THE FLY.—We hear complaints throughout the county of the destruction of the latter wheat, by the fly—some fields it is said, are nearly destroyed. Unless we have rain in a few days, the crop must necessarily be a very short one.

COMMISSIONERS.—The following gentlemen were, on Monday last, elected Town Commissioners:—George Vickers, Levi Fiddis, Jno. T. Dodd, Chas. Stanley, H. W. Earnest, T. B. Hynson, E. Mansfield.

☞The steamship Africa arrived at New York Thursday with three days news from Europe. She brings no news of importance—breadstuffs remain unchanged.

GREAT AMERICAN VICTORY IN ALABAMA. The Americans have carried Lauderdale county by 620 majority. American gain over 1,000 votes. This, the Florance Gazette, a Democratic paper, wofully announces.

WORTHY OF THE MAN.—Millard Fillmore, in a speech which he made in Fredericksburg, Virginia, in 1851, gave utterance to the following noble sentiment:

"When I look back to the crisis through which we have passed, I feel that there was danger that the days of the Union were numbered. I determined then if necessary, to *sacrifice every political prospect I had in the world,* AND LIFE ITSELF, *to save the Union.*"

Later from Kansas—The Destruction of the town of Lawrence.

St. Louis, May 26th.—The Lexington (Mo.) Express, confirms the destruction of Lawrence. Sheriff Jones had cannonaded and set fire to the hotel and "Herald of Freedom" office, destroying both. The artillery were still firing and the fire was spreading. A few lives were lost.

Washington, May 28.—Mr. Crampton, the British Minister, this evening, was officially notified of the discontinuance of his diplomatic relations as Minister of Great *Britain* near this government and his passports were furnished him.

The British Consuls at Cincinnati, N. York, and Philadelphia, likewise, have been informed of their dismissal.

The President will communicate to Congress a message, accompanied by documents, setting forth the grounds for the action of the government on the recruiting question, and in the dismissal of Mr. Crampton and the British consuls. He will also communicate a message, with accompanying documents, relative to Central American affairs, and particularly in regard to Great Britain's proposition to arbitrate.

Book Notice.

PEBBLES FROM THE LAKE SHORE; or Miscellaneous Poems; by Charles Leland Porter; A. M. Lippincot & Co., Philadelphia. pp. 245. We have received, from Professor PORTER, a copy of this work—it is beautifully gotten up and reflects credit both upon the author and publishers.

From the numerous notices of the work the following are selected. From private letter from a well known authoress: "I scarcely know how I should address my friend the Poet. His beautiful book has inspired me with such a feeling of veneration, shall I call it, or admiration for his talents, that I almost hesitate to write for fear of advancing some discordant or impoetic idea which may jar upon his sensitive soul. I should have made better use of my time had I known I was in the society of one so gifted."

The Philadelphia Christian Observer, after reviewing at length, and extracting, concludes: "Mr. Porter is deservedly taking a high stand among our younger Poets."

From the Erie (Pa.) Gazette.

"We have been permitted to examine the manuscript of a volume of poems by Charles L. Porter, soon to be issued in Philadelphia. We need not say a word in its commendation. Prof. Porter is a Poet as all will allow who may peruse the forthcoming volume. In his prose writings he is equally felicitous. His "Rambles in the Country" are equal to Ik. Marvel's best, and similarly pleasing in style. We predict for him a brilliant literary career." ☞For sale at the Post Office.
