TO THOSE AFFLICTED WITH

Defective Sight and Hearing.

PROFESSOR J. ISAACS, *Oculist and Aurist,* from Leyden, Holland, has permanently located himself at No. 511 PINE ST., Philadelphia, where he may be consulted by those afflicted with DEAFNESS OR IMPAIRED SIGHT. Those unacquainted with the Professor are referred to the numerous testimonials of remarkable cures effected by him in Kent and adjoining counties.

His PANTASCOPIC GLASSES have given great relief whenever used. [je13y.]

THE HIGH PRICES.

NOTWITHSTANDING the high price of every article bought and sold, by taking much pains and buying exclusively for cash, I am enabled to sell all goods in my line for the smallest possible advance, and while it is true, that all good gold articles, such as Fine Pins, Ear-rings, Sleeve Buttons, Studs, Gold Specks, &c., of which I have a good assortment, have advanced with gold considerably, yet I am selling them in most instances for less than they can be bought in the city, having purchased much of them when gold was only 60 per cent.

I have just returned from Philadelphia with an additional stock, making the fourth time this year, and there is scarce any article to be found in a jewelry store in the city that I have not on hand, commencing with a Clock and running down to the smallest pen-knife. Cutlery of all kinds, Pocket Books, Combs, &c.

A good assortment of all kinds of PLATED GOODS, and we want you to remember that we do not misrepresent as many do, and sell plated goods for genuine, but we warrant all goods to be as represented when sold, and all you have to do is to ask what they are.

REPAIRING.—Having worked constantly at the business for more than 18 years, we feel confident that we are fully prepared to do all kinds of Repairing in the best manner.

Call and see for yourselves.

FOUTZ'S

Celebrated Horse and Cattle POWDERS.

THESE Powders have proved, after a trial of several years, to be superior to any preparation of the kind in use.—The chief superiority of these Powders arises from the fact that they are composed of Medicines that have Laxative, Tonic and Purifying properties. The Laxative ejects crudities from the stomach and intestines, the Tonic gives strength to the system of the Horse, and the purifying medicines contained in them cleanse the blood, and lay the foundation for a healthy and vigorous circulation. The use of them improves the wind, strengthens the appetite and gives the horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble animal. These Powders are not intended, as most powders are, to bloat the animal, so as to give him the appearance of being fat when not really so—but, to remove the disease and promote his general health.

These Powders will strengthen the stomach and intestines, cleanse them of offensive matter, and bring them to a healthy state. They are a sure preventive of Lung Fever, and a certain remedy for all diseases of the Horse, as Glanders, Yellow Water, Distempers, Founder, Heaves, Shavering Coughs, Fevers, Loss of Appetite, and Vital Energy, &c. These Powders, if used two or three times a week through the winter and spring, your horses will never get the Lung Fever, Colic or Botts. A few doses of these Powders will remove the worst cough on any horse. Were owners of Horses to feed a few doses of these Powders every year they might save the lives of many valuable Horses.

HORSES. CATTLE.

MILCH COWS.

The properties this Powder possesses in increasing the quantity of Milk in Cows give it an importance and value which should place it in the hands of every person keeping a Cow. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.

HOGS.

HOGS.

In all diseases of Swine, as Coughs, Ulcers in the Lungs and Liver, &c., by putting from half a paper to a paper of these Powders in a barrel of Swill, the above diseases can be cured or entirely prevented. By using these Powders the Hog Cholera can be prevented. Prepared by
