DR. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA.

Wonder and Blessing of the Age.
The most extraordinary Medicine in the World!
This Extract is put up in Quart Bottles: it is six times cheaper, pleasanter, and warrented superior to any sold. It cures without vomiting, purging, sickning or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is that while it eradicates the disease, it invigorates the body. It is one of the very best

Spring and Summer Medicines

Ever known; it not only purifies the whole system, and strengthens the person, but it *creates new, pure and rich blood:* a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cured of severe cases of disease; at least 15,000 were considered, incurable. It has save the lives of more than 10,000 children during the two past seasons

10,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently To those who have lost their muscular energy by the effects of medicine or indiscretion commited in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting towards that fatal disease. Consumption, can be entirely restored by thi2 pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver complaint, Colds, Catarrh, Coughs. Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or profuse Expectoration, Pain in the Side, &c., &c', have been and can be cured.

Spitting Blood.

New York April, 28, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life.—I have for several years had a bad cough. It became worse and worse. At last I raised large quanties of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time. I am now able to walk all over the city—I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant.
WM. RUSSELL. 65 Catherine st

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhœa, or Whites, obstructed or difficult Menstruation. Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence it immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine healthy offspring.

To Mothers and Married Ladies.

This extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "*The turn of life,*" should neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life. This period *may be delayed for several years by using this medicine*—Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which woman are subject.

It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increase and enriches the food, those who have used it think it is dispensible.—'tis highly useful both before and confinements it prevents diseases attendant upon child-birth—in Costiveness Plea Cramps, Swelling of the feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and exqualizing the circulation it has no equal. The great beauty of this medicine is, it is always safe; and the most delicate use it most successfully, very few cases require any other medicine, in some a little rcise tor Oil, or Magnesia, is useful. Exe Cas in the open air, and light food with this med'cine, will always ensure a safe and easy confinement.

Notice to the Ladies.

Those that imitate Dr. Townsend's Sarsaparilla, have invariably called their stuff *a great Remedy for Females* &c., &c., and have copied our bills and circulars which relates to the complaints of woman, word for word—other men who put up medicine, have, since the great success of Dr Townsend's Sarsaparilla in complaint incident to females, recommended theirs, although previously they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they aggravate disease and undermine the caution. Dr. Townsend's is the only and best remedy for the numerous female complaints—it rarely if ever fails of effecting a permanent cure.—It can be taken by the most delicate females, in any case, or by those expecting to become mothers, with the greatest advantages, as it prepares the system and prevents pain or danger, and strengthens both mother and child. Be careful to get the genuine.

Scrofula Cured.

This certificate conclusively proves that this Sarsaparilla has perfect controle over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

Three Children.

Dr. Townsend—*Dear Sir:* I have pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine.—They were afflicted very severely with bad Sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.

Yours, respectfully,
ISAAC W. CRAIN, 186 Woster-st.

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

Caution.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c They generally put it up in the same shaped bottles, and some of them have stole and copied our advertisements—they are only worthless imitations, and should be avoided.

DR. MARTIN'S
Syrup of Wild Cherry.

The Wild Cherry and Sarsaparilla, which are the basis of this preparation, have been long known and celebrated in Consumption and Scrofula, Coughs, Colds, Spitting of Blood, Asthma, &c. This remedy increases rather than impairs the appetite, and promotes in a remarkable degree "*functions of nutrition.*" This is not surprising, when we consider that its peculiar properties are to rouse the morbid action of the absorbent vessel, and the nervous and muscular system, while at the same time it diminishes the action of the blood vessels. It is surprising what a wonderful effect this remedy will frequently produce even in the most aggravated and advanced stages of Scrofulous and Chronic Pulmonary Diseases. It seems to pervade the whole structure of the Chest, and to soften those concrete tubercular masses formed in the Lungs, and bringing them down to the same state of action with the rest of the system, by which health is promoted and sustained. It also differs from most other remedies in being remarkably pleasant, and in not having any of those neating, stupifying or disgusting properties, which are found in most other preparations of the Wild Cherry and Sarsaparilla.

Read the following from a highly respectable gentleman in Shenandoah county, Va.

"NEW MARKET, May 9th, 1849.

"Dr. Martin—Dear Sir: For fifteen or twenty years I have been much troubled with a violent cough and difficulty of breathing. I have tried many things, but all with no benefit, till I met with your Compound Syrup of Wild Cherry, at Messrs. A. Henkle & Son's store. At the instance of your friend, Mr Noah J. Henkel, I was induced to take a bottle of the Syrup, and finding so much relief I continued to use it, and now think I am entirely relieved.

"PHILIP KNUPP, Sen'r.

HARRIS and WHITELEY'S National Rem[illegible]

There are no diseases so generally prevalent in this county as *Ague, Fever and Dyspepsia*, in the summer and fall months. The effect of the Ague and Fever on the system is such as to leave the Stomach, Liver and Splean much deranged from which Dyspepsia generally arises, though Dyspepsia is more generally the result of overloading the stomach, or indulging in high seasoned food. To find out a cure for those distressing diseases has been our special study for many years, and now think, by the aid of Chemical science, we have effected that object. Read the following.—

MILLINGTON, Kent co., Md.

Dr. Martin—Dear Sir: I have tried your National Tonic for the cure of Ague and Fever, and so far have heard of its failing in any one instance. Three doses actually cured my own Child, and the like quantity also cured the Child of Mr. James H. Pennington, and Mr. Woodford, whom you know as carrying Clocks through the Peninsula, was cured by the use of a small Bottle that only cost 50 cents.

Yours respectfully,
R. S. ROLPH, Merch't.

DR. MARTIN'S UNIVERSAL PURGATIVE PILLS.

A remedy for all seasons, and safe at all times. The most superficial observer is aware that one great cause of disease is Costiveness, and that by the timely taking of a Purgative, the system is often restored to its accustomed energy. By such a course the lives of hundreds are saved who otherwise have fallen victims to disease. These Pills speedily remove all matter contained in the bowels, and excite the Biliary functions to a healthy action. We think we are doing a public good in offering these pills to the Public, especially as the press is teeming with the recommendation of Purgative pills, which have been gotten up by men who know nothing of the effects of medicines on the human system, thereby endangering the live thousands who are daily using them—See the Pamphlets and the certificates among them those from medical men of standing.

ALSO, DR. SWAYNE'S VERMIFUGE.

This is a most valuable medicine in all cases of Worms of children, or grown persons. All we ask is to give it a trial. It is the prescription of a regular Physician who has had a large experience.

☞The above medicines are prepared and sold by HARTON & WHITELEY, No. 48, South Calvert st. Baltimore; and are for sale by John L. Sham, Chestertown—R. S Rolph, Millington—E. Miller, Georgetown Roads—Peter Brues, Harmony—Joseph A Wright, Head of Sassafras—John Perkins, Worton Heights.
