DR. MARTIN'S
Universal Purgative Pills,

A Remedy for all seasons, and safe at all times. The most superficial observer is aware that the great cause of disease is Costiveness, and that by the timely taking of a Purgative; the system is often restored to its usual health. By such a course, the lives of hundreds are saved, who would otherwise have fallen victims to disease. These pills remove all irritating matter in the bowels, and exciting the biliary functions to a healthy action. The press is teeming with the recommendations of purgative pills, gotten up by men who know nothing of the effects of medicine on the human system, and hence are endangering the lives of thousands, who are daily using them. In offering, therefore, these pills, we think we are doing a public benefit, as they are the prescription of a regular physician, who has used them in his practice for ten or fifteen years, and with great success.

DR. MARTIN'S Compound Syrup of Wild Cherry, is the best medicine for Coughs, Colds, Consumption, Asthma, Spitting of Blood etc. Read the following:

Dr. Martin—Dear Sir:

Having received such great relief from the use of your Compound Syrup of Wild Cherry, I have determined to send you a statement of my case as it was when I commenced the use of it. I had had for some weeks a violent cough, and was under the care of my family physician, the late Dr. R. A. Durfee, whose experience in such matters no man ever doubted, yet my cough continued to increase, and I was so much reduced in flesh, I as well as my family became alarmed. In Decemcer last I called on you, as I knew you had for many years back attended my brother, the late Dr. Charles Tilden o Caroline county, Md., whose wife and two children and himself have since died of consumption. You seemed very doubtful of my case, as I thought and remarked you knew of nothing that would benefit me more tha the free use of your "Syrup of Wild Cherry, n I would observe a rigid diet, such as la down in your pamphlet on Consumption which accompanies each bottle of the Syrup. Upon due reflection I at once commenced following your advice, and soon found a grea change for the better, and in a few weeks I was enabled to attend to my business. My children have had violent colds, attended with a cough—such is my confidence in the Syrup I immediately resort to it, and always with success. Parents I think, should always keep it in their houses, as it will relieve the worst cough if taken in time. You can make use of this statement in any way you see proper. Yours respectfully,

THOS. E. TILDEN,

DR. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA.

Wonder and Blessing of the Age.

The most extraordinary Medicine in the World!

This Extract is put up in Quart Bottles: it is six times cheaper, pleasanter, and warrented superior to any sold. It cures without vomiting, purging, sickning or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is that while it eradicates the disease, it invigorates the body. It is one of the very best

Spring and Summer Medicines

Ever known; it not only purifies the whole system, and strengthens the person, but it *creates new, pure and rich blood:* a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within ths last two years, more than 100,000 cured of severe cases of disease; at least 15,000 were considered, incurable. It has save the lives of more than 10,000 children during the two past seasons

—

10,000 *cases of General Debility and want of Nervous Emergy.*

Dr. Townsend's Sarsaparilla invigorates the whole system permanently To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting towards that fatal disease. Consumption, can be entirely restored by thi2 pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

—

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver complain, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or profuse Expectoration, Pain in the Side, &c., &c', have been and can be cured.

—

Spitting Blood.

New York April, 28, 1847.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life.—I have for several years had a bad cough. It became worse and worse. At last I raised large quanties of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time. I am now able to walk all over the city.—I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant.
WM. RUSSELL, 65 Catherine st

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhœa, or Whites, obstructed or difficult Menstruation. Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence it immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine healthy offspring.

—

To Mothers and Married Ladies.

This extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason o suppose she is approaching that critical period, "*The turn of life,*" should neglect o take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life. This period *may be delayed for several years by using this medicine* — Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which woman are subject.

It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increase and enriches the food, those who have used it think it is dispensible.—It is highly useful both before and after confinement—it prevents diseases attendant upon child-birth—in Costiveness Pleas Cramps, Swelling of the feet, Despondency, Hearthurn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and exqualizing the circulation it has no equal. The great beauty of this medicine is, it is always safe; and the most delicate use it most successfully, very few cases require any other medicine, in some a little reise tor Oil, or Magnesia, is useful. Exe Cas in the open air, and light food with this med'cine, will always ensure a safe and easy confinement.

—

Notice to the Ladies

Those that imitate Dr. Townsend's Sarsaparilla, have invariably called their stuff *great Remedy for Females* &c., &c., and have copied our bills and circulars which relates to the complaints of woman, word for word—other men who put up medicine, have, since the great success of Dr. Townsend's Sarsaparilla in complaint incident to females, recommended theirs, although previously they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they aggravate disease and undermine the caution. Dr. Townsend's is the only and best remedy for the numerous female complaints—it rarely if ever fails of effecting a permanent cure.—It can be taken by the most delicate females, in any case, or by those expecting to become mothers, with the greatest advantages, as it prepares the system and prevents pain or danger, and strengthens both mother and child. Be careful to get the genuine.

—

Scrofula Cured.

This certificate conclusively proves that this Sarsaparilla has perfect controle over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

Three Children

DR. TOWNSEND—*Dear Sir:* I have pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine.—They were afflicted very severely with bad Sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.

Yours, respectfully.

Caution.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c They generally put it up in the same shaped bottles, and some of them have stole and copied our advertisements—they are only worthless imitations, and should be avoided.

DR. SWAYNE'S
Compound Syrup of
WILD CHERRY,

THE GREAT REMEDY FOR

CONSUMPTION.

Honor to Whom Honor is Due,

It may truly be said, that no one has ever been so successful in compounding a medicine, which has done so much to relieve the human family, to rob disease of its terrors, and restore the Invalid to health and comfort as the Inventor and Proprietor of that most deservedly popular medicine Dr. Swayne's compound Syrup of Wild Cherry, and none has been so generally patronised by the Profession and others, both in this country and in Europe nor has there ever been so great an effort in the short space of only six or seven years, to deceive the credulous and unthinking, by putting up Nostrums of various kinds, by various individuals, affixing the name of Wild Cherry and as much of the name of the original preparation as well screen them from the lash of the law.

☞*BEWARE OF SUCH IMPOSTORS.*

And purchase none but the original and only genuine article as prepared by Dr. Swayne, which is the only one compounded by a *regular Physician*, and arose from many years' close attention to the Practice of the Profession, and which led to this great discovery. Thousands and tens of thousands of the best testimonials of the unparalelled success of Dr. Swayne's Compound Wild Cherry for the cure of

CONSUMPTION!

Cough, Colds, Spitting Blood, Liver Complaint, Tickling or Rising in the Throat, Nervous Debility, Weakness of Voice, Palpitation, or Disease of the Heart, Pain in the Side or Breast, Broken Constitution from various causes, the abuse of Calomel, &c., Bronchitis, Asthma, Whooping Cough &c., were declared to the world years before any other *preparation* of Wild Cherry came out. The most sceptical may satisfy themselves as to the truth of the above, by a little inquiry in Philadelphia.

☞The Public are requested to remember that it is *Dr. Swayne's Compound Syrup of Wild Cherry*, that has and is repeatedly performing such miraculous cures of diseases which have baffled the skill of the Profession, and set at defiance the whole catalogue of *Patent Medicines* which are daily puffed through the organs of the press. Therefore ask for *Dr. Swayne's Compound Syrup of Wild Cherry*, and purchase no other

A PHYSICIAN'S TESTIMONY.

Testimony is now Received from all Quarters of the Globe.

DR. J. B. ELLISON, Frankfort, Ky., says:—I was induced, from a failure of the most potent expectorants recommended in our Materia Medica, in some cases of Diseased Lungs, to try your preparation of Wild Cherry. It is sufficient to say that I was so much pleased with the result of that and subsequent trials, that I now prescribe it in preference to all other remedies. I have been engaged in active practice of twelve years, and this is the first Patent Medicine I ever thought enough of to express an opinion in writing.

The genuine article is prepared only by Dr. Swayne, Inventor and Sole Proprietor, corner of Eighth and Race street, Philadelphia. All Wild Cherry preparations being "positively fictious and counterfeit" without his signature.
