TRUSTEE'S SALE.

THE undersigned as trustee will offer at public sale, at 11 o'clock A. M., on

Tuesday,

The 9th day of October, 1855,

at the hotel of Mr. John McDaniel, in Chestertown, all that real estate lying in the 1st Election district of Kent county, Maryland, of which the late B. S. Brevitt died seized and possessed, comprehending 2 farms and several lots or parcels of lands, herein designated by the Nos. 1, 2, 3, 4, 5, and 6.

No. 1 Is a farm lying directly on Davis' Creek, in Langford's Neck—a neighborhood distinguished for its thrift and spirit of improvement, as well as for the kind, social and neighborly feeling of its inhabitants;—contains

280 ACRES,

about 130 of which are in WCOD AND TIMBER; the larger portion being thriving young chesnut. The soil is naturally of fine quality; and has lately been improved by the application of lime; the whole of the arable land having been once limed, and at least one half, the second time. It is divided into 4 fields and a standing woodland pasture; all of which are under good chesnut fencing, and well supplied with water by ever flowing streams. This farm possesses many rare advantages and offers every inducement to purchase, not only to the enterprising, calculating farmer, but, also, to the lovers of good living and fine sport. Davis' creek, which empties into Langford's Bay, about a mile from Chester River, is navigable for our large size grain and lime vessels, and affords more than one fine landing and a fishery on the farm. In season it abounds with the choicest wild ducks, and is noted for its fine shooting and angling grounds; also, the finest oysters known in our waters lie within a convenient distance. The situation is remarkably healthy and very desirable for its many advantages other than those just enumerated. Is convenient to places of public worship, &c., is not more than 4 miles from Rock Hall, and within 1½ miles of the steam boat landing on Gray's Inn Creek.

The improvements are a FRAME DWELLING with a Kitchen attached and the usual out buildings, several of which are new, and all in good order; a good well in the yard and a spring of very fine water convenient to the dwelling; a *Young Apple Orchard* just beginning to bear, and a small young *Peach Orchard* in full bearing.

No. 2—Is a part of a tract or parcel of land containing 24¾ acres, about 4 acres being in

WOOD.

The soil is good and in a fine state of cultivation; is divided into 4 lots and under good substantial fencing; adjoins the lands of the late Wm. Copper and others, and is about two miles from No. 1. It is favorably located for a store or any other public business; being between the public roads leading from Chestertown into Pine Neck and to Rock Hall; is about 2½ miles from the latter place, and the same distance from the above named steamboat landing.

The improvements are a *FRAME DWELLING* and Kitchen, a smoke house, cartwright and blacksmith shops, all in fine order; a well of excellent water in the yard, and a young bearing peach orchard.

NO. 3—Is the Farm heretofore known as the

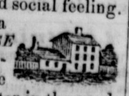

"URIE FARM;"

It lies nearly on the public road leading from Chester Town to Rock Hall, and adjoins the lands of Dr. Jacob Fisher, and others, and contains

136 ACRES, about 25 of which are in WOOD & TIMBER;

is divided into four fields and well fenced. The soil is naturally good; and may be rendered very productive by the application of lime. About ¾ of the arable land has had one dressing of lime. The situation is very desirable, being convenient to places of public worship, schools, &c., is within 1½ miles of a public landing on the N. W. branch of Langford's bay, not more than 2 miles from Rock Hall, and about the same distance from the Steam boat landing on Gray's Inn Creek. This neighborhood is also distinguished for its spirit of enterprise and kind social feeling.

The improvements are a

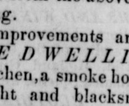

FRAME DWELLING HOUSE and Kitchen, and out-buildings amply sufficient for the farm. A pump of good water in the yard; two Apple Orchards in full bearing and a variety of other choice fruit.

NO. 4—Is a Lot or parcel of land, containing about

FIVE ACRES,

divided into 3 lots and a garden. It lies directly on the stage road from Chester Town to Rock Hall; it also adjoins the land of Dr. Fisher, and is within ½ mile of No. 3. The location is well adopted to merchandizing or any other public business. Dr. Brevitt at one period of his life had a store here, which he conducted with profit. The improvements are a FRAME DWELLING and Kitchen, Dairy, smoke-house, granary, and

poultry house, all in fair order; a pump of excellent water convenient to the Dwelling; and "an *APPLE AND PEACH ORCHARD.*

NO. 5—Is a WOOD LOT, adjoining No. 3 and the lands of Hiram Jones; and contains about 20 Acres.

NO. 6—Is a lot or parcel of land lying in Pine Neck, and adjoins the lansd of L. W. Maslin, and others; it contains

Eight Acres;

two acres being in WOOD. It has upon it a small log Dwelling, and other improvements.

The tenants now occupying those several divisions: Mr. Atkinson on No. 1, Mr. Leary on No. 2, Mr. Godwin on No. 3, Mrs. Brevitt on No. 4, and Mr. Beck on No. 6, will with pleasure shew their respective tenements to any one who may wish to purchase.

THE TERMS OF SALE

are as follows:—the rents will be reserved until the first of January next, when possession will be given, the purchasers will have the right to seed wheat this fall on either of the farms. The purchase money to be paid in four equal instalments, of 4, 10, 16 and 22 months from the day of sale, to be secured by the bonds of the purchaser, bearing interest from that day, with security approved by the Trustee.

RICHARD HYNSON,
Trustee.
