DR. SWAYNE'S
Compound Syrup of Wild Cherry.

A TRULY WONDERFUL CURE!

☞*Read this extraordinary case!*☜

December 26th, 1848.

DR. SWAYNE:—Dear Sir, having contracted a severe cold, which settled upon my lungs attended with a violent cough, pain in my side and breast, difficulty of breathing. I was attended by physicians of the first respectability, but my symptoms become very alarming, there was an abcess formed in my lungs and made its way through my side, and discharged large quantities of puss externally, so that my physician thought the power or functions of one of my lungs were totally destroyed—therefore supposed the case entirely hopeless. This mournful state of things continued for a long time, until I was wasted and worn to a skeleton. I had tried a number of remedies but all failed to do any good. But there still being a spark of hope left with me and my anxious parents, and having heard of the great virtues of your Compound Syrup of Wild Cherry, and its being approved of by physicians of the first eminence, I concluded to make a trial of it and to my great satisfaction my cough gradually grew better, the hole in my side began to heal and I am now happy to say, from a poor and almost hopeless skeleton, I have become healthy and weigh more than I ever have. All my neighbors can testify to tha above fact.

Beware of Imposition.

☞There is but one genuine preparation of Wild Cherry that is *DR. SWAYNE'S*—all others, by a little inquir in the quarters where they originate will be found to be fictitious and counterfeit.—The great and increasing demand for the original article has induced a host of unprincipled men to put forth spurious mixtures and to give currency to their nostrums, attach the name of *Wild Cherry* that already established. As you value your lives beware of them. Some are called *'Balsams,' Cherry Pectoral,' 'Wild Cherry and Tar,' 'Wine of Wild Cherry,' 'Wild Cherry Pills,' Sarsaparilla and Wild Cherry Bitters,'* and a host of others who, in some way attach the name of Wild Cherry. No one ever thought of using this name for an article of their own before it had become established and well known as belonging to be one of the greatest remedies ever discovered for the human family.

That remedy is Dr. Swayne's Compound Syrup of Wild Cherry. the original and only genuine. Remember it is put up in square bottles, covered with a beautiful wrapper, (steel engraving) with the portrait of Dr. Swayne thereon. also his signature.

Prepared only by Dr. SWAYNE Philadelphia.

SWAYNES CELEBRATEDVERMIFUGE,
A safe and effectual remedy for Worms Dyspepsia, Cholera Morbus, sickly or Dyspeptic children or adults, and the most useful Family Medicine ever offered to the public.

THIS REMEDY is one which has proved successful for a long time, and it is universally acknowledged by all who have tried it to be far superior (being so very pleasant to the taste, and at the same time effectual) to any other medicine ever employed in diseases for which it is recommended. It not only destroys worms, but invigorates the whole system. It is harmless in its effects, and the health of the patient is always improved by its use, even when no worms are discovered.—*DR. SWAYNE'S VERMIFUGE* has met with a degree of favor from the public, which has perhaps never before been accorded to any medicine. It needs no recommendation wherever it is known.—to the fond mother, bending in sleepless anxiety over her wasting child, it will carry relief, joy end thankfulness; to all who re suffering from the diseases for which is prepared, it offers a speedy restoration to health.

Beware of Imposition.

SWAYNE'S VERMIFUGE is in square bottles (being recently changed to prevent counterfeits, also to pack to a better advantage) with the following words blown in the glass: "DR. H. SWAYNE'S VERMIFUGE, Philada.," also enveloped in a beautiful portrait on each side of the bottle, without which none is genuine.—This article is so pleasant to the taste that both children and adults are universally fond of it.

CLEANSE AND PURIFY.

DR. SWAYNE'S SARSAPA. AND EXT. TAR PILLS are a mild and gentle purgative, unsurpassed by any medicine for removing its bile cleansing the stomach, and effectually purifying the blood.

LET IT BE REMEMBERED.

That in this preparation are strongly entrated all the medicinal properties of Sarsaparilla and Extract of Tar, compounded with other valuable *"Vegetable Extracts,"* the whole strength of which is extracted on an entirely new principle.—Unlike all other Pills, these neither grape produce nausea, or any other unpleasant sensation, while they are as powerful as it is possible for a medicine to be and be harmless. It purifies, cleanses, and strengthens the fountain springs of life; and infuses new vigor throughout the whole human frame.

The above valuable Medicines are prepared only by DR SWAYNE, N. W. corner of *EIGHTH and RACE Streets*, Philadelphia, to whom all orders should be addressed.

DR. MARTIN'S
Universal Purgative Pills,

A Remedy for all seasons, and safe at all times. The most superficial observer is aware that one great cause of disease is Costiveness, and that by the timely taking of a Purgative; the system is often restored to its usual health. By such a course, the lives of hundreds are saved, who would otherwise have fallen victims to disease. These pills remove all irritating matter in the boweis, and exciting the biliary functions to a healthy action. The press is teeming with the recommendations of purgative pills, gotten up by men who know nothing of the effects of medicine on the human system, and hence are endangering the lives of thousands who are daily using them. In offering, therefore, these pills, we think we are doing a public benefit, as they are the prescription of a regular physician, who has used them in his practice for ten or fifteen years, and with great success.

DR. MARTIN'S Compound Syrup of Wild Cherry, is the best medicine for Coughs, Colds, Consumption, Asthma, Spitting of Blood etc. Read the following:

Dr. Martin—Dear Sir:

Having received such great relief from the use of your Compound Syrup of Wild Cherry, I have determined to send you a statement of my case as it was when I commenced the use of it. I had had for some weeks a violent cough, and was under the care of my family physician, the late Dr. R. A. Durkee, whose experience in such matters no man ever doubted, yet my cough continued to increase, and I was so much reduced in flesh, I as well as my family became alarmed. In Decemcer last I called on you, as I knew you had for many years back attended my brother, the late Dr. Charles Tilden o Caroline county, Md., whose wife and two chidren and himself have since died of consumption. You seemed very doubtful of my case, as I thought and remarked you knew of nothing that would benefit me more tha the free use of your "Syrup of Wild Cherry, u I would observe a rigid diet, such as la down in your pamphlet on Consumption which accompanies each bottle of the Syrup. Upon due reflection I at once commenced following your advice, and soon found a grea change for the better, and in a few weeks I was enabled to attend to my business. My children have had violent colds, attended with a cough—such is my confidence in the Syrup I immediately resort to it, and always with success. Parents I think, should always keep it in their houses, as it will relieve the worst cough if taken in time. You can make use of this statement in an way you see proper. Yours respectfully,

DR. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA.

Wonder and Blessing of the Age.

The most extraordinary Medicine in the World!

This Extract is put up in Quart Bottles: it is six times cheaper, pleasanter, and warrented superior to any sold. It cures without vomiting, purging, sickning or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is that while it eradicates the disease, it invigorates the body. It is one of the very best

Spring and Summer Medicines

Ever known; it not only purifies the whole system, and strengthens the person, but it *creates new, pure and rich blood*; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cured of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children during the two past seasons.

10,000 *cases of General Debility and want of Nervous Energy.*

Dr. Townsend's Sarsaparilla invigorates the whole system. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general prostration of the nervous system, lassitude, want of ambition, fainting towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. Dr. Sarsaparilla is far superior to any

Invigorating Cordial,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or profuse Expectoration, Pain in the Side, &c., &c', have been and can be cured.

Spitting Blood.

New York April, 28, 1847.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life.—I have for several years had a bad cough. It became worse and worse. At last I raised large quanties of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time. I am now able to walk all over the city.—I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant.
WM. RUSSELL. 65 Catherine st

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhœa, or Whites, obstructed or difficult Menstruation; Incontinence or Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularities, illness or [illegible]. Nothing can be more invigorating [illegible] gratitude, to [illegible] once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. I could not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families [illegible] after using a few bottles of this medicine, have been [illegible] fine healthy offspring.

To Mothers and Married Ladies.

The Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to apprehend approaching that critical period "the change of life," should neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life. This period *may be delayed for several years by using this medicine*—Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which woman are subject.

It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increase and enriches the food, those who have used it think it is dispensible.—It is highly useful both before and after confinement-s it prevents diseases attendant upon child-birth—in Costiveness Pleas Cramps, Swelling of the feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and exqualizing the circulation it has no equal. The great beauty of this medicine is, it is always safe; and the most delicate use it most successfully, very few cases require any other medicine, in some a little rose tor Oil, or Magnesia, is useful. Exe Cas in the open air, and light food with this med'cine, will always ensure a safe and easy confinement.

Notice to the Ladies

Those that imitate Dr. Townsend's Sarsaparilla, have invariably called their stuff a *great Remedy for Females* &c., &c., and have copied our bills and circulars which relates to the complaints of woman, word for word—other men who put up medicine, have, since the great success of Dr. Townsend's Sarsaparilla in complaint incident to females, recommended theirs, although previously they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they aggravate disease and undermine the caution. Dr. Townsend's is the only and best remedy for the numerous female complaints—it rarely if ever fails of effecting a permanent cure.—It can be taken by the most delicate females in any case, or by those expecting to become mothers, with the greatest advantages, as it prepares the system and prevents pain or danger, and strengthens both mother and child. Be careful to get the genuine.

Scrofula Cured.

This certificate conclusively proves that this Sarsaparilla has perfect controle over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

Three Children

DR. TOWNSEND—*Dear Sir:* I have pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine.—They were afflicted very severely with bad Sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.

Yours, respectfully,
ISAAC W. CRAIN, 186 Woster-st.
