FEVER & AGUE

Chill Fever, Dumb Ague, Intermittent & Remittent Fevers & all the various forms of Bilious Diseases SPEEDILY & THOROUGHLY CURED By Dr Osgood's India Cholagogue

THIS medicine was prepared by a regula physician and is the result of an extensive practice of several years, in a bilious climate. It is entirely a vegetable preparation, and may be taken by any one with perfect safety to the most delicate constitution.

Numerous certificates from men of the highest respectability testifying to the great efficacy of this medicine can be seen on application to the undersigned.

The following extract is from the 'Farmer's and Emigrant's Hand Book,' a valuable work of about 500 pages, recently published by Messrs Appleton & Co., New York. In chapter 8, page 535, the author in speaking of Fever and Ague, remarks:

'There is a most admirable medicine sold in most of the Western cities which we can conscientiously recommend for FEVER and AGUE and other bilious diseases, it is the India Cholagogue which is prepared by Dr Osgood of New York, who has made the billious disorders of the West his special study. We are no friend to those medicines usually called patent, but we have had ample opportunity o knowing the invaluable effects of the Cholagogue, in billious cases.'

Extract of a letter from Messrs Scattergood, Haverstick & Co., of Philadelphia;

Dr. C. Osgood,—Respected Friend,—We have had occasion to see the good effects of thy medicine, in the case of young man who had been troubled with chills a long time and could not get clear of them but since he commenced taking a bottle of thy preparation has entirely recovered, and is now becoming quite stout.

Respectfully thy friends,
SCATTERGOOD & HAVERSTICK & Co

From Rev. Charles Reighley, Chaplain of the United States Army to the Agent at Detroit:

My Dear Sir—I feel not the slightest hesitancy in saying that I consider the Indian Cholagogue an invaluable medicine in billious affections. My reason is simply this,—I have used it. On my recommendation many others have used it; and I have yet to learn the instance in which it has failed to effect a cure.

Respectfully,
CHARLES REIGHLEY.

A small treatise on the 'causes, treatment and cure of Fever and Ague and other diseases of bilious character,' may be had gratis of the following agents:

DR. SWAYNE'S

CELEBRATED FAMILY MEDICINS

CURE FOLLOWS CURE!

MORE PROOFS OF THE EFFICACY OF

DR. SWAYNE'S

Compound Syrup of
WILD CHERRY,

The Original and Genuine Preparation!

Consumption,

Coughs, Colds, Asthma, Bronchits, Liver, Complaint, Spitting Blood, difficulty of Breathing, Pain in the Side & Breast Palpitation of the Heart, Influenza Croup, broken Constitution, Sore Throat, Nervous Debility, and all diseases of Throat, Breast and Lungs, the most effectual & speedy cure known for any of the above diseases is

DR. SWAYNE'S

Compound Syrup of Wild Cherry.

A TRULY WONDERFUL CURE!

☞*Read this extraordinary case!*☜

December 26th, 1848.

DR. SWAYNE:—Dear Sir, having contracted a severe cold, which settled upon my lungs attended with a violent cough, pain in my side and breast, difficulty of breathing, I was attended by physicians of the first respectability, but my symptoms become very alarming, there was an abcess formed in my lungs and made its way through my side, and discharged large quantities of puss externally, so that my physician thought the power or functions of one of my lungs were totally destroyed—therefore supposed the case entirely hopeless. This mournful state of things continued for a long time, until I was wasted and worn to a skeleton. I had tried a number of remedies but all failed to do any good. But there still being a spark of hope left with me and my anxious parents, and having heard of the great virtues of your Compound Syrup of Wild Cherry, and its being approved of by physicians of the first eminence, I concluded to make a trial of it and to my great satisfaction my cough gradually grew better, the hole in my side began to heal and I am now happy to say, from a poor and almost hopeless skeleton, I have become healthy and weigh more than I ever have. All my neighbors can tesify to tha above fact.

ABRAHAM HUNSICKER,
Two miles from Skippackville Township, Pa.

Beware of Imposition.

☞There is but one genuine preparation of Wild Cherry that is *DR. SWAYNE'S*—all others, by a little inquiry in the quarters where they originate will be found to be fictitious and counterfeit.—The great and increasing demand for the original article has induced a host of unprincipled men to put forth spurious mixtures and to give currency to their nostrums, attach the name of *Wild Cherry* that already established. As you value your lives beware of them. Some are called *'Balsams,' Cherry Pectoral,' 'Wild Cherry and Tar,' 'Wine of Wild Cherry,' 'Wild Cherry Pills,' Sarsaparilla and Wild Cherry Bitters,'* and a host of others who, in some way attach the name of Wild Cherry. No one ever thought of using this name for an article of their own before it had become established and well known as belonging to be one of the greatest remedies ever discovered for the human family.

That remedy is Dr. Swayne's Compound Syrup of Wild Cherry. the original and only genuine. Remember it is put up in square bottles, covered with a beautiful wrapper, (steel engraving) with the portrait of Dr. Swayne thereon, also his signature.

Prepared only by Dr. SWAYNE Philadelphia.

SWAYNES CELEBRATED VERMIFUGE,
'A safe and effectual remedy for Worms Dyspepsia, Cholera Morbus, sickly or Dyspeptic children or adults, and the most useful Family Medicine ever offered to the public."

THIS REMEDY is one which has proved successful for a long time, and it is universally acknowledged by all who have tried it to be far superior (being so very pleasant to the taste, and at the same time effectual) to any other medicine ever employed in diseases for which it is recommended. It not only destroys worms, but invigorates the whole system. It is harmless in its effects, and the health of the patient is always improved by its use, even when no worms are discovered.—*DR. SWAYNE'S VERMIFUGE* has met with a degree of favor from the public, which has perhaps never before been accorded to any medicine. It needs no recommendation wherever it is known.—to the fond mother, bending in sleepless anxiety over her wasting child, it will carry relief, joy end thankfulness; to all who are suffering from the diseases for which it is prepared, it offers a speedy restoration to health.

Beware of Imposition.

SWAYNE'S VERMIFUGE is in square bottles (being recently changed to prevent counterfeits, also to pack to a better advantage) with the following words blown in the glass: "DR. H. SWAYNE'S VERMIFUGE, Philada.," also enveloped in a beautiful portrait on each side of the bottle, without which none is genuine.—This article is so pleasant to the taste that both children and adults are universally fond of it.

CLEANSE AND PURIFY.

DR. SWAYNE'S SARSAPA. AND EXT. TAR PILLS are a mild and gentle purgative, unsurpassed by any medicine for removing the bile cleansing the stomach, and effectually purifying the blood.

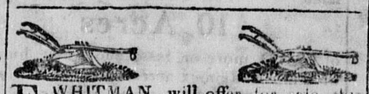

LET IT BE REMEMBERED,

That in this preparation are strongly concentrated all the medicinal properties of Sarsaparilla and Extract of Tar, compounded with other valuable *"Vegetable Extracts,"* the whole strength of which is extracted on an entirely new principle.—Unlike all other Pills, these neither grape produce nausea, or any other unpleasant sensation, while they are as powerful as it is possible for a medicine to be and be harmless. It purifies, cleanses, and strengthens the fountain springs of life; and infuses new vigor throughout the whole human frame.

The above valuable Medicines are prepared only by DR. SWAYNE, N. W. corner of *EIGHTH and RACE Streets*, Philadelphia, to whom all orders should be addressed.

DR. TOWNSEND'S

COMPOUND EXTRACT OF

SARSAPARILLA.

Wonder and Blessing of the Age.

The most extraordinary Medicine in the World! *This Extract is put up in Quart Bottles: it is six times cheaper, pleasanter, and warrented superior to any sold. It cures without vomiting, purging, sickning or debilitating the Patient.*

The great beauty and superiority of this Sarsaparilla over all other medicines is that while it eradicates the disease, it invigorates the body. It is one of the very best

Spring and Summer Medicines

Ever known; it not only purifies the whole system, and strengthens the person, but it *creates new, pure and rich blood:* a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children during the two past seasons.

10,000 *cases of General Debility and want of Nervous Energy.*

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting towards that fatal disease. Consumption, can be entireiy restored by thi2 pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or profuse Expectoration, Pain in the Side, &c., &c', have been and can be cured.

Spitting Blood.

New York April, 28, 1847.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life.—I have for several years had a bad cough. It became worse and worse. At last I raised large quanties of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time. I am now able to walk all over the city.—I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant.
WM. RUSSELL, 65 Catherine st

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhœa, or Whites, obstructed or difficult Menstruation. Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine healthy offspring.

To Mothers and Married Ladies.

This extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "*The turn of life*," should neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life. This period *may be delayed for several years by using this medicine*—Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which woman are subject.

It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increase and enriches the food, those who have used it think it is dispensible.—It is highly useful both before and after confinement, as it prevents diseases ari ant upon child-birth—in Costiveness, Cramps, Swelling of the feet, Despon cy, Hearthurn, Vomiting, Pain in the and Loins, False Pains, Hemorrhage, in regulating the secretions and exc zing the circulation it has no equal. great beauty of this medicine is, it i ways safe; and the most delicate u most successfully, very few cases re any other medicine, in some a little tor Oil, or Magnesia, is useful. Exe in the open air, and light food with med'cine, will always ensure a safe easy confinement.

Notice to the Ladies.

Those that imitate Dr. Townsend's saparilla, have invariably called their *a great Remedy for Females* &c., &c., have copied our bills and circulars w relates to the complaints of woman, for word—other men who put up cine, have, since the great success of Townsend's Sarsaparilla in complain cident to females, recommended their though previously they did not. A ber of these Mixtures, Pills, &c., are rious to females, as they aggravate dis and undermine the caution. Dr. To end's is the only and best remedy for numerous female complaints—it rare ever fails of effecting a permanent cu It can be taken by the most delicate males, in any case, or by those expe to become mothers, with the greatest vantages, as it prepares the system prevents pain or danger, and strengt both mother and child. Be careful to the genuine.

Scrofula Cured.

This certificate conclusively pro that this Sarsaparilla has perfect con over the most obstinate diseases of Blood. Three persons cured in one ho s unprecedented.

Three Children.

DR. TOWNSEND—*Dear Sir:* I h pleasure to inform you that three of children have been cured of the Scro by the use of your excellent medicine They were afflicted very severely w bad Sores; have taken only four bott it took them away, for which I feel my under great obligation.

Yours, respectfully,
ISAAC W. CRAIN, 186 Woster-st.
