TRUSTEE'S SALE.

BY virtue of a Decree of the Hon. P. B. Hopper, Judge of the seventh Judicial Circuit of Maryland, in Equity, will be exposed to public sale to the highest bidder on

WEDNESDAY,

THE FIRST DAY OF OCTOBER, 1856, at the Tavern Porch of Mr. John McDaniel, in Chestertown, at 11 o'clock, A. M. All that

FARM,

in Still Pond in Kent county, within a mile of Turner's Creek, formerly the property of John Merredith, dec'd., and at present occupied by Mr. Thomas A. Merredith, being Tracts or parts of Tracts, called "*The Ford and Briscoe Farm,*" "*Chance,*" and "*Bloomfield,*" commonly called

"Mount Pleasant,"

CONTAINING

325 Acres,

More or Less.

This Farm is divided into 8 fields, with good fencing—water in 6 fields. The

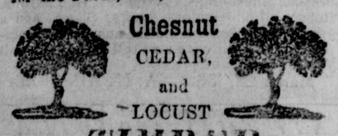

MEADOW

is a large one, containing 25 to 30 Acres, and may be made very valuable.

The Soil is kind and of good clay bottom; Glover—white and red—grows finely. There is a sufficiency of

WOOD

for the Farm, also,

Chesnut CEDAR, and LOCUST

TIMBER.

There is an APPLE AND PEACH ORCHARD on the Farm.

The Buildings consist of a one story

FRAME DWELLING, with two rooms below and three above stairs,—the Out-Buildings consist of a Brick Stable, Granary, Corn House, Carriage, Meat and Poultry house in fair condition.

The Farm adjoins the lands of Mr. B. Howard, Jos. W. Webb and others. The drinking water is good and the situation healthy. The neighborhood is one of the finest in the county, and the advantages for navigation are very good, steam boats and sailing packets leave Turner's creek point for Baltimore and Philadelphia frequently through the week, thus securing the advantage of both markets, while a good granary and wharf at the landing afford additional facilities. The Farm would well divide into two, securing to each a fair portion of the meadow.

The property is desirable to any one wishing to invest, and by the expenditure of a moderate sum may be made a very handsome estate.

Mr. Thos. A. Merredith will take pleasure in shewing the property to any one disposed to purchase.

The Terms of Sale,

are, one eighth part of the purchase money to be paid on the day of sale, or on the ratification thereof; two eighths in on year from the day of sale; and the balance of five eighths in three equal instalments: in two, three and four years from the day of sale, with interest from the first day of January next.—the interest to be paid semi-annually. The purchase money to be secured by the bond of the purchaser with security to be approved by the Trustee.

Possession will be given on the first day of January next,—the purchaser, if he desires it, can have the Wheat seeded in fallow, by making a fair compensation He will also have the privilege of seeding in the Corn ground.

The application of the cupped wheel feeders in combination with the slides, secures more *certainty* and *equality* in sowing the grain. It is of light draft—exceedingly simple in its construction, and not liable to get out of repair.
