20,000 PERSONS CURED,

No Relief No Pay!

THE Public are respectfully informed that Dr. Tobias adopted the above as his motto since he has introduced his invaluable

Venetian Liniment,

On sale in the United States—now over 2 years.

☞During that period, every bottle sold has been warranted to give *Relief*, if used according to the directions, or the money would be refunded; and No Agent was allowed to have it on sale without he would warrant it

Thousands of Bottles

Have been sold, and *not one in a thousand have been returned!*

Wherever it has been introduced it has superseded every other Liniment, and, with scarcely any advertising, has quietly won public confidence. Now, there are hundreds of families that are never without it. This has been done by private recommendation, chiefly from those who have been cured by it of obstinate Diseases,

When every other remedy has proved ineffectual,

Many persons have said, on reading my pamphlet, that it *Cures too many Complaints*; but I have replied, "Use it according to the directions, and if you do not get relieved, your money will be returned." More I cannot say: for if I confer no benefit I ask no remuneration. All that is asked for is a fair trial; then I am assured there will be no dissatisfaction.

It is Warranted to Cure

Cholero, Colic, Dysentary, Cramp, Vomiting, Sea-Sickness, Chronic, Rheumatism, Sore Throats, Cuts, burns, Chilblains, Swellings, Old Sores, Bruises, Coughs, Croup, Mumps, Chapped Hands, Wens, Heart, Weakness in the Limbs, Back, and Chest; Pains in the Joints Hemmorrhage, &c.

Thousands of certificates can be seen at the depot.

☞Full Directions wrapped up with every Bottle

Ladies

can find no article that will so quickly and harmlessly remove Pimples and Blotches from the Neck, Face and Hands.

Croup

which carries off hundreds of children annually, can be averted by the timely application of the Venetian Linement. If parents would observe their children, and when the eyes are heavy, or the breathing slightly the breathing slightly thick they would rub the neck and chest well with the liniment, they would never have to suffer that distressing complaint.

Chronic Rheumatism,

it cures as certainly as it is applied.—But inflammatory requires the aid of a physician as internal treatment is requisite.

Persons suffering from Weakness or Pains in the Back, Chest or Limbs, will find relief in a few applications of this liniment. It opens the Pores, besides strengthening the muscles.

Toothache is cured by it in a few minutes.

Vomiting is immediately stopped by it, and when the stomach will not retain medicine or food, take 20 drops of liniment in half a wine glass full of water—then nothing will be ejected.

Cholera and *Dysentary* were cured in hundreds of cases, when last in this country, by the timely use of this liniment.

It is also warranted superior to anything else to alleviate and cure

Cuts, Burns, Old Sores, Swellings, etc

☞Depot No. 228, Greenwich street, New York.

Price 25 and 50 cents per bottle.

This Liniment is an internal as well as external Remedy, and is warranted harmless.

☞See that every Bottle has Dr. Tobias's written signature, as no other is genuine.

STABLER'S

DIARRHŒA CORDIAL

Is a pleasant Mixture, composed in agreement with the rules of Pharmacy, of the raputic agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA, and similar affections of the system. In its action, it ALLAYS NAUSEA and produces a healthy action of the LIVER, thus removing the cause at the same time that it cures the disease.

Opinion of Dr. JOHN ADDISON, Physician to the Balumore Southern Dispensary.

Having a trial of your "Diarrhœa Cordial," and being also acquainted with the ingredients of which it is composed, it gives me much pleasure in adding my testimony to that of others in favor of its EXTRAORDINARY EFFICACY in the cure of "Diarrhœa and Summer Complaints in children and adults."

With respect, &c.,
JOHN ADDISON, M. D

☞Price 50 cts. per Bottle.

STABLER'S ANODYNE CHERRY

EXPECTORANT

Is confidently reccommended to invalids as UNSURPASSED by any known preparation for the cure of COUGHS, HOARSENESS, and other forms of common colds; BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an early stage, and for the RELIEF of the Patient even in advanced stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its *soothing* and *tonic* qualities, acts through the skin gently, and with great efficacy; for the cure of this class of diseases.

A number of the most respectable Physicians, to whom we have communicated a knowledge of the constituents of these medicines, have been pleased to favor us with their opinions, (some of them in writing,) that they are the best remedies they have ever been acquainted with for the cure of the diseases for which they are recommended.

OPINION OF Dr. SAMUEL B. MARTIN,

One of the most experienced of the faculty in this city, and long celebrated for successful practice:

GENTLMEN—I have carefully examined the component parts of your Diarrhœa Cordial, as well as your Anodyne Cherry Expectorant, and find them BOTH valuable compounds, the doses are safe and consistent with medical practice. and I do not hesitate to recommend them.

Your friend, &c.. S. B. MARTIN, M. D.

Baltimore, June, 1852.

Certificate from Doct. JOHN ADDISON, Physician to the Baltimore Southern Dispensary.

HAVING been made acquainted with the ingredients which enter into the composition of your "Adodyne Cherry Expectorant," and having also made trial of its virtues, I have no hesitation in recommending it to the confidence and patronage of the public, as a most VALUABLE medicine in the treatment of the various diseases for which it is intended. JOHN ADDISON, M. D.

We beg leave, as convincing evidence of the highly valuable properties of the above named medicines, to refer to the annexed complimentary notice from sixteen of the most respectable Apothecarries and Pharmaceutists in the city of Baltimore, whom we have appointed our agents, and who have the several articles for sale.

The subscribers, Apothecaries and Pharmaceutists in the city of Baltimore, are satisfied that the preparations known of "Stabler's Anodyne Cherry Expectorant" and "Stabler's Diarrhœa Cordial," are medicines of great value, and very efficient for the relief and cure of the diseases for which they are recommended: they bear the evidence of skill and care in their preparation and style of putting up, and we take pleasure in recommending them to our customers.

STABLER'S

DR. CHAPMAN'S WORM MIXTURE.

Prepared from a Receipt invented by DR. JOHN CHAPMAN, a member of the Royal College of Surgeons of London

A Remedy more efficient than this is not known.

Many (perhaps one-half) of the diseases from which children suffer are occasion by the presence of Worms in the system; and if neglected, give rise to the most uncomfortable and irritating feelings, violent pains, sickness at the stomach, emaciation and frequently to vomiting.

This medicine is an efficient, safe and pleasant remedy for their extermination; it contains all the virtues of the most approved vermituge, and although it has been used by many thousands, and has been before the public for several years, it has never been known to fail in effecting a complete cure.

Extract from a letter received from S. S. FORTE, M. D., member of the Royal College of Surgeons, London.

To E. H. STABLER & Co. October 20th, 1851.

Gentlemen,—I some time last year, by accident, got hold of a few bottles of your Stabler's Dr. Chapman's Worm Mixture and used it in my practice with much unequalled success as induced me to send for 50 dozen. * * * I last month ordered, through the same gentleman, 100 dozen. * * * You can ship me 50 dozen every three months from date of receipt of this, and draw for the amount, &c.. &c.

Numerous certificates of cures of the most aggravated cases of disease could be readily appended hereto, but we feel assured that they would add but little to the strong and respectable evidence here given by persons competent to judge of the merits of these remedial agents.

COME, LET US REASON TOGETHER.

ORAL TESTIMONY.

THOUSANDS feel it a duty to talk to their afflicted friends of the benefit derived from HAMPTON'S VEGETABLE TINCTURE.—From day to day we have given the certificates of cures performed on our best known citizens, and still we have a perfect ava anche of letters pouring upon us- all, all giving a weight of testimony that must convince the most skeptical. All are invited to call and read for themselves. The letter below is from one of the first mercantile firms. To those who know them, it must carry conviction, and induce many sufferers to give this Tincture a trial:

PORT ROYAL, VA, July 27, 1852.

Messrs. Mortimer and Mowbray: Gents: We have again to send an order for more of our truly wonderful Hamptons Vegetable Tincture. Since it was first tried it has sold without an effort, and we have not seen the first person who has not been greatly benefitted by its use. A gentleman of our neighborhood was induced to try the "Tincture" for a violent palpitation of the heart. He had suffered so much from it that he said he had prayed for death. He had taken but three doses when he assured us he would not take five hundred dollars for the benefit he had derived, and that he should never cease to remember us with grattitude for calling his attention to so valuable a medicine.

Yours, truly, GRAY & PENDLETON.

The Whole World, Attention!—Hear him, ye sick, and do likewise!!

BALTIMORE, Feb. 9, '52

Messrs. Motimer & Mowbray: Gentlemen: It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Sometime during last November I was taken with a very bad and serious cough. I was advised to take Cod-Liver Oil, and did so; but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it all my cough left me. Permit me also to state that, for the last fifteen years, I have suffered very much from Acute Rhumatism and Vertigo, confining me at times to my bed—I am fully convniced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, ta liberty to use this as you may think proper; and believe me, yours very espectfully.

G. DUNAN.

N. B.—I can be seen at any time at the Mayor's office. G. D.

THE ALMOST MIRACULOUS CURES made by Hamptan's Vegetable Tincture on our most respectable citizens—men well known and tried—we challenge the world to show anything on record in medicine to equal it *Many hundreds who have felt its healing powers bear the same testimony.*

BALTIMORE, July 6, 1852.

Messrs. Mortimer & Mowbray: Gents: Last September I was attacked with erysipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told me was bilious pleurisy, which left me with a constant, deeply seated, and painful cough, having no rest day or night, and constantly throwing up from my lungs a thick matter; I became much emaciated, growing weaker every day, and keeping my bed the greater part of the time.—My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend advised me to try Dr. HAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved; and now, having taken but *two* bottles, *my cough and pains have entirely left me*, and I am enabled to attend to business. can truly say that, with the blessing of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine.

Were there not real virtue in this wonderful medicine, could it perform the astonishing cures made by it?

NORTHAMPTON Co., April 13, 1852.

Messrs Tyler & Adair: I have been afflicted with Rhumatism, at times, from my twelfth year; I will be fifty years of age the 15th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could hot rest, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to HAMPTON'S VEGETABLE TINCTURE; before I had taken one bottle of which I felt much better, and as I continued taking it I felt strength coming into my back and limbs, and my stomach strengthened and revived every way; I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequaled. Yours,

ELIZABETH BAGWELL.
