HERE IS YOUR REMEDY!

Holloway's Ointment.

A Most Maraculous cure of Bad Legs, after 43 years' suffering.

Extract of a Letter from Mr. Wm. Galphin, of 70, St Mary's street, Weymouth, dated May 15th 1851.

To Professor HOLLOWAY,

SIR,—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sores and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills, and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without scam or scar, and her sleep sound and undisturbed. Could you have witnessed the suffering of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow-creature.

(Signed) WM. GALPIN.

A PERSON 70 YEARS OLD CURED OF A BAD LEG, OF 30 YEARS STANDING

Copy of a Letter from Wm. Abbs, Builder of Gass Ovens, of Rushcliffe, near Huddersfield May 31st 1851.

To Professor HOLLOWAY,

SIR,—I suffered for a period of thirty years from a bad leg, the result of two or 3 different accidents at Gas Works; accompanied by scorbutic symptoms.—I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.

(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13, Market St., Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner of Penshurst, Kent, dated Dec. 13th, 1850.

To Professor HOLLOWAY.

DEAR SIR,—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FRED. TURNER.

The Pills should be used conjointly with the Ointment in most of the following cases:

THE ROAD TO HEALTH!

HOLLOWAY'S PILLS.

Cure of a Disordered Liver and bad Digestion.

Copy of a letter from Mr. R. W. Kirkus, Chemist. 7 Prescott St., Liverpool, dated 6th June, 1851,

To Professor HOLLOWAY,

SIR:—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for same years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver and a bad digestion. On the last occasion, however, the violence of the attack was so alarming, and inflamation set in so severely, that doubts were entertained of her not being able to stand up under it; fortunately she was induced to try your Pills, and she informs me that after the first and each succeeding dose, she had great relief.—She continued to take them, and also she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the severity of the attack, and the speedy cure, speaks much in favor of your astonishing pills.

☞An extraordinary cure of Rhumatic Fever in Van Lieman's Land.

Copy of a letter inserted in the Hobart Town Courier, of 1st March, by Major J. Watch.

Margaret M'Connigan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs. During this period she was under the care of the most eminent men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an increditable short space of time they effected a perfect cure.

Cure of a pain and Tightness in the Chest and Stomach of a person 84 years of age.

From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement.—August 2d, 1851.

To Professor HOLLOWAY,

SIR—I desire to bear testimony to the good effects of Hollaway's Pills. For some years I suffered severely from pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues, I am now rendered, by their means, comparitively active, and can take exercise without inconvenience or pain, which I could not be before. (Signed) H. COE.
