KENT NEWS.

CHESTER TOWN, Md.

SATURDAY MORNING, APRIL 26, 1856.

AMERICAN NOMINATIONS.

FOR PRESIDENT,

MILLARD FILLMORE,

OF NEW YORK.

FOR VICE PRESIDENT,

Andrew Jackson Donelson,

OF TENNESSEE.

RAINS.—We had a most delightful rain on Monday, which has greatly helped vegetation, the latter wheat particularly.

KILLED BY LIGHTNING.—A fine horse belonging to Mr. Thos. S. Wilmer, Morgan's Creek Neck, was killed by lightning during the storm Thursday night.

☞Judge Lee has appointed General John Spear Smith, Clerk of the Superior Court Baltimore city, vice Edward Dowling.

COURT—The April term Kent county Court commenced its session Monday afternoon and adjourned yesterday morning, to Friday next the 2d May. The following were the only jury trials during the week:

State vs. Emory James, fn—Larceny, Not guilty—Chambers and Lassell for def., Barroll for State.

State vs. Louis Holly, fn—Larceny—Guilty. Sentenced Penitentiary 2 years. Ricaud for def., Barroll for State.

The case of Isaiah Hawkins, fn. for an attempted rape upon a white girl, was removed to Queen Ann's county.

The other proceedings of the Court are of so little interest that we decline publishing them.

Arrival of the Steamer Arago.

FOUR DAYS LATER FROM EUROPE.

Arrival of Hon. Jas. Buchanan—Progress of the Peace Conference—Withdrawal of Austrian Troops from the Principalities—Opening of the Russian Ports—Decline in Breadstuffs.

NEW YORK, April 23.—The steamer Arago, from Southampton, arrived this morning about 9 o'clock.

She bring 130 passengers, among whom are ex-Minister Hon. James Buchanan and Henry Dubois, Minister from Holland to the United States.

THE PEACE.

The proceedings of the peace congress were still in progress. It was said that Austria gives some trouble by persistently refusing to fix the time for evacuating the Principalities. Austria's pretext is the necessity of protecting the country against disorder until a regular administration of government is established, though she is bound by the treaty to quit the Ottoman territory on the conclusion of peace.

Russia is strongly adverse to the Austrian position.

Later intelligence, however, states that the Austrian troops were leaving the principalities.

A despatch from Paris states that the allies have sent orders to raise all the blockades which have kept Russian vessels in neutral ports.

Le Nord states that the exchange of ratifications will be effected by the 20th.

RUSSIA.

The Russian minister of finance issued a notice on the 5th, that, in consequence of a treaty of peace having been signed, the merchant vessels of the western powers would be admitted into Russian ports.

The Czar has issued a ukase stating that the two fleets hitherto maintained by Russia in the Black Sea and in the sea of Azoff are not to be reinstated.

ENGLAND

The two English steamers that were sent in search of the Pacific returned to Galway after 9 days' fruitless search.

FRANCE

The French army is to be reduced from six to four hundred thousand troops.

Many grain-laden vessels lying at Odessa have received orders to proceed to Marseilles.

A considerable fall had taken place in the grain market.

DOW'S TWO PROPHECIES.—Lorenzo Dow a man of good common sense, but rather eccentric, has left on record two prophecies, in reference to the United States, and as one has been fulfilled, we may look out for the other! He said that in March 1856, we would have more snow, ice, and high waters, than had been witnessed since Noah's Flood. His next prophecy was that in the year 1860 there would be a bloody war between the Protestants and Roman Catholics in this country, and that the Protestants would be victorious. The war has commenced and already we see the columns of the Pope waver.

We think this prediction entitled to serious consideration. The battle will commence the coming fall, when the hosts of Babylon will be routed "horse, foot, and dragoons," by the Protestant army, led on to battle by *Gen. Fillmore and Maj. Donelson.* To your tents, O Israel! To the ballot box, O Americans!!

MR. FILLMORE'S NOMINATION RECEIVED AT ROME.—A correspondent of the Philadelphia Ledger writing from Rome says:

The news of Mr. Fillmore's nomination by the "Americans," was received here on Monday last, and caused great rejoicings. It was announced to him by a numerous body of his friends, but had not the least influence on him who really seems to be the most imperturbable man I ever saw in my life. He returned the other day from Naples, in very good health and in fine spirits, and will return early this summer to the United States.—Balls and festivals have been given to him all over Europe, and at this distance from home, where party feelings naturally subside, and American sentiments naturally becomes the only ones distinguishable to patriots, it is no exaggeration on my part to say that Mr. Fillmore has no enemy on this side of the water, where every American (I use the term in its legitimate, most extensive meaning) is proud to see himself so handsomely represented in the person of our worthy, dignified, self-possessed Ex-President.

ANTIDOTE FOR POISONS.—A correspondent of the London Literary Gazette, alluding to the numerous cases of death from accidental poisoning, adds: "I venture to affirm there is scarce even a cottage in this country that does not contain an invaluable, certain, immediate remedy for such events, nothing more than a desert spoonful of mustard, mixed in a tumbler of warm water and drank immediately. It acts as an emetic, is always ready and may be used with safety in any case where one is required."

BY AUTHORITY.

An Act to authorize the Orphans' Court of Kent county, and Justices of the Peace, binding out negro children, to regulate freedom dues to the Apprentices, and secure a compensation to the parent or other persons, for raising such children.

WHEREAS, it is represented to the General Assembly, that the freedom dues to negro apprentices, are frequently insufficient, and that the children of free negroes are sometimes taken from their parents and bound out, without any compensation being made for raising them, leaving the parents oftimes in poverty and want. And whereas, the services of negro apprentices have become valuable to the Agriculturists and others, and it would seem just and equitable that compensation should in certain cases be made therefore—Therefore

SECTION 1. *Be it enacted by the General Aosembly of Maryland,* That in all cases where the Orphans' Court of Kent county, shall be called upon to bind out the children of free negroes, in cases where they may lawfully bind the same, the said Court shall have power to increase the freedom dues to said apprentices, to such extent as in their judgment, may be right and proper, but in no case shall they exceed double the amount now provided.

SECTION 2. And beit enacted, that the said Court, in the binding of such apprences, shall have power to inquire into the manner and expense of raising such children, and shall have power to provide for and secure to the parents, relation or other person, who may have raised such child, or proportionally where the circumstances require it, such sum or sums, to be paid by the Master or Mistres, as the said Court may think reasonable and just, under all the circumstances.

SECTION 3. And be it enacted, that Justices of the Peace binding such Apprentices, shall exercise the same powers as the Justices of the Orphans' Court as hereinbefore provided, and that the Orphans' Court, before they receive or confirm such Indentures, shall inquire into the facts and circumstances of such freedom dues and compensation for raising such children, and if they think it expedient to require them to conform to the practice and opinion of the Court, before they shall sanction such indenture.

SECTION 4. And be it enacted that this act shall take effect from its passage.

April, 19, 1856.

An Act entitled An Act to authorize the County Commissioners of Kent County in this State to make, establish, alter and close public landing places within the bounds of said county.

SEC. 1. Be it enacted by the General Assembly of Maryland, That hereafter it shall and may be lawful for the County Commissioners of Kent county in this State, on petition in writing by any persons interested, to appoint three persons as Examiners in cases where a public landing is desired to be made, established, altered or closed, provided said persons have given thirty days previous notice in the same manner as is required on applications for opening, altering or closing any road or roads.

SEC. 2. And be it enacted, That the oath qualifications and duties of Examiners appointed under this act shall be the same and be discharged in the same manner as the oath qualifications and duties are by examiners appointed in reference to opening, altering or closing any road or roads according to the provisions of an act of the general assembly of the State of Maryland, passed at the January session in the year Eighteen hundred and Fifty three, chapter Two hundred and Twenty, entitled "An Act granting the County Commissioners of the several counties of this State the power to open alter and close roads in their respective counties."

SEC. 3. And be it enacted, That the County Commissioners of Kent county aforesaid, be, and they, or a majority of them or a majority of them are hereby authorized to exercise the same powers, and pursue the same mode of providing in making, establishing altering or closing a public landing as they how have, can claim or exercise in opening, altering or closing roads under the aforesaid act, provided no lot or piece of ground condemned for a public landing shall exceed one acre of land.

SEC. 4. And be it enacted, That whenever any person or persons shall deem themselves aggrieved by the decision of said County Commissioners in any case, he, she or they shall have the right of entering an appeal to the Circuit Court for Kent county at any time within sixty days from the time of the decision of the said County Commissioners, and the case shall be determined by the judge thereof, or by a jury, at the option of either party.

SEC. 5. And be it enacted, That this act shall be in force from the date of its passage. [apr. 19, '56.]

An Act to extend the provisions of an Act passed at the January Session 1854, chapter 273, entitled "An Act to provide a remedy against free negroes who may hire for a stipulated period to any person, and quit the service of such person after entering on the same, and to provide a remedy against persons who may employ such free negroes, with the knowledge that they had previously hired to another, or engaged in another's service."

BE IT ENACTED, *by the General of Maryland,* That the provisions of the second section of the said Act of Assembly, shall extend and be applicable to all cases of the verbal hiring by free negroes, and the receipt by them of a portion of their wages in advance, and proof of the said hiring and receipt of money, by the oath of the employer and the evidence of some other person, shall constitute a prima facie case of hiring, and that in all such such cases, the provisions of the Act of Assembly shall be as applicable in all other respects, as if the present case had been included in the said original Act.
