☞ The Democrats of Baltimore have nominated Robert Clinton Wright, Esq., for the Mayoralty.

National Whig Convention.

The National Whig Convention, assembled in Baltimore on Wednesday last. Long before noon the spacious Hall of the Maryland Institute was crowded by a full attendance of delegates, representing twenty six States, all except California, Wisconsin, Michigan, Iowa and Texas.

The Convention was called to order at twelve o'clock, by Wm. Schley, Esq., of Baltimore, on whose motion, ex-Governor Hunt, of New York, was selected as temporary chairman. Gov. Hunt, on taking the chair, made an eloquent speech in acknowledgment of the honor conferred upon him. He spoke of the critical condition of the affairs of the country, and the danger menacing the perpetuity of the Constitution and the Union from sectional agitation and sectional parties, and called upon the Whigs of the Union in the exercise of their conservative efforts, to interpose to preserve the peace of the country and the Union of the States They had assembled on this auspicious day in the name of the Constitution and the Union, and he urged his fellow Whigs to stand in their might to rebuke fanaticism and sectionalism, and patriotically labor to secure to posterity the precious inheritance secured to us by our fathers. He expressed the pleasure he felt in meeting such a number of the gallant old Whig band, which in times past had done such good service in preserving the interests and honor of common country. He, for one, did not admit that the Whig party was dead, and here was the proof.

When he had concluded, at the suggestion of a delegate, Washington's farewell address was read by Hiram Ketchum, amid great applause

A Committee of one from each State was appointed on the permanent organization, David Paul Brown, of Pa., being named as chairman, who reported the following officers:

PRESIDENT.

Judge Edward Bates, of Missouri.

VICE PRESIDENTS.

Col. Jos. Paxton, of Pa.
Luther V. Bell, of Mass.
Dr. James W. Thomson, of Del.
Chas. P. Krevals, of Conn.
James A. Hamilton, of N. Y.
Ex-Gov. Chas. Stratton, of N. J.
Hon. E, F. Chambers, of Md.
Wyndham Robertson, of Va.
Gov. W. A. Graham, N. C.
Elbert A. Holt, of Ala.
A. M. Fonte, of Miss.
Dr. Geo. W. Campbell, of La.
Gov. Allen Trimble, of Ohio.
Henry T. Duncan, of Ky.
John Shanklin, of Ind.
Walter Deleman, of Tenn.
Jas. H. Metheny, of Ill.
Gov. Wm. C. Lane, of Mo.
John Finney, of Fla.
Col. E. A. Holbrook, of Ark.
G. T. Dortie, of Geo.

SECRETARIES:

Laz. Anderson, of Ohio.
J. M. Townsend, af Con.
Hon. Thos. Jones, of N. J.
E. V. Machette of La.
S. H. Kennedy, of La.
Jas. H. Charless, of Mo.
Col. Huntingdon, of N. Y.

These nominations were unanimously adopted, with enthusiastic applauses at the announcement of each name.

The President made a neat and appropriate address upon taking the chair.

A committee upon resolutions, consisting of one from each State, was then appointed, of which Robert Y. Conrad, of Va. was chairman. They were expected to report yesterday morning.

The Convention was then addressed by Gov. Graham, of North Carolina; Francis Granger, of N. York; Wm. C. Rives, of Va.; and Messrs. Janney of Va. and Lunt, of Massachusetts.

Gov. Graham's speech was electrifying in the extreme, and when he expressed his preference for Millard Fillmore, the whole house arose *en masse*, cheering vociferously.

We regret that our space will not permit us to give a more extended account of the proceedings of this Convention on Wednesday—we shall do so in our next.

Great preparation were being made for a monster meeting at Monument Square, Thursday evening.

LATER.

We stop the press to insert a few of the resolutions unanimously adopted by the convention, yesterday:

Resolved, That without adopting or referring to the peculiar doctrines of the party, which has already selected Mr. Fillmore as its candidate, we look to him as a well tried and faithful friend of the Constitution and the Union—eminent alike for his wisdom and firmness; for his justice and moderation in our foreign relations; for his calm pacific temperment, well becoming the head of a great and enlightened government; for his devotion to the Constitution, in its true spirit, and his inflexibility in executing all laws passed under its authority; but beyond all these attributes, in possessing the one, transcendeut merit, of being the representative of neither of the two sectional parties now struggling for political supremacy.

Resolved, That in the present exigency of public affairs, we are not called on to discuss any subordinate question of administration in exercising the constitutional rights of our Government—it is enough to know that civil war is raging, and the Union is in peril, and to proclaim our earnest conviction that the restoration of Mr. Fillmore to the Presidential chair will furnish the best, if not the only means of restoring peace to the country.

Resolved, That we cordially approve the nomination of Andrew J. Donelson, of Tennessee, for the office of Vice President, regarding him as a national conservative patriot, faithfully devoted to the Constitution and the Union.

Resolved, That the spontaneous rising of the Whigs throughout the country, their prompt rally in support of our highest national interests, and the spirit here displayed, sufficiently attest the national importance of preserving and invigorating their party organization and that a National Whig Committee of one from each of the States, be now appointed by the President, with authority to call any future convention, and generally promote the effective organization of the party throughout the United States.

"THE BANISHED SON; AND OTHER STORIES OF THE HEART;" is the title of a beautiful novel by Mrs. Caroline Lee Hentz, author of "Linda," "Rena," "Planter's Northern Bride," "Marcus Warland," "Robert Graham," etc. etc. Complete in one large duodecimo volume, neatly bound in cloth, for $1.25; or in two vol. paper cover for $1. The work is in press and will be ready for sale on Saturday 27th inst. Copies of either edition of the work will be sent to any part of the United States, *free of postage*, on remitting the price of the edition. Address the Publisher, T. B. Peterson, No. 102 Chesnut St., Philadelphia.

DEAD.—George Ross Veazy, a highly esteemed member of the Baltimore Bar died at his residence, in that city, on Friday morning, 12th inst.

RECOVERING.—We are pleased to learn from the last Cecil Whig, that our friend P. C. Ricketts, the editor of that interesting journal, who has been seriously indisposed for some time past. is fast recovering.

SENATOR CLAYTON.—Hon. John M. Clayton of Delaware, has written a letter to the National Intelligencer, defining his future political position. He declines giving in his adhesion to either of the Presidential candidates now in the field, expressing his determination to follow "no longer the dictates of sects or factions," but to support "any set of men that will stand by the country, and oppose any that refuse to do so. The truth is," he adds:

"I am too much out of health to become the active partizan of any candidate for the Presidency, even were I anxious to be such. I have since resolved to be the partizan of no man, to follow the conscientious convictions of my own judgment alone, and no matter which of the candidates may be successful, to support him in the Senate in all that I think right and to oppose him there in all that I th ink wrong untrammelled by party ties. My object will be to be true to the country and its interests, knowing no other polestar as the guide of my conduct."

Withdrawal of Mr. Buchanan.

It is stated that Mr. Breckenridge really made a proposition to Mr. Buchanan at the Wheatlands, yesterday, on the subject of his withdrawal. The plan is to get Mr Donelson also to withdraw, and unite the Democratic and the American tickets in the persons of Fillmore and Breckinridge. Such a ticket Mr. Breckinridge thinks will be likely to succeed against Fremont and Dayton. What is to be done about the two platforms does not appear. Nor have we learned what response Mr. Buchanan made to the proposition.

We clip the above from the Philadelphia Bulletin of yesterday, a journal generally so cautious in giving credence to mere rumors that we can scarcely imagine it has been wholly deceived with respect to what passed during the interview between Mr. Buchanan and Mr. Breckenridge. We question very much however, whether the Sage of Wheatland would consent, even at the earnest solicitation of the most influential of his own Democratic friends, to withdraw in behalf of Mr. Fillmore. That the latter could be easily elected President under such circumstances, no one who knows the strong grasp he holds upon the popular heart, no one could for a moment doubt. But we fear that Mr. Buchanan does not possess sufficiency of Roman virtue of self-abnegation to induce him to accede to such a request. —*Balt. Pat.*

OLD HICKORY'S OPINION OF BUCHANAN.—Gen. Jackson; in writing to Gen. Armstrong, thus boldly expressed his opinion of Mr. Buchanan:

"I can't help it (Polk's determination to appoint Buchanan his Secretary of State). I felt it my duty to warn him against Buchanan; whether it was agreeable or not. Mr. Polk will find Mr. Buchanan an *unreliable man*. I know him well, and Mr. Polk will yet admit the correctness of my position."

DISTINGUISHED ARRIVAL.—George Peabody, Esq, the eminent American banker of London, arrived at New York on Monday, in the steamer Atlantic, and was greeted by a Committee of Merchants, and escorted to the St. Nicholas Hotel where a suite of rooms had been engaged. During the afternoon and evening the distinguished stranger was visited by a large number of his friends, and was waited on by a committee of merchants from Boston.

DISGRACEFUL RIOT AND BLOODSHED.

A disgraceful riot occurred on Federal Hill Baltimore, on Friday evening last, which resulted in one man, named John Hare, being shot dead, and some twenty five others wounded, some mortally. It seems that the Rip Raps and Wampanoag American Fishing Clubs, while passing a *doggery*, known as Democratic-head quarters of the 17th Ward, were fired into by a number of scoundrels in this *tavern* with muskets, when a general melee took place. Guns, pistols, bricks, stones and other missiles were use profusely.—A man named James Caulk, living opposite the tavern, and sitting by the side of his wife, was pierced through the breast with a musket ball; his wife at the same time was shot through tho arm.

When the firing began, John Carter, one of the parties in the house, fired at a man named Jos. Edwards, one of the fishing club, whose wife seeing the danger to which her husband was exposed, threw herself in front of him, and though thirteen shots were made at him, she fortunately, as well as himself escaped uninjured.

Deputy Attorney Pinkney, at a late hour Friday night, ordered the tavern to be searched, when it was found to contain a four pound cannon loaded to the muzzle, a quantity of carbines, double barrel guns, swords, pistols, &c. The officers then proceeded to the New Market Engine House from whence they took seventeen muskets and other munitions of war.

A majority of those wounded were not participating in the affray, but were attracted to the vicinity by the firing.

James Clark, the proprietor of the proprietor of the house where the firing commenced, James Clazey, John Carter, John Hartlow, have been arrested and committed to jail, charged with being the murderers.

LATER FROM CALIFORNIA.

Closing act of the Vigilance Committee.

NEW YORK, Sept. 14.—The steamer George Law has arrived with the San Francisco mails of Aug. 20

On the 7th ult., Judge Terry was unconditionally released from custody by the Committee.

On the 18th ult., the Committee had a grand review and parade, when their entire force, numbering between 4,000 and 5,000 well appointed troops were under arms.

The Committee had not officially disbanded, but it was understood that their functions ceased for the present, with the impysing demonstration of the 18th.

The several companies are, however, to maintain their organization, and it was understood the Committee would reassemble in case of necessity.

The people's nominating Committee had been appointed at San Francisco, which it was expected would have much influence on the approaching election.

The Republicans were to hold a State convention at Sacramento, on the 27th ult., to nominate Presidential Electors and members of Congress.

Peaches, melons, &c., were in great abundance and of superior quality; they are also selling cheap. The crops generally throughout the State were fine.

In the political world, the American party has come out more prominently in the field since last advices from these parts, making the parties, each sanguine of carrying the State.

From Kansas.

CHICAGO, Sept. 16.—Mrs. Robinson arrived here to-day. She says the bail of the free State prisoners has been fixed at $3,000 in each case, excepting Gov. Robinson's which was put at $5,500.

Gov. Geary released all the prisoners in the hands of the mob at Leavenworth.

The Missourians had nearly all fled to Westport, fearing an attack from Gen. Lane.

Gen. Smith had ordered the families seeking safety at Fort Leavenworth, to leave.

The pro-slavery men report a battle on the 31st inst., at Blanton's bridge, between 500 Missourians, under Atchison, and a party of Free-Soilers. The Missourians fled at the first charge.

Gov. Reeder on the Stump.

EASTON, Pa., Sept. 17.—Gov. Reeder was enthusiastically received at Morristown, N. J., last evening, where he delivered a speech. He proceeds to Western New York, to speak in behalf of Fremont and Dayton, and will return here in two weeks to take the stump in this section of the State in behalf of Fremont.

Destructive Fire at Chicago.

CHICAGO, Sep. 15.—Three grain warehouse on Water street, owned by S. B. Pomeroy, G. W. Dale, and G. Woodsworth, were burned yesterday together with 90,000 bushels of grain. The loss is $100,000, which is partly insured.

SOLD.—The celebrated race-horse Lexington has been sold by Mr. Ten Broeck to Mr. Alexander, of Woodford, for fifteen thousand dollars, being the highest price ever paid for a horse in the United States. The sale was made in England, Mr. Ten Broeck having arrived there safely with his fine stable of American horses.

THE VOTE AT THE INSTITUTE.—The vote taken at the Maryland Institute on Friday night for the Presidency resulted as follows: The number of votes cast by the ladies were 252—for Fillmore 198, Buchanan 60; majority 132. Whole number of votes cast by the gentlemen 670—for Fillmore 454, Buchanan 216; majority 238. Total number of votes cast by both ladies and gentlemen 922—Fillmore 646, Buchanan 276; majority for Fillmore 370. We have been informed by one of the tellers that in the hurry and bustle incidental to counting the votes, there was one vote cast which was not announced. We therefore, in duty bound to that gentleman, insert it—Fremont 1.—*Balt. Am. Democrat.*
