TRAGICAL AFFAIR.—The Hon. Philip T. Herbert, member of Congress from California, shot an Irishman, the head waiter at Willard's hotel, Washington, on Thursday morning, causing his death instantly. Reported for the Kent News.

State vs. Isaiah Hawkins, fn.—Indicted for an assault with intent to commit a rape upon the person of Elizabeth Piper, a German.

Lloyd Tilghman, J. Leeds Barroll and George Vickers, Esqs. prosecuting, Hon. E. F. Chambers for prisoner.

Eliz. Piper—Testified that she went to the pump in company with her little sister after water; upon her return, when she got opposite Collin's alley, Isaiah came out and said to her, "I'll give you three dollars," immediately took the bucket from her, threw her down, put his hand over her mouth and attempted to pull up her clothes; she hollowed. Her sister hollowed murder. He threw her down opposite Collins' alley, a little below it; he came out of the alley; I started to run; he pursued me; sister slammed the bucket against the door of Mr. Perkins, who came out; negro ran; dropped his hat came back for it, and then went on towards the post office, she went to her mothers and made complaint; said she would know the party if she were to see him; saw the boy at Mr. Earnest's, said that is him; he replied, 'It was not me, you may think so but I have not seen a bucket to-night,'—nothing said before about the bucket; saw the boy first on my way to the pump near Mr. Postons; had seen him in the street frequently before; was positive that the prisoner is the party that assaulted her.

Cross-Examined.—I lived at Mr. Earnests from about two weeks before Christmas; in the habit of bringing water; sister was with me that night; thinks it was about nine o'clock; don't know whether it was before or after the bell ringing; it was a bright night; on her way from the pump he came from the alley and offered her three dollars, she started to run back; he was near her when he offered the three dollars; trod on my frock; he threw me down on the pavement in front of Mr. Collins' house; sister was a little behind when the boy came out the alley; she hallowed when he 'was chasing me; she hallowed loud; she did not know his name when she first complained; did not know where he lived, but knew his face; he put one hand over my mouth the other around my waist, then let go my waist and lifted up my clothes.

By Defence.—My mother lives in front street below Mr. Perkins'. I run in the direction of my mothers; had not by look, word or action, at any time, invited this negro to take any liberty; never spoke to the boy; Mr. Earnest lives three times as far from the pump as my mother; the boy was brought to Mr. Earnest's where I recognized him.

Catherine Piper—Testified that she went to the pump with her sister; the negro, upon their return, came out of the alley and offered her sister three dollars, jircked the bucket from her and threw her down; thought he was going to kill her; cried murder; struck the house with my bucket; Mr. Tilden came out, who ran up the street and followed the negro; had seen the boy before on the street, knew him by sight but not by name; when he was brought to Earnest knowed him; when I said that is the boy, he replied, Where were you, I have not seen a bucket to-night;' saw the boy on my way to the pump, near Postons.

Cross-Examined.—I lived with Mr. Earnest; the moon was just coming out of pump who went off while sister was down; Mr. Collins' store was shut up; was behind my sister when the negro came out from the alley; ran back when sister was thrown down and struck the house with my bucket; ran with the bucket in my hand; on the way to the pump saw the prisoner near Postons, knew the prisoner when she saw him with the other negro; she struck Mr. Perkins door with her bucket.

John Perkins—Testified that he had returned from a lecture and was sitting in his house below the pump; he heard a voice in the street; paid no attention to it first, afterwards went to the door, heard the cry of murder; saw the girl who said "That man is killing my sister;" he went up the street saw the negro running, followed him, fell down but did not lose sight of him, saw him cross the street and make towards Wescotts' alley; still pursued him; went through the alley into the garden of Mr. Francis; got a light searched the garden; saw the negro jump over the fence into the yard of Mr. Westcott; I went out to the street near the Masonic Hall; in a few minutes Mr. G. W. T. Perkins brought the boy up; went with the boy and others to Mr. Earnests; the little girl came out first and recognized the boy; the sister then came out and said "That is the negro but he has turned his coat."

Cross-Examined.—Heard the beating against the house; met the little girl when I came out; went up the street; the girl went down the street; saw the boy between Collins' house and the corner of Main and Queen streets; I called to him to stop, but he continued to run and I followed him; this pump is not more public than some others; it is a public place; Mr. Earnest lives beyond Postons, in rather a private place; all the houses were closed and there was no light near the pump.

Charles Tilden—Testified that he was at Miss Bradshaw's between eight and nine o'clock; heard a noise; heard the cry of murder; came to the door; the little girl made complaint; started up the street; saw the negro boy; pursued him; he ran over towards Wescott's alley; went in search for him. (This witness in reference to the search and arrest, and as to what took place at Earnests' stated about the same as Mr. Perkins.)

Cross-Examined.—Did not identify the boy when he first saw him a short distance from the place where the affair took place; saw Elizabeth first; she pointed to the negro; saw him walking off.

By Defence.—When he saw Eliz. she was much agitated; saw her opposite Miss Bradshaw's; saw the boy about seventy five feet up the street—not so far up as Collin's alley—between the girl and the store; saw the negro runa cross the street to Westcott's alley.

William Bacchus—Testified that he was in his store on the opposite side of the street; heard a noise; came out on the pavement; saw a negro running from Collin's alley, and making for the alley of Mr. Wescotts; saw a negro, Thomas Wilson, coming down towards him from Wescott's alley

Thomas Wilson, f.n.—Testified that on the night of this offence was near the gate of Mrs. Tilghman on his way down the street; heard a noise, then Mr. Bacchus cry out "Neighbor head that robber;" ran across to Mr. Wescott's alley, and saw Isaiah go into the alley; was close enough to put his hand on him and knew him to be Isaiah. whom he knew well and with whom he had lived.

William Bacchus, called by Defence—Thomas Wilson came down to my store; I asked him who that negro running up the street was, he replied "It was Isaiah;" does not remember that he exclaimed "neighbor head that robber;" thinks he exclaimed "head that thief."

Henry Earnest—Testified that he was in the store of Mr. Francis; went over to the post office; then home; saw the two girls; they were very much agitated, and crying; Eliz. made complaint of the outrage.

George W. T. Perkins—Testified that the night of this offence he was in the office of Dr. Meteer; heard an out-cry and came to the door; saw a boy run across the street to Westcott's alley; went in pursuit of him; went to Mr. Westcott's yard; saw two negroes; asked what they were doing; Isaiah replied he came in from the street; hesitated and then said he came in through Mr. Wilmer's; his coat was turned; he considered the explanation unsatisfactory, and he took the boy to the post office; had he gone into the yard of Mr. Westcott as he stated through Wilmers in coming up the main street he must have passed Westcott's alley and gone around into the street opposite the Masonic Hall.

Cross-Examined.—Isaiah betrayed no excitement; said he would go anywhere; observed snow on his feet and legs.

No witnesses were called by the defence.

Upon the close of the argument the Jury retired, and after an absence of about fifteen minutes returned with a verdict of guilty.

The counsel for the prisoner, we understand, has petitioned for a new trial. Judge Hopper will hear the arguments on Monday next.

Arrival of the Empire City
FROM HAVANA.

LATER FROM PANAMA.

Riot Between the Natives and California Passengers, and Loss of Life.

The Empire City, from Havana April 24th, brings 269 passengers, who left San Francisco in the steamship Cortes, of the Niagara Line, on the 20th ult.

The Cortes touched at San Juan del Sud, April 1st, and left for Panama next day. Her passengers were carried to Havana by the steamer Philadelphia.

The Philadelphia brought intelligence from Panama of a terrible affray between the American transit passengers and the natives, in which several of the former were killed and others wounded.

The buildings adjoining the railroad station was entirely pillaged and shattered by the native mob, and the wounded are frightfully disfigured by blows from the machete. The E. C. brings three or four of the wounded, among whom are J. H. Putnam, of Mass., John Turner, of New Jersey, and D. Kilamon of Arkansas.

From the Aspinwall Courier, (Extra) April 17.

Terrible Massacre at Panama of Passengers and Resident Foreigners

Another of those terrible fights between the natives and foreigners, which have occurred on the Isthmus several times since the emigration to California commenced, broke out at Panama on the night of Tuesday the 15th. The result was a horrible massacre of innocent passengers, a great destruction of passengers' baggage and a devastation of property of both the railroad company and individual residents near the Panama Railroad station.

The difficulty originated in a dispute about one dime, between an intoxicated passenger and a native, respecting payment for a piece of water-melon. The story is, that the native being exasperated by the conduct of the passenger, drew a knife, on seeing which the passenger fired at the native, and severely wounded him. This brought forward another native, who stabbed the passenger, and then the combatants increased considerably on both sides for some time—a number were shot, and more badly cut with machetes. Through the exertions of Mr. J. I. Johnson, the Panama Railroad Superintendent at the Panama station, the fight was then stayed for a short time. But, anon, it broke out with renewed violence, and an apparant organization and evident method which told fearfully for the natives. The most terrible assault was made between 9 and 10 o'clock. The different offices pillaged and some forty persons killed and as many dangerous wounded.

BY AUTHORITY.

An Act to authorize the Orphans' Court of Kent county, and Justices of the Peace, binding out negro children, to regulate freedom dues to the Apprentices, and secure a compensation to the parent or other persons, for raising such children.

WHEREAS, it is represented to the General Assembly, that the freedom dues to negro apprentices, are frequently insufficient, and that the children of free negroes are sometimes taken from their parents and bound out, without any compensation being made for raising them, leaving the parents oftimes in poverty and want. And whereas, the services of negro apprentices have become valuable to the Agriculturists and others, and it would seem just and equitable that compensation should in certain cases be made therefore—Therefore

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That in all cases where the Orphans' Court of Kent county, shall be called upon to bind out the children of free negroes, in cases where they may lawfully bind the same, the said Court shall have power to increase the freedom dues to said apprentices, to such extent as in their judgment, may be right and proper, but in no case shall they exceed double the amount now provided.

SECTION 2. And beit enacted, that the said Court, in the binding of such apprences, shall have power to inquire into the manner and expense of raising such children, and shall have power to provide for and secure to the parents, relation or other person, who may have raised such child, or proportionally where the circumstances require it, such sum or sums, to be paid by the Master or Mistres, as the said Court may think reasonable and just, under all the circumstances.

SECTION 3. And be it enacted, that Justices of the Peace binding such Apprentices, shall exercise the same powers as the Justices of the Orphans' Court as hereinbefore provided, and that the Orphans' Court, before they receive or confirm such Indentures, shall inquire into the facts and circumstances of such freedom dues and compensation for raising such children, and if they think it expedient to require them to conform to the practice and opinion of the Court, before they shall sanction such indenture.

SECTION 4. And be it enacted that this act shall take effect from its passage.

April, 19, 1856.

An Act entitled An Act to authorize the County Commissioners of Kent County in this State to make, establish, alter and close public landing places within the bounds of said county.

SEC. 1. Be it enacted by the General Assembly of Maryland, That hereafter it shall and may be lawful for the County Commissioners of Kent county in this State, on petition in writing by any persons interested, to appoint three persons as Examiners in cases where a public landing is desired to be made, established, altered or closed, provided said persons have given thirty days previous notice in the same manner as is required on applications for opening, altering or closing any road or roads.

SEC. 2. And be it enacted, That the oath qualifications and duties of Examiners appointed under this act shall be the same and be discharged in the same manner as the oath qualifications and duties are by examiners appointed in reference to opening, altering or closing any road or roads according to the provisions of an act of the general assembly of the State of Maryland, passed at the January session in the year Eighteen hundred and Fifty three, chapter Two hundred and Twenty, entitled "An Act granting the County Commissioners of the several counties of this State the power to open alter and close roads in their respective counties."

SEC. 3. And be it enacted, That the County Commissioners of Kent county aforesaid, be, and they, or a majority of them or a majority of them are hereby authorized to exercise the same powers, and pursue the same mode of providing in making, establishing altering or closing a public landing as they how have, can claim or exercise in opening, altering or closing roads under the aforesaid act, provided, no lot or piece of ground condemned for a public landing shall exceed one acre of land.

SEC. 4. And be it enacted, That whenever any person or persons shall deem themselves aggrieved by the decision of said County Commissioners in any case, he, she or they shall have the right of entering an appeal to the Circuit Court for Kent county at any time within sixty days from the time of the decision of the said County Commissioners, and the case shall be determined by the judge thereof, or by a jury, at the option of either party.

SEC. 5. And be it enacted, That this act shall be in force from the date of its passage. [apr. 19, '56.]

An Act to extend the provisions of an Act passed at the January Session 1854, chapter 273, entitled "An Act to provide a remedy against free negroes who may hire for a stipulated period to any person, and quit the service of such person after entering on the same, and to provide a remedy against persons who may employ such free negroes, with the knowledge that they had previously hired to another, or engaged in another's service."

BE IT ENACTED, *by the General of Maryland*, That the provisions of the second section of the said Act of Assembly, shall extend and be applicable to all cases of the verbal hiring by free negroes, and the receipt by them of a portion of their wages in advance, and proof of the said hiring and receipt of money, by the oath of the employer and the evidence of some other person, shall constitute a prima facie case of hiring, and that in all such such cases, the provisions of the Act of Assembly shall be as applicable in all other respects, as if the present case had been included in the said original Act.
