THE KENT NEWS.

## Ear and Eye.

DOCTORS LEBRUNN AND DUFTON.

CONSULTING AURISTS.

*☞ Deafness and Ear Diseases radically cured. ☜*

DR. LEBRUNN offers to the suffering from Deafness his INFALLIBLE AURAL REMEDIES, which have been successful in nearly 3,000 cases, confirmed deafness. These remedies comprises different courses for diseases of the internal, middle and external ear, and have been pronounced by those celebrated aurists, Drs. Kramer of Berlin, Itard and Delau, of Paris, Curtis, Pilcher, and Yearsley, of London, as being the most wonderful and effectual ever applied for diseases of the internal and middle ear. Dr. LeB. WARRANTS a cure in every case where the ear is perfect in formation. He has eighteen certificates of cures from those who had been DEAF AND DUMB, and whose hearing is now completely restored and are now enabled to learn the language.

The names of 2,700 persons who have been cured by Dr. LeB. may be seen on application. Patients by sending a description of the case, can have remedies sent to any part of the United States.

In cases of mucus accumulation in the Eustachian Tube and Tympanum, inflamation of the mucus membrane, nervous affections, diseases of the membrane tympani, called "the drum," or when the disease can be traced to the effects of fevers or colds, the use of quinine or mercurial medicines, gatherings in the ears in childhood, &c., this treatment stands pre-eminent. When the auditory canal is dry and scaly, with little or no secretion, when the deafness is accompanied with noise in the ear, like falling water, chirping of insects, ringing of bells, rustling of leaves, continual pulsations, a discharge of matter; or when in stooping a sensation is felt as if a rush of blood to the head had taken place; when the hearing is less acute in dull, cloudy weather, or when a cold has been taken, this method of treating the disease is infallible.

Dr. Dufton is the only Oculist in the United States who practices the new, painless, and successful method in treating all the diseases to which the eye is subject. Where every other means have failed to afford relief, he asks from such a fair and impartial trial.

TERMS:—$5 consultation fee; $10 fee to be paid when the hearing is restored to its original acuteness, or when a watch can be heard to beat at a distance of eighteen feet from either ear.

Address DRS. LEBRUNN & DUFTON,
Union Place, N. Y. City.

THE subscribers having secured the right from Lyman Scott to manufacture and sell the Corn and Cob Mill known as the Little Giant, are now prepared to execute promptly, in a thorough workmanlike manner, all orders, wholesale and retail, of said Mills. The reputation won by these Mills for the past year throughout the United States, is a sufficient guarantee of its utility and established character. It has cost a large amount of money and labor to bring it to its present state of perfection, and is now offered to Planters, Stock Feeders and others as a complete article of mechanism, simple and practical in use and durable in construction. It is pronounced by every body to be the most important article of the kind in use, not only well adapted for grinding cob meal for stock, but grist or fine hominy for the table, &c. The Little Giant received the First premium at the late Agricultural Fairs of Missouri, Kentucky, Maryland and other States, and that in the most complimentary manner. These Mills are guaranteed in every respect, and No. 2 Mill warranted to grind ten bushels of feed per hour with one horse, and offered at the low price of $44, all complete, ready for attaching the horse. No. 3 Mill at $55 grinds fifteen bushels per hour, and No. 4, at $66, grinds twenty bushels per hour, with two horses.
