KENT NEWS.

CHESTER TOWN, Md.

SATURDAY MORNING, MAY 17, 1856.

AMERICAN NOMINATIONS.

FOR PRESIDENT,

MILLARD FILLMORE,

OF NEW YORK.

FOR VICE PRESIDENT,

Andrew Jackson Donelson,

OF TENNESSEE.

☞ The communication of "Louise," will appear next week.

☞ We would call the attention of our readers to the advertisement in another column, published by the County Commissioners. The large number slaves who are absconding from this county and the liberal reward offered for them, is sufficient to induce officers and others to keep a sharp look out.

SENTENCED.—Isaiah Hawkins, whose trial for an attempted rape appeared in the 'News' last week, has been sentenced to the Penitentiary for eight years.

THE GORDON MURDERERS.—Worrell and Bruff, the murderers of Basil H. Gordon, whose trial was to have place, on the 5th inst., in Warren county, Missouri, have been granted a change of venue to Franklin county. They will be tried in September next.

Our Bank.

The Farmers and Mechanics' Bank of this town, we are pleased to say, has again commenced business under the most favorable circumstances.

All the old circulation has been redeemed that has been presented. The capital stock has been taken and is held and owned entirely by the people of this State and the Bank will be a purely local one and its business confined altogether to our own State. As such it will be a public convenience, for such an institution was greatly needed in this section of country.

We annex a list of the President and Directors. They are among the most wealthy and influential of our citizens, and all of them well known as among the oldest and most respectable residents of this and the adjoining county of Queen Anns, as well as men of business habits and integrity. The Bank starts with the entire confidence of the community in which it is located, and we hope for its success.

The Bank is now receiving deposits, collecting &c. and is open daily from 9 to 3 o'clock. The discount days will be as heretofore, every Thursday.

Directors—Rd. Hynson, Edw. Wilkins, Daniel Collins, Hugh Wallis, Jas. B. Ricaud, N. G. Westcott, D. C. Blackiston, Wm. F. Smythe, Jas. Merrick, and Pere Wilmer. *President*—Geo. B. Westcott; *Cashier*—S. W. Spencer.

THE GUANO CONVENTION.

The Farmers of the United States, have determined to hold a National Convention at the city of Washington on the 10th June next, upon the subject of this wonderful fertilizer. Let the Agricultural society and the Farmers in each neighborhood send Delegates. No formality will be required, but a letter of appointment. The enormous prices of the article, and the impositions practised upon the agriculturists in respect to it, calls for a loud expression of opinion, and a corresponding action on the part of our Government, to have Guano brought down to a fair and reasonable price. The voice of such a Convention, if well attended, must have a sensible and salutary effect upon our Government and of that of Peru. Virginia is appointing her Delegates—so are portions of our own State. The country has become aroused, and will demand some efficient action on the subject. Peru can be reached by Congressional Legislation, and be made to act justly, or suffer in her other interests.—Let the people be fully represented and much good may be done.

SAILED.—Hon. J. P. Kennedy, sailed for Europe, in the Persia last week. He goes for the benefit of his health.

ELECTOR.—Edwin H. Webster, Esq., Harford, has been appointed Elector, by the American party, for the 2d Congressional District.

DOING NOTHING.—Congress.

For the Kent News.

MR. EDITOR:—As Licenses to vend ardent spirits have been obtained at pleasure and to retail in neighborhoods which have for years been exempt from the legal traffic, and as it is believed that the permission of the Grand Jury was essential to the obtaining of License, in every case, and as no one obtained that consent if it should be hereafter held, by the Court, that a permit from the Grand Jury was necessary, all and every sale will be an infraction of the law, liable to punishment. It will be proper therefore for all the officers, as well as others, to observe, and be prepared to prove, every infringement of the Law from this time till the sitting of the next October Term, when the Grand Jury will make a searching inquiry into the matter.

Force Pumps.

THE advertiser has on exhibition at McDaniel's Hotel, Chester Town, one of Barker's Potent Force and Lifting Pumps to which he invites the atention of the public. The following letter from James F. Woodland, Esq., who has used one of these pumps for some time, speaks for itself:

Woodlands, May 13, '56.

Mr. S. Wickes—Sir: Your favor of the 5th came duly to hand; in regard to your enquiries, I can only say the pump which is Barker's Patent, fully answers its recommendation and my expectations. I consider it to have no equal in forcing and lifting water. My well is about 45 feet deep—Mr. Shellcross has one of the same, I bought for him ot the same time one year ago, in a well 50 odd feet deep, which answers well as mine, and he says he can force water to the top of his house through a hose. Very respectfully,

Yours, &c.
JAS. FREEMAN WOODLAND.
