SEARS' PICTORIAL FAMILY PUBLICATIONS

Are decidedly the best books that Agents can possibly employ their time in supplying to the people of the United States. They are valuable for reference, and should be possessed by every family in this great Republic. There is not a city or town in these United States, even those of small importance, but contains many citizens to whom these works are indispensable.—They are adapted to the literary wants of the Christian, the Patriot, the Statesman, and the Domestic Circle—got up in a superior style of paper and workmanship, and are not only such books as will sell, but such an Agent of good principles will feel free to recommend, and willing to see the purchaser again, after they have been bought.

OUR PLAN.

The plan the Publisher has so successfully carried out for several years, in the obtaining responsible men as Agents, who are well known in their own Counties, Towns, and Villages, and have time and disposition to circulate good and instructive books among their neighbors and friends. Any person wishing to embark in the enterprise will risk little by sending to the Publisher $25 or 50, for which he will receive an assortment as may direct, at the wholesale Cash Prices.

☞ Enterprising and active men of respectability and good address, would do well to engage in the sale of the above volumes; and all Postmasters, Clergymen, Book Peddlers, and Newspaper Agents, are respectfully requested to act as our Agents. A handsome remuneration allowed to all who engage in their sale. For particulars, address post-paid,
