THE KENT NEWS.

Ear and Eye.

DOCTORS LEBRUNN AND DUFTON.

OCCULISTS AND AURISTS.

☞ *Deafness and Ear Disease radically cured.* ☜

DR. LEBRUNN offers to the suffering from Deafness his INFALLIBLE AURAL REMEDIES, which have been successful in nearly 3,000 cases confirmed deafness. These remedies comprises different courses for diseases of the internal, middle and external ear, and have been pronounced by those celebrated aurists, Drs. Kramer of Berlin, Itard, and Delau, of Paris, Curtis, Pilcher, and Yearsley, of London, as being the most wonderful and effectual ever applied for diseases of the internal and middle ear. Dr. LeB. WARRANTS a CURE in every case where the ear is perfect in formation. He has eighteen certificates of cures from those who had been DEAF AND DUMB, and whose hearing is now completely restored and are now enabled to learn the language.

The names of 2,700 persons who have been cured by Dr. LeB. may be seen on application. Patients by sending a description of the case, can have remedies sent to any part of the United States.

In cases of mucus accumulation in the Eustachian Tube and Tympanum, inflamation of the mucus membrane, nervous affections, diseases of the membrane tympani, called "the drum," or when the disease can be traced to the effects of fevers or colds, the use of quinine or mercurial medicines, gatherings in the ears in childhood, &c., this treatment stands pre-eminent. When the auditory canal is dry and scaly, with little or no secretion, when the deafness is accompanied with noise in the ear, like falling water, chirpling of insects, ringing of bells, rustling of leaves, continual pulsations, a discharge of matter; or when in stooping a sensation is felt as if a rush of blood to the head had taken place; when the hearing is less acute in dull, cloudy weather, or when a cold has been taken, this method of treating the disease is infallible.

Dr. Dufton is the only Oculist in the United States who practices the new, painless, and successful method in treating all the diseases to which the eye is subject. Where every other means have failed to afford relief, he asks from such a fair and impartial trial.

TERMS:—$5 consultation fee; $10 fee to be paid when the hearing is restored to its original acuteness, or when a watch can be heard to beat at a distance of eighteen feet from either ear.

Address DRS. LEBRUNN & DUFTON,
Union Place, N. Y. City.

Lumber.

WE propose keeping a general assortment of white pine and hemlock lumber, consisting of various qualities of boards, plank, siding, joists and scantling—together with nails, shingles, &c. As one of the firm resides at the *great lumber depot*, a moment's reflection is only necessary to lead to the natural conclusion that the opportunity and facilities for *purchasing* are equal, if not superior, to others—hence the reasonable inference, *ought* to be able to sell *as low as any others* in the trade; further declarations deemed inexpedient. The public are invited to call and examine and determine for themselves.
