## A VALUABLE *Farm* FOR SALE.

THE undersigned having concluded to remove to the West, will sell his Farm, within two miles of Chester Town, on the main road to Worton, containing

### 330 ACRES,

about 60 ACRES, of which is in WOOD and TIMBER, chesnut, white oak, ash, &c.

The farm is under good fencing, principally chesnut—it is divided into four fields of 60, 55, 70, and 85 acres—the land lies sufficiently rolling to drain.—The fields are all watered by an unfailing and abundant stream. *Eight or ten acres of fine MEADOW* may be made. The Farm is one of the finest for stock, and grows grasses finely. The location is an eligible one, for good neighborhood Churches, Schools, Post office, &c.

The soil is good for wheat and corn—has been limed with quick lime, which acts well and is now in fine heart and produces fine crops of grain.

The buildings are of frame—a new granary 36 by 24 of the best materials—new stabling for 12 horses—new carriage house. The dwelling one story frame. The situation is remarkable for health—my Physician's bill, for a large family of white and colored, not averaging over $15 per annum for the last 13 years. The drinking water is good.

Should the property not be sold at private sale by

### Drills! Drills!!

KUHNS & HAINES' IMPROVED

### GRAIN DRILL.

THE subscribers would respectfully call the attention of the Farmers of Kent county, to the above justly celebrated Machine. It has been thoroughly tested, and wherever introduced has met with the most flattering success, and is fast superceding all others. The following qualities *combined* establish its superiority, and renders it the most desirable Machine for the farmer.

The application of the cupped wheel feeders in combination with the slides, secures more *certainty* and *equality* in sowing the grain. It will sow equally well, wheat, oats and all kinds of small grain with the same hopper and fixtures, requiring but a moment to change it to sowing any kind of grain and any desired quantity per acre, which is done by a single screw at one end of the hopper.

It is of light draft—exceedingly simple in its construction, and not liable to get out of repair.

All that want Drills of the subscriber the present season will please send in their orders without delay. Every Drill warranted to work well.

M. J. HAINES,
Delaware City, Del.

CAUTION.—Beware of all imitations of the Cupped Wheel Feeders as there was some counterfeit machines put out last Fall; they proved a complete failure Refuse all professing to be the Kuhns & Haines' Machine, and made at Delaware City, unless made by the subscriber and having his name upon them.

☞ All orders left with the Editor of the Kent News, will be punctually attended to.

## A. BARKER'S

*DOUBLE ACTING*

### FORCE AND LIFT PUMP

IS acknowledged to be the most simple in construction, efficient in operation, less liable to get out of order, and more durable than any pump yet invented.

The World's Fair, London, gave Mr. Barker the complimentary medal, and the Pennsylvania State fair, on two occasions, awarded the pump the first premium.

In cases of fire, the Barker Fire Engine Pump has proved itself invaluable On several occasions persons, by having this pump on their premises, have saved their property from the devouring flames.

*The Scientific American*, of August 14th, 1852, says: "In our humble judgment Barker's Double acting pump is one of the best improvements which has been made in a great many years, and, in saying this, we express the opinion of many who have used the pump and are now using it. The pump was patented last February, and the claims were broad strong and reliable."

References to the following gentlemen: Samuel Baker, Richard S. Thomas, John McDaniel.

You can see these pumps work at any of the places we have a number engaged to put in.

The undersigned have bought the patent right for Kent county; any gentleman wishing a pump put in can drop a note to
