"Young America."

CORN AND COB MILL.

THE undersigned has been appointed agent for the sale of this superior mill which he will sell at the city price. Advantages of the Young American or Excelsior mill over all others,—1st, great strength and durability, 2nd, simplicity—having only one set screw to graduate the facility of grinding, which renders it so simple that it may be managed by any ordinary farm hand; 3rd, it will grind ear corn or corn and cob in the same mill, and of the same quality, than any other mill in use of the same size; 4th, economy, that part of the mill which is most liable to wear being made separate from the main body of the machine, can be renewed when worn out at the small cost of $3. Thus, in the Young America Excelsior mill, we present the best, cheapest, and most durable mill ever offered to the farmer. This mill is of larger size and greater capacity than any other mill sold at the same price.

Price $50, with a discount of 5 pr. ct. for cash, including an extra set grinding plates, which renders it equal to two mills, for $50 and new plates can be furnished at the small cost of $3 per set, which can be attached in the same manner that new points or shares are put on a plough, when the old ones are worn out, delivered in any part of the county.

HUSKS.

JAMES S. ARROWSMITH,

Upholsterer and Paper-Hanger.

THIS being the season for gathering and preparing husks for Mattresses, J. S. A. informs such persons as wish to have Mattresses made of them, that he will make a superior article on the same terms as he makes straw mattresses, if the husks are sent to him prepared.

He continues to make

HAIR & STRAW MATTRESSES

and would also remind the public that this is the best season for procuring *good sweet* straw, and recommends it not to delay orders until spring, when straw is scarce and not so good.

Please address JAS. S. ARROWSMITH, (no *Smith*, as many letters have not been received from his being misnamed,) near Willis's X Roads Worton, Chestertown P. O. Kent Co., Md.
