GOOD city property to exchange for land in Maryland or Delaware, they now have a chance to exchange, for as good property as there is in the city, and good stands for business. Also, I will exchange my store and dwelling, carriage house and stable, in Brandywine Village. This is a good stand and where there is at present a business of from fifteen to eighteen thousand a year, and could be increased. This also would be a good opening for a doctor as there is from fifty to sixty houses going up in the neighborhood, and a cotton factory five hundred feet long. This is in excellent order and the property at Brandywine Village will rent for $250 to $300 per year—it can be leased any day for $250 for 5 years, and the taxes low $7. DISCOVERED AT LAST.

There has been a great excitement here for Prof. *Chas. DeGrath's Electric Oil,* from Philadelphia—it is performing some extraordinary cures. The following speaks for itself, as the parties are well known.

Centreville, June 16, 1855.

Having had a painful and difficult swelling on my knee about 9 years, I sent for a bottle of Prof. DeGrath's Electric Oil which reduced the swelling and removed all pain in 24 hours. I have also applied it to one of my servants for the worst kind of Neuralgia, which it effectually cured in half an hour, and produced no disagreeable sensations, but quite the contrary.

ALBERT JUMP.

Chestertown, June 15, 1855.

I have applied Prof. C. DeGrath's Electric Oil in a very severe case of Neuralgia which it cured in 20 minutes, and has never since returned. For other things I have also used it with like results—I am satisfied of its immediate efficacy, besides it is by no means unpleasant.

THOS. Q. PRIMROSE.

P. S.—I am glad our Druggists have now a supply. I had to send to Philadelphia for it. One of our oldest physicians got a dollar bottle to-day to cure his wife's breast.

This Oil is equally efficacious in all cases of Piles, Rheumatism, and all kind of sores and painful complaints *only*—it is not recommended for *every thing.*
