Lime.

THE subscriber would respectfully inform his customers and the public in general, that he is still prepared to supply them with Schuylkill Valley Lime in a quick or slack state, at any good landing on the Delaware or Chesapeake Bays, as he has increased his number of boats and has selected good captains, he therefore can assure them that he can fill all orders and give satisfaction to all who may favor him with their custom; he would further say that he has become acquainted with the business and knows the number of bushels which his boats will hold, which enables him to see whether they get measure or not, it being his wish that the farmers should get full measure and a good article.
