. My wife has been considerably afflicted with Liver Complaint and Neuralgia, by the use of the Bitters she is well, now enjoying good health. We believe from the many cures we know of these Bitters effecting, that they possess in a remarkable and extraordinary degree great curative properties, and that which enhances their value with us is, they are entirely vegetable. We always keep the Bitters on hand and would not be willing to be without them.

Very respectfully, yours,

C. PEIRCE, 370 South Front St.

Can stronger testimony be adduced by any Preparation before the public? A single bottle will convince any one of their power over disease. They are ENTIRELY VEGETABLE, and will permanently destroy the most obstinate costiveness, and give strength and vigor to the frame, at no time debilitating the patient, being also grateful to the most delicate stomach under any circumstances, and can be administered with perfect safety to delicate infants—hey are free from Alcohol, Syrup, Acids, Calomel, and all mineral and injurious ingredients.

They can be taken at all times and under all circumstances, no ordinary exposure will prevent them having a salutary effect, and no bad result can accrue from an over dose.
