DR. MARTIN'S
Syrup of Wild Cherry.

The Wild Cherry and Sarsaparilla, which are the basis of this preparation, have been long known and celebrated in Consumption and Scrofula, Coughs, Colds, Spitting of Blood, Asthma, &c. This remedy increases rather than impairs the appetite, and promotes in a remarkable degree "*functions of nutrition.*" This is not surprising, when we consider that its peculiar properties are to rouse the morbid action of the absorbent vessel, and the nervous and muscular system, while at the same time it diminishes the action of the blood vessels. It is surprising what a wonderful effect this remedy will frequently produce even in the most aggravated and advanced stages of Scrofulous and Chronic Pulmonary Diseases. It seems to pervade the whole structure of the Chest, and to soften those concrete tubercular masses formed in the Lungs, and bringing them down to the same state of action with the rest of the system, by which health is promoted and sustained. It also differs from most other remedies in being remarkably pleasant, and in not having any of those heating, stupefying or disgusting properties, which are found in most other preparations of the Wild Cherry and Sarsaparilla.

Read the following from a highly respectable gentleman in Shenandoah county, Va:

"NEW MARKET, May 9th, 1849.

"Dr. Martin—Dear Sir: For fifteen or twenty years I have been much troubled with a violent cough and difficulty of breathing. I have tried many things, but all with no benefit, till I met with your Compound Syrup of Wild Cherry, at Messrs. A. Henkle & Son's store. At the instance of your friend, Mr. Noah J. Henkel, I was induced to take a bottle of the Syrup, and finding so much relief I continued to use it, and now think I am entirely relieved.

"PHILIP KNUPP, Se'nr.

MARTIN and WHITELEY'S National Tonic

There are no diseases so generally prevalent in this county as *Ague, Fever and Dyspepsia*, in the summer and fall months The effect of the Ague and Fever on the system is such as to leave the Stomach, Liver and Splean much deranged from which Dyspepsia generally arises, though Dyspepsia is more generally the result of overloading the stomach, or indulging in high seasoned food To find out a cure for those distressing diseases has been our special study for many years, and now think, by the aid of Chemical science, we have effected that object. Read the following:

MILLINGTON, Kent co., Md.

Dr. Martin—Dear Sir: I have tried your National Tonic for the cure of Ague and Fever, and so far have heard of its failing in any one instance. Three doses actually cured my own Child, and the like quantity and cured the Child of Mr. James H. Pennington, and Mr. Woodford, whom you know as carrying Clocks through the Peninsula, was cured by the use of a small Bottle that only cost 50 cents.

Yours respectfully,
R. S. ROLPH, Merch't.

DR. MARTIN'S UNIVERSAL PURGATIVE PILLS

A remedy for all seasons and safe at all times.—The most superficial observer is aware that on great changes of the seasons, and sudden and timely taking cold, the system is often restored to its accustomed tone by such a course like this of hundreds are saved who otherwise have fallen victims to disease. These Pills speedily remove all matters contained in the bowels, and excite the Biliary function to a healthy action. We think we are doing a public good in offering these pills to the Public, especially as the press is teeming with the recommendation of Purgative pills, which have been gotten up by men who know nothing of the effects of medicines on the human system, thereby endangering the live thousands who are daily using them—See the Pamphlets and the certificates, among them those from medical men of standing.

ALSO, DR SWAYNE'S VERMIFUGE.

This is a most valuable medicine in all cases o Worms of children, or grown persons. All we ask is to give it a trial. It is the prescription of a regular Physician who has had a large experience.

☞The above medicines are prepared and sold by MARTON & WHITELEY, No. 48, South Calvert street Baltimore; and are for sale by John L. Stam, Chestertown—R. S Rolph, Millington—E. Miller, Georgetown Roads—Peter Bross, Harmony—Joseph A Wright, Head of Sassafras—John Perkins, Worton Heights May 4, 1850——tf.
