TRINITY SCHOOL FOR YOUNG LADIES.

That our daughters may be as corner-stones after the similitude of a palace.—Ps. CXLIV. 12.

Rev. EDWIN M. VAN DEUSEN, Rector of Trinity Church, Visiter.
Miss HENRIETTA DAVIS, Principal.
Miss H. S. GILBERT, Associate Principa
Mrs. AMELIA FOOTE, Teacher of the Piano and Guitar.
Prof. AUGUSTE D'OUVILLE, Teacher of French, &c.

Trinity School will be re-opened, as a boarding and day school, on Monday September 2nd. The situation is one of the most elevated in the city—proverbial for its healthfulness, and being removed from the business part of the town, is quiet, and yet central and convenient. The boarding pupils will be accomodated with well ventilated dormitories, and always under the immediate care of their instructers.—They will have all the advantages of *home* in a Christian family; the great design of the institution being to train up the young in the faith and fear of God, and prepare them to fill their various situations in life not merely as *of* and *for* this world, but as living members of Christ's body, the church, and children of immortality. The government will be based upon religious principle, appeal to the moral sense of the child, and aim to check and control the influence of that corruption of our nature, out of which spring all our sufferings.—As uniformity and system in the discipline and instruction, are essential to the success of the school, it will be expected that all pupils will conform to its regulations. The Rector of the Church, as Visiter, conducts the devotions, and examines the pupils weekly, on Tuesday morning, when parents and others are respectfully invited to be present at 9 o'clock.

The Vacations are, one week at Christmas and the month of August.

TERMS:

Board and Tuition $150 for the Scholastic year—$3 per week during vacations if the pupils remain at the institution.

DAY SCHOLARS' TUITION—$3 per quarter for Reading and Spelling—$4 for Reading, Writing, Spelling and Arithmatic—$6 for all higher English Branches.

MUSIC—$10 per quarter; use of Piano, $2 per quarter.

FRENCH at Professor's prices—not over $5 per quarter.

Each boarder is requested to bring three napkins, a silver fork, and spoon.

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS

PREPARED BY

DR. C. M. JACKSON,

WILL EFFECTUALLY CURE

Jundice, Dysseptia, Ghronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or stomach in both male and female.

Such as constipation, inward piles, fulness of blood to the head, escidity of the stomach, nausea, heart burn, disgust for food fulness or weight in the stomach, eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing fluttering at the heart, choaking or sufficating sensations when in a lying posture dimness of vision, dots or webs before the sight, fever and pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, limbs, &c, can be effectually cured by

DR. HOOFLAND'S Celebrated German Bitters.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the U. S. as the cures attest in many cases after skilful physicians have failed.

Derangement of the liver and stomach are sources of insanity, and will also produce disease of the heart, skin lungs and kidneys, and lays the body open to an attack of cholera. Bilious and yellow fever, and is generally the first cause of Consumption

OPINIONS OF THE PHILADA PRESS.

"DESPATCH, Dec. 31st says:

An invaluable medicine. We have frequently heard the celebrated German Bitters manufactured by Dr. Hoofland, spoken in terms of commendation and we know deservedly so. It is a too comon practice in certain quarters, to puff all manner of useless trash, but in the case of the above Bitters, hundreds are living witnesses of their great moral and physical worth. As a medicine for the liver complaint, Jaundice, nervous debility and dyspepsia, it has been found invaluable, effecting cures and eradicating diseases, when all other medicines have failed. It would be well for those who are much affected in the nervous system, to commence with one teaspoon full or less, and gradually increase. We speak from experience, and are of course a proper judge. The press far and wide, have united in recommending the German Bitters, and to the afflicted we most cordially advise their use.

'SPIRIT OF THE TIMES,' June 24 says:

Do you good citizens, who are invalids, know the many astonishing cures that have been performed by Dr Hoofland's German Bitters? If not we recommend them to the "German Medical Store," all who are afflicted with liver Complaint, Jaundice, Dyspepsia, or nervous debility, the Dr. has cured many of our citizens after the physicians had failed. We have used them and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives them greater claim upon our humble effort, they are entirely Vegetable.

Read the Following.

Philadelphia, Nov. 22d, 1848.

DEAR SIR—It is with much pleasure that I testify to the virtues of your German Bitters having sold largely of them these few months to various persons, afflicted with liver complaints, dyspepsia, and debility of the nervous system. I can say conscientiously, that they are the best article of the kind I have ever sold, (and I deal in all the popular medicines) and I consider it the only medicine for the above diseases before the public.

I have never sold one bottle that has not given satisfaction, and brought forth the commendation of those who use it.

With much respect, I remain yours &c.

JAUNDICE AND LIVER COMPLAINT Cured after Physicians had Failed.

Philad., Dec. 27, 1848.

DEAR SIR—It is with feelings of pleasure I communicate to you the sensative effects (and in a short time) of your invaluable German Bitters, upon my system while laboring under the Jaundice. About two years ago I had an attack of the jaundice, and was confined to the house six weeks under medical treatment of the family physician and for sometime after, when I went out I had to be very careful of myself, since that time I have had several attacks of the same diseases, and your Bitters have entirely relieved and cured me in two or three days. My next door neighbor, Mr. Jno. Diechl, last spring, had a long and serious spell of jaundice, he had it some time before I knew it; he was confined to his bed. As soon as I heard of his condition I called to see him and told him of the effect of your Bitters had upon me in the same disease. He immediately sent for a bottle, and in a few days he was cured. My wife has been considerably afflicted with liver complaint and neuralgia, by the use of the bitters she is well now enjoying good health. We always keep the bitters on hand and would not be willing to be without them.

Very respectfully yours,
C. PIERCE. 307 South Front st.

Can stronger testimony be abduced by any preparation before the public? A single bottle will convince any one of their power over disease. They are entirely Vegetable, and will permanently destroy the most obstinate costiveness, and give strength and vigor to the frame, at no time debilitating the patient, being also grateful to the most delicate stomaches, and can be administered with perfect safety to delicate infants, they are free from Alcholhol, Syrup, Acids, Calomel, and all mineral and injurious ingredients. They can be taken at all times and under all circumstances, no ordinary exposure will prevent them having a salutary effect, and no bad result can accrue from an over dose.

For sale, wholesale and retail, at the principle Depot, German Medical store, No. 120 Arch st one door below Sixth ate of 278 Race st., Philadelphia.

For sale at the store of Peter Brees, Harmony, Kent county, Maryland.

DR. MARTIN'S Syrup of Wild Cherry.

The Wild Cherry and Sarsaparilla, which are the basis of this preparation, have been long known and celebrated in Consumption and Scrofula, Coughs, Colds, Spitting of Blood, Asthma, &c. This remedy increases rather than impairs the appetite, and promotes in a remarkable degree *"functions of nutrition."* This is not surprising, when we consider that its peculiar properties are to rouse the morbid action of the absorbent vessel, and the nervous and muscular system, while at the same time it diminishes the action of the Blood vessels. It is surprising what a wonderful effect this remedy will frequently produce even in the most aggravated and advanced stages of Scrofulous and Chronic Pulmonary Diseases. It seems to pervade the whole structure of the Chest, and to soften those concrete tubercular masses formed in the Lungs, and bringing them down to the same state of action with the rest of the system, by which health is promoted and sustained. It also differs from most other remedies in being remarkably pleasant, and in not having any of those heating, stupyfying or disgusting properties, which are found in most other preparations of the Wild Cherry and Sarsaparilla.

Read the following from a highly respectable gentleman in Shenandoah county, Va:

"NEW MARKET, May 9th, 1849.

"Dr. Martin—Dear Sir: For fifteen or twenty years I have been much troubled with a violent cough and difficulty of breathing. I have tried many things, but all with no benefit, till I met with your Compound Syrup of Wild Cherry, at Messrs. A. Henkle & Son's store. At the instance of your friend, Mr. Noah J. Henkel, I was induced to take a bottle of the Syrup, and finding so much relief I continued to use it, and now think I am entirely relieved.

"PHILIP KNUPP, Sen'r.

MARTIN and WHITELEY'S National Tonic

There are no diseases so generally prevalent in this county as *Ague, Fever and Dyspepsia*, in the summer and fall months. The effect of the Ague and Fever on the system is such as to leave the Stomach, Liver and Splean much deranged from which Dyspepsia generally arises, though Dyspepsia is more generally the result of overloading the stomach, or indulging in high sea seasoned food To find out a cure for those distressing diseases has been our special study for many years, and now think, by the aid of Chemical science, we have effected that object. Read the following.—

MILLINGTON, Kent co., Md.

Dr. Martin—Dear Sir: I have tried your National Tonic for the cure of Ague and Fever, and so far have heard of its failing in any one instance. Three doses actually cured my own Child, and the like quantity and cured the Child of Mr. James H. Pennington, and Mr Woodford, whom you know as carrying Clocks through the Peninsula, was cured by the use of a small Bottle that only cost 50 cents.

Yours respectfully,
R. S. ROLPH, Merch't

DR. MARTIN'S UNIVERSAL PURGATIVE PILLS.

A remedy for all seasons, and safe at all times—The most superficial observer is aware that one great cause of disease is Costiveness, and that by the timely taking of a Purgative, the system is often restored to its accustomed energy. By such a course the lives of hundreds are saved who otherwise have fallen victims to disease. These Pills speedily remove all matters contained in the bowels, and excite the Biliacy functions to a healthy action. We think we are doing a public good in offering these pills to the Public; especially as the press is teeming with the recommendation of Purgative pills, which have been gotten up by men who know nothing of the effects of medicines on the human system, thereby endangering the live thousands who are daily using them—See the Pamphlets and the certificates, among them those from medical men of standing.

ALSO, DR. SWAYNE'S VERMIFUGE.

This is a most valuable medicine in all cases of Worms of children, or grown persons. All we ask is give it a trial. It is the prescription of a regular Physician who has had a large experience.

☞The above medicines are prepared and sold by MARTON & WHITELEY, No. 48, South Calvert street Baltimore; and are for sale by John L. Slim, Chestertown—R. S. Rolph, Millington—E. Miller, Georgetown Cross Roads—Peter Brees, Harmony—Joseph A Wright, Head of Sassafras—John Perkins, Worton Heights
