CONSUMPTION

SUCCESSFULLY TREATED BY INHALATION OF MEDICATED VAPORS!

BY JOHNSON STEWART ROSE, M. D, Fellow of the Royal College of Physicians, and for years Senior Physician in the London Royal Infirmary for diseases of the Lungs.

In the treatment of Consumption by Inhalation, I have obtained the results which warrant me in asserting, that it is now as curable as diseases of the Stomach and Liver.

Breathing medicine directly into the Lungs is certainly the rational mode of attacking the disease, and like many other great and beneficent discoveries, if seems strange why such treatment was not resorted to long ago. Where there is life, there is now assured hope for the most seemingly hopeless cases, as thro'out all the stages of this insidious disease, the wonderful and beneficent effects of this treatment are soon apparent. In cases also of Bronchitis, Asthma, &c., the inhaling of powders and vapors has been eminently successful, and to those suffering under any of the above named complaints, I can guarantee speedy and certain relief. I have pleasure in referring to 207 names, residents of New York and neighborhood, who have been restored to vigorous health. About one third of the above number, according to the patients' own statements, were considered hopeless cases.

The Inhaling method is soothing, safe and speedy, and consists in the administration of medicine in such a manner that they are conveyed to the Lungs in the form of vapor, and produce their action at the seat of the disease. Its practical success is destined to revolutionize the operations of the medical world, and establish the entire curability of consumption.

Applicants will please state if they have ever bled from the Lungs, if they have lost flesh, have a cough, night sweats and fever turns—what and how much they expectorate, what the condition of their stomach and bowels.—The necessary Medicines, Apparatus, &c., &c., will be forwarded to any part.

TERMS—$5 consultation fee. Balance of fee payable only when patients report themselves convalescent.

Dr. Rose's Treatise on Consumption—price $1.

"Good Morning,

NEIGHBOR A., what's the news?"

"Well, the most I hear is that A. M. Russell has had his store put in complete order, and is selling goods at very low prices. Betsey brought home beautiful brown sugar, which he sold at 6¼ cents; and good coffee at 12½ cents; and she says he has a large stock of fresh Groceries, which he sells at very low prices;—and you ought to see a suit of clothes she bought for John—they were the cheapest I ever saw bought in town."

"Well, neighbor A., does he keep a good assortment?"

"O, yes. He has Groceries, Clothing, Confectionery, Tobacco, Segars, Brooms, Buckets, Baskets and Tubs, Mackerel, Herring, Powder and Shot, Whips, Canes, and Umberrellas, Saddles and Harness, Toys, and a great many articles that I can't now name. But the next time you go to town give him a call, and I think you will agree with me that his goods are very cheap."

"Well, good by, neighbor A., I shall give him a call the next time I go to town."

"Well, don't forget the name."

"What is it, neighbor A?"

"Why it is A. M. RUSSELL."

Ear and Eye.

DRS. LeBRUNN & DUFTON

OCULISTS AND AURISTS.

☞*Deafness and Ear Diseases Radically Cured.*—☜

DR. LeBRUNN offers to the suffering from Deafness his INFALLIBLE AURAL REMEDIES, which have been successful in nearly 3,000 cases of confirmed deafness. These remedies comprise different courses for diseases of the internal, middle and external ear and have been pronounced by those celebrated aurists, Drs. Kramer of Berlin, Itard, and Delau, of Paris, Curtis, Pilcher, and Yearsley, of London, as being the *most wonderful* and *effectual* ever applied for diseases of the internal and middle ear. Dr. LeB. warrants a cure in every case where the ear is perfect in formation. He has eighteen certificates of cures from those who had been

DEAF AND DUMB,

and whose hearing is now completely restored and are now enabled to learn the Language.

The names of 2,700 persons who have been cured by Dr. LeB. may be seen on application. Patients, by sending a description of the case, can have remedies sent to any part of the United States.

In case of mucus accumulation in the Eustachian Tube and Tympanum, in flamation of the mucus membrane, nervous affections, diseases of the membrane tympani, called "the drum," or when the disease can be traced to the effects of fevers or colds, the use of quinine or mercurial medicines, gatherings in the ears in childhood, &c., this treatment stands pre-eminent. When the auditory canal is dry and scaly, with little or no secretion; when the deafness is accompanied with noise in the ear, like failing water, chirping of insects, ringing of bells, rustling of leaves, continual pulsations, a discharge of matter; or when in stooping, a sensation is felt as if a rush of blood to the head had taken place; when the hearing is less acute in dull, cloudy weather, or when a cold has been taken, this method of treating the disease is infallible.

Dr. Dufton is the only Oculist in the United States who practices the new, painless and successful method in treating all the diseases to which the eye is subject. Where every other means have failed to afford relief, he asks from such a fair and impartial trial.

TERMS—$5 consultation fee; $10 fee to be paid when the hearing is restored to its original acuteness, or when a watch can be heard to beat at a distance of eighteen feet from either ear. Address

Drs. LeBRUNN & DUFTON.
