AUCTION SALES

A VALUBLE FARM
At Public Sale.

IN consequence of Mr. E. P. Janvier's removal to the State of Delaware, he has concluded to dispose of his real estate in Maryland. The undersigned, therefore, as his Agent, will expose to public sale to the highest bidder, on

THURSDAY,

the *twentieth* day of December, 1855, at the Tavern Porch of John McDaniel, Esq. in Chester Town, at 11 o'clock, A. M., all that valuable Farm, lying near Still Pond, in Kent County. called '*Drayton*,' containing 716 *ACRES, More or Less:* About 150 Acres are in

WOOD, TIMBER, and CHESNUT,

of large value, and within ¼ mile of "Hibb's Saw Mill." The soil is good clay bottom, well adapted to *Lime, Plaster, and Clover*. About 8000 bushels of Stone Lime have been applied with beneficial results—the products the present year, being 1200 bushels of wheat, 3000 bushels of oats, and an estimated crop of 3200 bushels of corn.

The land will be sold entire, or in two farms; for convenience and improvement, it has been divided into two Farms.—

The DWELLINGS are commodious— frame, two-stories in height, and new. A new Barn on one division, and the usual out-buildings on both. For the next year, the Farms are under rent, to two steady and industrious farmers, residing thereon. The Leases will be transferred to the purchaser. About 160 acres have been seeded in Wheat—the purchaser can have the Landlord's half by paying for two-thirds of 15 tons of Guano, and one half the seed wheat.

This property is bounded in part by the navigable waters of Still Pond Creek, has several landings upon it—adjoins the lands of Dr. Wm. M. Gemmill and others—is elevated about 60 feet above tide, and healthy. It lies 8 miles north of Chestertown.

About 1-4 or 1-5 of the purchase money would be desired, in a few weeks, on delivery of the deed, and the balance on reasonable time—but as the Terms might be varied to suit purchasers, they are not positively fixed. Mr. J. W. Crew and Mr. Joseph Edwards, the tenants, will shew the premises to any persons calling to examine them.

This is one of the most desirable estates in our county, and the owner having positively determined to sell, the attention of persons desiring a good investment are respectfully solicited.

GEORGE VICKERS, Agent.

Sale of Real Estate.

The undersigned will sell at public sale on

TUESDAY,

the 11th day of December, 1855, at 11 o'clock, A. M., at the Hotel of Mr. John McDaniel, in Chestertown, all his real estate, comprehending 2 Farms and a tract or parcel of land not enclosed, hereinafter designated by the Nos. 1, 2 and 3; all of which lies in the 1st Election District of Kent county, Maryland.

No. 1 Is a Farm generally known as the "Griffin Farm; lies directly on the stage road leading from Chestertown to Rock Hall, and contains

234 ACRES OF LAND,

about twenty acres of which are in wood, and ten acres in meadow; the balance is arable. The soil is naturally good, and a large portion of the arable land has been limed. It is divided into 6 fields, and well fenced, and is well supplied with water by an ever flowing stream.

The improvements are a one story BRICK DWELLING, with a Kitchen attached, and the usual Out-Buildings in good order, and a thriving young Apple Orchard. It is within 8 miles of Chestertown, and not over 1½ miles from a public landing.

No. 2 Is a farm situate in Broad Neck; by a recent survey it contains

130 *ACRES;*

about 80 of which are arable, the balance is in WOOD & TIMBER,

among which there is a large quantity of young Chestnut. The situation is conveniently desirable, being directly upon the N. E. Branch of Langford's Bay, which is navigable for our largest size grain vessels; and which abounds in the finest oysters and fish.

No. 3 Is a lot or parcel of land which contains by recent survey,

94 *ACRES OF LAND,*

only 10 of which are arable; the balance is in Wood and Timber, the largest portion of the timber is Chestnut and white Oak. It adjoins No. 2, and lies on the same water. It is supposed that the woodland will cut from 25 to 30 cords of wood per acre, and not one cord of which would be over ¼ of a mile from a good landing. There are three small tenements on this tract.

The situation of each of the foregoing tracts of land is highly desirable, being convenient to schools, mills, post office, and places of public worship.

THE TERMS OF SALE

will be made as far as possible to suit the convenience of persons desiring to purchase. They will be published at the sale.
