DR. MARTIN'S
Syrup of Wild Cherry.

The Wild Cherry and Sarsaparilla, which are the basis of this preparation, have been long known and celebrated in Consumption and Scrofula, Coughs, Colds, Spitting of Blood, Asthma, &c. This remedy increases rather than impairs the appetite, and promotes in a remarkable degree *"functions of nutrition."* This is not surprising, when we consider that its peculiar properties are to rouse the morbid action of the absorbent vessel, and the nervous and muscular system, while at the same time it diminishes the action of the blood vessels. It is surprising what a wonderful effect this remedy will frequently produce even in the most aggravated and advanced stages of Scrofulous and Chronic Pulmonary Diseases. It seems to pervade the whole structure of the Chest, and to soften those concrete tubercular masses formed in the Lungs, and bringing them down to the same state of action with the rest of the system, by which health is promoted and sustained. It also differs from most other remedies in being remarkably pleasant, and in not having any of those heating, stupefying or disgusting properties, which are found in most other preparations of the Wild Cherry and Sarsaparilla.

Read the following from a highly respectable gentleman in Shenandoah county, Va

"NEW MARKET, May 9th, 1849.

"Dr. Martin:—Dear Sir: For fifteen or twenty years I have been much troubled with a violent cough and difficulty of breathing. I have tried many things, but all with no benefit, till I met with your Compound Syrup of Wild Cherry, at Messrs. A. Henkle & Son's store. At the instance of your friend, Mr. Noah J. Henkel, I was induced to take a bottle of the Syrup, and finding so much relief I continued to use it, and now think I am entirely relieved.

"PHILIP KNUPP, Sr."

MARTIN and WHITELEY'S National Tonic

There are no diseases so generally prevalent in this county as *Ague, Fever and Dyspepsia*, in the summer and fall months. The effect of the Ague and Fever on the system is such as to leave the Stomach, Liver and Spleen much deranged from which Dyspepsia generally arises, though Dyspepsia is more generally the result of overloading the stomach, or indulging in high seasoned food. To find out a cure for those distressing diseases has been our special study for many years, and now think, by the aid of Chemical science, we have effected that object. Read the following:—

MILLINGTON, Kent co., Md.

Dr. Martin—Dear Sir: I have tried your National Tonic for the cure of Ague and Fever, and so far have heard of its failing in any one instance. Three doses actually cured my own Child, and the like quantity and cured the Child of Mr. James H. Pennington, and Mr Woodford, whom you know as carrying Clocks through the Peninsula, was cured by the use of a small Bottle that only cost 50 cents.

Yours respectfully,
R. S. ROLPH, Merch't

DR. MARTIN'S UNIVERAL PURGATIVE PILLS.

A remedy for all seasons, and use at all times.—The most superficial observer is aware that one great cause of disease is Costiveness, and that by the timely taking of a Purgative, the system is often restored to its accustomed energy. By such a course the lives of hundreds are saved who otherwise have fallen victims to disease. These Pills speedily remove all matters contained in the bowels, and excite the Biliary functions to a healthy action. We think we are doing a public good in offering these pills to the Public, especially as the press is teeming with the recommendation of Purgative pills, which have been gotten up by men who know nothing of the effects of medicines on the human system, thereby endangering the live thousands who are daily using them—See the Pamphlets and certificates, among them those from medical men of standing.

ALSO, DR. SWAYNE'S VERMIFUGE.

This is a most valuable medicine in all cases of Worms of children, or grown persons. All we ask is give it a trial. It is the prescription of a regular Physician who has had a large experience.

☞The above medicines are prepared and sold by MARTON & WHITELEY, No. 48, South Calvert street Baltimore; and are for sale by John L. Stam, Chestertown—R. S. Rolph, Millington—E. Miller, Georgetown Cross Roads—Peter Brocs, Harmony—Joseph A Wright, Head of Sassafras—John Perkins, Werton Heights

DR. SWAYNE'S
Celebrated Family Medicines

DR. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY

The Original and Genuine Preparation!

THE MOST COMMON SAYING

Is that I would not give one bottle of Dr. Swayne's Compound Syrup of Wild Cherry for half a dozen of any other preparations. I have tried all the popular ones, but this stands unrivalled for the cure of the following diseases: Influenza, Coughs, Colds, Consumption, Spitting of Blood, Palpitation of the Heart, Whooping Cough, Tickling or Rising Sensation in the Throat, Asthma, or a Weakness of the Nervous System, or impaired constitution from any cause, and to prevent persons from falling into a decline, this medicine has not its equal. And when too much calomel or quinine has been used, this medicine will prevent its evil effects on the system, and repair the billiary functions.

TESTIMONIALS WILL NEVER CEASE

REMARKABLE CURE OF CONSUMPTION.

Abraham Hunsicker, 2 miles from Skippervilie, Pa., contracted a severe cold, which settled upon his Lungs, attended with violent coughing, great difficulty of breathing, an abscess formed in his lungs, and made its way through the side, and discharge large quantities of pus externally. This mournful state of things continued for a long time, until making use of Dr Swayne's Compound Syrup of Wild Cherry, which performed a perfect cure.

☞Have you the Asthma, Liver Complaint or Bronchitis? If so give this medicine a trial. It seldom fails to cure.

VERY IMPORTANT CAUTION.

Be very particular to inquire for Dr. Swayne's Compound Syrup of Wild Cherry, as some unprincipaled individuals have stolen the name of Wild Cherry, thinking to borrow a reputation from the already established. Remember, the genuine is put in square bottles, covered with a beautiful wrapper, (steel engraving,) with the portrait of DR. SWAPNE thereon, also his signature; a others are positively *ficticious and counterfeit*

SWAYNE'S CELEBRATED VERMIFUGE.

A safe and effectual remedy for Worms, Dyspepsia, Cholera Morbus, sickly or Adults, and the most useful Family Medicine ever offered to the public."

EXTRACT OF A LETTER TO DR. SWAYNE,

Dated, Andersontown, Indiana.

A man purchased a bottle of your Vermifuge the other day for his child, and by its use discharged sixty-three of the largest worms he had ever seen. It is somewhat difficult to get the people to try it, as they have been so often gulled by nauseous and worthless worm medicines. Yours being so very pleasant to the taste, at the same time effectual, I shall be able to dispose of a large quantity. Respectfully, yours.

TOWNSEND SHARP, P. M.

BEWARE OF MISTAKES! Remember Dr. Swayne's Vermifuge is now put up in square bottles, (having recently been changed) covered with a beautiful steel engraving wrapper, with the portrait of Dr. Swayne thereon. Bear this in mind, and be not deceived.

See that the name is spelt correctly.—SWAYNE

DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS;

PREPARED BY

DR. C. M. JACKSON,

WILL EFFECTUALLY CURE

Jundice, Dyspepsia, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or stomach in both male and female.

Such as constipation, inward piles, fulness of blood to the head, lescidity of the stomach, nausea, heart burn, disgust for food fulness or weight in the stomach, eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing fluttering at the heart, choaking or sufficating sensations when in a lying posture dimness of vision, dots or webs before the sight, fever and pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, limbs, &c. can be effectually cured by

DR. HOOFLAND'S Celebrated German Bitters.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the U. S. as the cures attest in many cases after skilful physicians have failed.

Derangement of the liver and stomach are sources of insanity, and will also produce disease of the heart, skin lungs and kidneys, and lays the body open to an attack of cholera, Bilious and yellow fever, and is generally the first cause of Consumption.

OPINIONS OF THE PHILADA PRESS.

"DESPATCH, Dec. 31st says:

An invaluable medicine. We have frequently heard the celebrated German Bitters manufactured by Dr. Hoofland, spoken in terms of commendation and we know deservedly so. It is a too comon practice in certain quarters, to puff all manner of useless trash, but in the case of the above Bitters, hundreds are living witnesses of their great moral and physical worth. As a medicine for the liver complaint, Jaundice, nervous debility and dyspepsia, it has been found invaluable, effecting cures and eradicating diseases, when all other medicines have failed. It would be well for those who are much affected in the nervous system, to commence with one teaspoon full or less, and gradually increase. We speak from experience, and are of course a proper judge. The press far and wide, have united in recommending the German Bitters, and to the afflicted we most cordially advise their use.

'SPIRIT OF THE TIMES,' June 24 says:

Do you good citizens, who are invalids, know the many astonishing cures that have been performed by Dr Hoofland's German Bitters? If not we recommend them to the "German Medical Store," all who are afflicted with liver Complaint, Jaundice, Dyspepsia, or nervous debility the Dr. has cured many of our citizens after the physicians had failed. We have used them and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and which gives them greater claim upon a humble effort, they are entirely Vegetable

Philadelphia, Nov. 22d, 1848.

DEAR SIR—It is with much pleasure that I testify to the virtues of your German Bitters having sold largely of them a few months to various persons, afflicted with liver complaints, dyspepsia, and debility of the nervous system I can conscientiously, that they are the article of the kind I have ever sold, deal in all the popular medicines) and consider it the only medicine for the above diseases before the public.

I have never sold one bottle that has not given satisfaction, and in each case the commendation of those who used it.

With much respect, I remain yours &c.

JAUNDICE AND LIVER COMPLAINT

Cured after Physicians had Failed.

Phila., Dec. 27, 1848.

DEAR SIR—It is with feelings of pleasure I communicate to you the sensative effects (and in a short time) of your invaluable German Bitters, upon my system while laboring under the Jaundice. About two years ago I had an attack of the jaundice, and was confined to the house six weeks under medical treatment of the family physician and for sometime after, when I went out I had to be very careful of myself, since that time I have had several attacks of the same diseases, and your Bitters have entirely relieved and cured me in two or three days. My next door neighbor, Mr. Jno. Diechl, last spring, had a long and serious spell of jaundice, he had it some time before I knew it; he was confined to his bed. As soon as I heard of his condition I called to see him and told him of the effect of your Bitters had upon me in the same disease. He immediately sent for a bottle, and in a few days he was cured. My wife has been considerably afflicted with liver complaint and neuralgia, by the use of the bitters she is well now enjoying good health We always keep the bitters on hand and would not be willing to be without them.

Very respectfully yours,

C. PIERCE, 307 South Front st.

Can stronger testimony be adduced by any preparation before the public? A single boutle will convince any one of their power over disease. They are entirely Vegetable, and will permanently destroy the most obstinate costiveness, and give strength and vigor to the frame, at no time debilitating the patient, being also grateful to the most delicate stomaches, and can be administered with perfect safety to delicate infants, they are free from Alcoholhol, Syrup, Acids, Calomel, and all mineral and injurious ingredients. They can be taken at all times and under all circumstances, no ordinary exposure will prevent them having a salutary effect, and no bad result can accrue from an over dose.

NOTICE.

In conformity to the resolutions of the Legislature of Maryland empowering the Orphans' Court to select "one indigent scholar" to be sent to Washington College, whose board, instruction, necessary books and stationary, will be furnished at the cost of the Visitors and Governors of said College, the Orphans' Court of Kent county will on Wednesday the 20th day of November, 1850, proceed to the selection of a scholar from this county.

Parents and others disposed to avail themselves of the benefits of these resolutions, are requested to make written applications, stating the name and age of the boy applying, as no boy can be admitted under 12 years of age.

Written testimonials of moral character and intellectual capacity will be required, in making the selection the Court will look exclusively to the moral and intellectual fitness of the applicants.

No applications are expected, in favor of a boy whose income is sufficient, or whose parents can afford to give him a classical education.

The Court will also expect some guarantee that the scholar selected shall remain at the College sufficiently long for a full collegiate course, not to exceed the period of five years—such seeming to be contemplated by the resolutions.
