Thrashing and Cleaning *WHEAT & OATS.*

I take this method of offering to my friends and the farmers of Kent county, generally, (who are not prepared with one of their own,) the services of my very superior Wheat Thrasher, Horse Power and Fan—the whole concern is nearly new and in first rate working order. This machin, fan, &c. is said by good practical farmers to be superior to any thing of the kind now in use among us. (it certainly does good work) She will thrash, fan and bag 18 to 25 bushels per hour. At Oats that was got out by her last year brought 2 cents per bushel more, than those got out by other machines.

Mr. Wm. W. Byrom will have charge of the machine and is fully authorised to make contracts for getting out grain. Persons wishing to employ her would do well by applying early.
