KENT NEWS.

CHESTER TOWN, Md.

SATURDAY MORNING, APRIL 12, 1856.

AMERICAN NOMINATIONS.

FOR PRESIDENT,

MILLARD FILLMORE,

OF NEW YORK.

FOR VICE PRESIDENT,

Andrew Jackson Donelson,

OF TENNESSEE.

APPOINTMENTS.—The County Commissioners made the following appointments on Wednesday last:

Collectors—1st district—Wm. Parker.
2nd " J. N. McDaniel.
3d " J. K. Hines.

Standard Keeper—Wm. H. Lambert.

☞ Dr. J. Fisher, the Register of Wills for Kent county, was found in his carriage, near his residence, on Thursday, in a distressing condition, from paralysis. The Dr. was returning from a professional visit and his attack was very sudden and unexpected. We are pleased to learn that he has somewhat improved and hopes are entertained of his recovery.

INQUEST.—The body of a negro man was found in Biddle's woods, near Goose Hill, last Thursday, dreadfully disfigured and nearly eaten up by hogs—it proved to be the remains of George Tiller alias George Hogg, who disappeared on the 18th of March last. The deceased was very intemperant and a jug of liquor was found with him. An inquest was held by Coroner Carroll—verdict: intemperance and exposure.

THE STEAMER EXPRESS.

We learn from an authentic source that this large and splendid steamer, which has been thoroughly repaired, enlarged, improved, and fitted, in the handsomest manner, for passengers, has left the waters of the Delaware, via the Capes, for Norfolk and Baltimore, and will in a few days, take her place on the Sassafras, plying between George Town and Baltimore, stopping at all suitable intermediate places—and in Worton Creek. At the latter point; a Hack will be provided, to take passengers to Chester Town. This Steamer is adapted also, to the carrying of grain, fruit, marketing, &c., and especial pains will be taken to obtain the best prices, and to insure punctuality and satisfaction.

The Messrs. Reybolds, who are much experienced in Steam Boating, and proverbial for their enterprise, and efficiency in all business transactions, are interested in this boat, and with others, have spared neither effort nor expense, to have the Express, made, a boat of very fine speed and admirably suited for passengers and freight.

The Captain is said to be a man of experience and skill, careful and prudent—and the other officers will be selected for similar qualifications. The run to Baltimore from Worton and vice versa, will be performed in a very short time, and must prove a great convenience to the travelling community.

It is contemplated to form a company and sell shares of stock. The enterprize is one that should be patronized, and it is hoped that due liberality will be manifested.

After writing the above, we discovered tha the Express had already been put on the line. See advertisement in an another column. A stage will leave Mr. McDaniels Hotel on Tuesday next at 10 o'clk.

"Young America."

CORN AND COB MILL.

THE undersigned has been appointed agent for the sale of this superior mill which he will sell at the city price. Advantages of the Young American or Excelsior mill over all others,—1st, great strength and durability, 2nd, simplicity—having only one set screw to graduate the quality of grinding, which renders it so simple that it may be managed by any ordinary farm hand; 3rd, it will grind more corn or corn and cob in the same time, and of the same quality, than any other mill in use of the same size; 4th, economy, that part of the mill which is most liable to wear being made separate from the main body of the machine, can be renewed when worn out at the small cost of $3. Thus, in the Young America or Excelsior mill, we present the best, cheapest, and most durable mill ever offered to the farmer. This mill is of larger size and greater capacity than any other mill sold at the same price.

Price $50, with a discount of 5 pr. ct. off for cash, including an extra set grinding plates, which renders it equal to two entire mills, for $50 and new plates can be furnished at the small cost of $3 per set, which can be attached in the same manner that new points or shares are put to a plough, when the old ones are worn out; delivered in any part of the county.
