FOREIGN NEWS.

TREATY OF PEACE SIGNED.

The steamer Baltic arrived at New York on the 17th inst., bringing Liverpool dates to the 22nd. On Sunday the 30th ult., the Treaty of Peace was finally signed at Paris. Up to the departure of the Baltic the fate of the steamer Pacific was still unknown.

The conclusion of peace was announced in Paris and London by salvos of artillery. Paris was illuminated; and in England the church bells pealed joyously in honor of the event. Three or four weeks will elapse before the final ratifications are exchanged. The Paris correspondent of the London Times says a council of the ministers was held in the Tuilleries on Saturday at 11 o'clock and remained in session till 12 o'clock on Sunday. The Emperor presided and gave his last instructions. Count Walewski returned to his official residence to receive the Plenipotentiaries. After the treaty was read over they proceeded to sign it. The moment the signatures were completed a signal was given and the cannon proclaimed the news.

The best feeling prevails among among all classes and almost all parties in France at the conduct of England throughout, and the impression is that the peace will be found honorable to all concerned,

The Markets.—Breadstuffs are generally unchanged, and the market buoyant.

A Dreadful Tornado.

GREAT DESTUCTION OF PROPERTY.

More than Two Hundred Houses Injured.

On Saturday night about 10 o'clock, a dreadful tornado passed over the city of Philadelphia. It lasted in all about fifteen minutes, and during that time the wind blew with tremendous violence.—The dust was carried up in clouds, awnings were torn to pices houses were unroofed, chimnies were torn down, and in Kensigton particularly, property was destroyed to the amount of upwards one hundred thousand dollars. Five houses were utterly demolished, and more than two hundred were more or less injured.—Among these were five Churches, the Trenton Railroad Depot, one Dye-house and several Manufactories. The panic for a few moments were fearful. Many of those who were in the streets ran for their lives. Dozens of signs were dashed to the earth with great violence, and several persons were injured in this way.—We have not heard of the loss of any life, but nine cases of serious injury have been mentioned to us. We have no recollection of any such tornado in Philadelphia. It was preceeded by rain, which at some points of the city was quite heavy, while at others it was light.

BY AUTHORITY.

An Act to authorize the Orphans' Court of Kent county, and Justices of the Peace, binding out negro children, to regulate freedom dues to the Apprentices, and secure a compensation to the parent or other persons, for raising such children.

WHEREAS, it is represented to the General Assembly, that the freedom dues to negro apprentices, are frequently insufficient, and that the children of free negroes are sometimes taken from their parents and bound out, without any compensation being made for raising them, leaving the parents oftimes in poverty and want. And whereas, the services of negro apprentices have become valuable to the Agriculturists and others, and it would seem just and equitable that compensation should in certain cases be made therefore—Therefore

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That in all cases where the Orphans' Court of Kent county, shall be called upon to bind out the children of free negroes, in cases where they may lawfully bind the same, the said Court shall have power to increase the freedom dues to said apprentices, to such extent as in their judgment, may be right and proper, but in no case shall they exceed double the amount now provided.

SECTION 2. And beit enacted, that the said Court, in the binding of such apprences, shall have power to inquire into the manner and expense of raising such children, and shall have power to provide for and secure to the parents, relation or other person, who may have raised such child, or proportionally where the circumstances require it, such sum or sums, to be paid by the Master or Mistres, as the said Court may think reasonable and just, under all the circumstances.

SECTION 3. And be it enacted, that Justices of the Peace binding such Apprentices, shall exercise the same powers as the Justices of the Orphans' Court as hereinbefore provided, and that the Orphans' Court, before they receive or confirm such Indentures, shall inquire into the facts and circumstances of such freedom dues and compensation for raising such children, and if they think it expedient to require them to conform to the practice and opinion of the Court, before they shall sanction such indenture.

SECTION 4. And be it enacted that this act shall take effect from its passage.

April, 19, 1856.

An Act entitled An Act to authorize the County Commissioners of Kent County in this State to make, establish, alter and close public landing places within the bounds of said county.

SEC. 1. Be it enacted by the General Assembly of Maryland, That hereafter it shall and may be lawful for the County Commissioners of Kent county in this State, on petition in writing by any persons interested, to appoint three persons as Examiners in cases where a public landing is desired to be made, establishlished, altered or closed, provided said persons have given thirty days previous notice in the same manner as is required on applications for opening, altering or closing any road or roads.

SEC. 2. And be it enacted, That the oath qualifications and duties of Examiners appointed under this act shall be the same and be discharged in the same manner as the oath qualifications and duties are by examiners appointed in reference to opening, altering or closing any road or roads according to the provisions of an act of the general assembly of the State of Maryland, passed at the January session in the year Eighteen hundred and Fifty three, chapter Two hundred and Twenty, entitled "An Act granting the County Commissioners of the several counties of this State the power to open alter and close roads in their respective counties."

SEC. 3. And be it enacted, That the County Commissioners of Kent county aforesaid, be, and they, or a majority of them or a majority of them are hereby authorized to exercise the same powers, and pursue the same mode of providing in making, establishing altering or closing a public landing as they how have, can claim or exercise in opening, altering or closing roads under the aforesaid act, provided, no lot or piece of ground condemned for a public landing shall exceed one acre of land.

SEC. 4. And be it enacted, That whenever any person or persons shall deem themselves aggrieved by the decision of said County Commissioners in any case, he, she or they shall have the right of entering an appeal to the Circuit Court for Kent county at any time within sixty days from the time of the decision of the said County Commissioners, and the case shall be determined by the judge thereof, or by a jury, at the option of either party.

SEC. 5. And be it enacted, That this act shall be in force from the date of its passage. [apr. 19, '56.]

An Act to extend the provisions of an Act passed at the January Session 1854, chapter 273, entitled "An Act to provide a remedy against free negroes who may hire for a stipulated period to any person, and quit the service of such person after entering on the same, and to provide a remedy against persons who may employ such free negroes, with the knowledge that they had proviously hired to another, or engaged in another's service."

BE IT ENACTED, *by the General of Maryland*, That the provisions of the second section of the said Act of Assembly, shall extend and be applicable to all cases of the verbal hiring by free negroes, and the receipt by them of a portion of their wages in advance, and proof of the said hiring and receipt of money, by the oath of the employer and the evidence of some other person, shall constitute a prima facie case of hiring, and that in all such such cases, the provisions of the Act of Assembly shall be as applicable in all other respects, as if the present case had been included in the said original Act.
