Force Pumps.

THE advertiser has on exhibition at McDaniel's Hotel, Chester Town, one of Barker's Potent Force and Lifting Pumps to which he invites the atention of the public. The following letter from James F. Woodland, Esq., who has used one of these pumps for some time, speaks for itself:

Woodlands, May 13, '56.

Mr. S. Wickes—Sir: Your favor of the 5th came duly to hand; in regard to your enquiries, I can only say the pump which is Barker's Patent, fully answers its recommendation and my expectations. I consider it to have no equal in forcing and lifting water. My well is about 45 feet deep—Mr. Shellcross has one of the same, I bought for him ot the same time one year ago, in a well 50 odd feet deep, which answers well as mine, and he says he can force water to the top of his house through a hose. Very respectfully,

Yours, &c.
