From the Boston Bee.
The editor said Dec 22d—"Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise them to use."
Scott's Weekly, one of the best Literary papers published, said Aug 25:
"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon the weak system."

MORE EVIDENCE.
The Philadelphia Saturday Gazette, the best family newspaper published in the United States, the editor says of **DR. HOOFLAND'S GERMAN BITTERS** "It is seldom we recommend what are termed patent medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."
Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor is, that there is more of it used in the practice of the regular physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.
That this medicine will cure Liver Complaint and Dyspepsia, and no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS.
This medicine has attained that high character which is necessary for all medicine to attain to induce counterfeiters to put forth a spurious article at the risk of the lives of those who are innocently deceived.
LOOK WELL TO THE MARKS OF THE GENUINE.
They have the written signature of C. M. JACKSON on the wrapper, and of name blown on the bottle, without which they are spurious.
