CHAPTER 31.

AN ACT to add an article to the Code of Public General Laws, in relation to the Publication of Laws.

Section 1. *Be it enacted by the General Assembly of Maryland*, That the following Article be added to the Code of Public General Laws, under the title of "Publication of Laws:"

1. Every Public General Law, which is made to take effect before the first day of June next, after the session at which it may be passed, shall immediately after its passage be published at the expense of the State, daily for one week, in two daily newspapers of the city of Baltimore, and one newspaper in each county, having the largest circulation, if there be a paper published in said county.

2. Every Public Local Law made to take effect before the first day of June next, after the session at which it may be passed, shall immediately after its passage be published once in each of three successive weeks in all the newspapers of the respective counties in which it may operate; and in case there is no newspaper published in any county, then in such manner as the County Commissioners of said county may direct; and in case any such law is to operate in the city of Baltimore, then once in each week for three successive weeks in such daily newspapers published in said city as the Mayor thereof may direct; and the Mayor and City Council of Baltimore, and the County Commissioners of the several counties, shall provide for payment of the expenses of such publication.

3. A certified copy of every Public Local Law made to take effect as aforesaid, shall immediately after its passage be transmitted by mail, by the Secretary of the Senate (if the same originated in the Senate,) and by the Chief Clerk of the House of Delegates, (if the same originated in the House of Delegates,) to the County Commissioners of the county or counties in which the same may operate, or to the Mayor of the city of Baltimore, if the same is to operate in that city; and it shall be the duty of the said county Commissioners and Mayor, upon receipt of such certified copy, to have the same published as provided in the preceding section.

4. A certified copy of every Public General Law made to take effect as aforesaid, shall be transmitted by mail, by the Secretary of the Senate, (if the same originated in the Senate,) and by the Chief Clerk of the House of Delegates, (if the same originated in the House of Delegates,) to such two daily newspapers of the city of Baltimore, and one newspaper in each county, having the largest circulation, (if there be a newspaper published in said county,) as the President of the Senate and the Speaker of the House of Delegates may respectively designate for publication, as provided in the first section of this Article

Section 2. *And be it further enacted*, That this act shall take effect from the date of its passage.

CHAPTER 66.

AN ACT repealing certain sections of the twenty-ninth Article of the Code of Public General Laws relating to Special Judges, and enacting other sections in lieu thereof.

Section 1. *Be it enacted by the General Assembly of Maryland*, That sections seventy-two, seventy-three, seventy-four, seventy-five, seventy-six, seventy-seven, seventy-eight, seventy-nine, eighty and eighty-one, of Article twenty-nine of the Code of Public General Laws, entitled "Courts," be and the same are hereby repealed, and that the following sections relating to the appointment of "Special Judges," enacted in the place of the sections so repealed:

72. If the Judge of any Circuit Court or any Court in Baltimore city, is connected with a party in controversy by consanguinity or affinity within the fourth degree, counting down from the common ancestor to the more remote, he shall be disqualified from sitting in such cause, nor shall he sit in any cause wherein he may be interested, or in which he shall have been of counsel, nor in any case wherein in his opinion it would be improper for him to sit by reason of his relation to, or connection with any of the parties to such cause, and where any Judge is so disqualified, a Special Judge shall be appointed in his place, in the manner herein provided.

73. Whenever the Judge of any Circuit Court or of any court in the city of Baltimore, shall be disqualified by any of the causes aforesaid, from sitting in any cause, civil or criminal, or in any case or proceeding pending in his court, (cases in equity excepted,) the Clerk of the court, unless the parties to such cause or proceeding, by consent, shall appoint a person to try the same within two months after the announcement of the disqualification of the judge, shall notify such disqualification to any Judge of the Court of Appeals, who shall forthwith appoint a proper person as a Special Judge to try the same, and the person so appointed shall proceed to the trial thereof at the next regular term of said court, after his appointment, and at such time during the term of said court as the Judge thereof may not be engaged in the trial of any cause or proceeding in his said court, and for the purpose of such trial he shall have all the power and authority pertaining to the Judge of said court.

74. Whenever the Judge of any Circuit Court shall be disqualified as aforesaid, from sitting in any equity cause or causes pending in his court, the Clerk of the court, unless the parties by consent shall appoint a person to try the same within one month after the announcement of such disqualification, shall certify such disqualification to any Judge of the Court of Appeals, who shall forthwith appoint a person as Special Judge to try such causes, and the person so appointed shall proceed to act therein until their final settlement, in the same manner as the Judge of the said court could have acted but for such disqualification, and in case any of the parties to any such cause are infants, or otherwise incompetent to consent to the appointment of a person to try the same, then the notification and appointment of a Special Judge as before directed, shall be made immediately, and in like manner the notification and appointment of a Special Judge shall be made immediately, whenever any such Judge shall be disqualified, as aforesaid, to sit or act in any case of an application for an injunction or the appointment of a receiver.

75. If either of the Judges of the Courts of Baltimore city, having equity jurisdiction, shall be disqualified, as aforesaid, to sit in any cause in equity pending in his court, the clerk of the court where the case is pending, unless the parties thereto, by consent, shall appoint a person to try the same within one month after the announcement of such disqualification, shall transmit all the papers in the case, with a copy of the docket entries, to the other court, the judge whereof shall try the same, as if it had been instituted in his court; but in cases for an injunction, or the appointment of a receiver, the clerk of the court where the same is pending, immediately upon the announcement of the disqualification of the judge, shall notify the judge of the other court, having equity jurisdiction, who shall try the case and act therein, as if it had been instituted in his court.

76. If any of the defendants in an equity cause wherein the judge shall be disqualified, as aforesaid, are non-residents, and shall not appear in compliance with an order of publication within ten days after the time fixed by said order for their appearance, the clerk shall certify the fact of their not appearing, and the disqualification of the judge, to any Judge of the Court of Appeals, if the case be pending in any of the circuit courts, who shall appoint a proper person as a special judge to try the same, as directed in the preceding sections; and if the case be pending in either of the courts of Baltimore city having equity jurisdiction, the clerk thereof shall certify the fact of such non-appearance and disqualification, and transmit the papers in the case, with a copy of the docket entries, to the other court, the judge whereof shall try the case as if it had been instituted in his court.

77. Whenever a judge of any Circuit Court, or of any of the courts of Baltimore city, shall be unable, by reason of sickness, or any other cause, to hold any regular law or equity term of his court, or to sit in any cause or causes, civil or criminal, pending in his court, it shall be the duty of the clerk of such court to certify said inability, and the causes thereof, to any Judge of the Court of Appeals, who, on the receipt of such certificate, shall appoint a proper person as a special Judge, to hold such term and try all cases in said court, whether civil or criminal, which, by the rules thereof, are or may be ready for trial at such term, and any special judge so appointed shall have full power to summon grand and petit jurors, and to do all things necessary to the holding of such term or the trial of such causes.

78. If any special judge shall die, resign or refuse to act, another may be appointed in his place, and appointments may be made until a judge shall be procured who will act.

79. In all cases in which the State shall be a party to a cause, the State's Attorney for the county or city, in which the case may be for trial, may consent for and on behalf of the State to the appointment of a person to try the same.

80. Every person who shall be appointed a special judge under any of the aforesaid provisions, before he acts as such shall take an oath before the clerk of the court that he will try the cause he is appointed to try without partiality or prejudice, to the best of his ability, which oath shall be entered by the clerk on his test book, and signed by the judge taking the same; but if the judge appointed to try any equity case does not reside in the county in which the Circuit Court is held, where said case is pending, he may take such oath before the clerk of the county, in the county where such special judge resides, which oath shall be signed by him, and filed in the cause, before he proceeds to act in or try the same.

81. Every person appointed a special judge, under any of the aforegoing provisions, shall be allowed ten dollars per day for every day he shall be necessarily engaged in hearing, trying, continuing or otherwise disposing of such cause or causes as he may be appointed to try, and ten cents per mile for every mile he shall travel by the usual route in going to and returning from the place where such cause or causes may be for trial, the said per diem and mileage to be paid out of the treasury.

Sec. 2 *And be it enacted*, That this act shall take effect from the date of its passage.

CHAPTER 41.

AN ACT to make valid the official acts of Justices of the Peace and Constables who failed to qualify under the New Constitution within the required time, and who have been re-appointed and since qualified according to law.

Sec. 1. *Be it enacted by the General Assembly of Maryland*, That all the official acts of Justices of the Peace and Constables of this State who failed to qualify within the time required by the present Constitution, and who have been re-appointed to said offices respectively and since qualified as required by said Constitution and laws, be and the same are hereby made legal and valid in all respects as if the said Justices of the Peace and Constables had been legally qualified and authorized to perform such official acts at the times said acts and each of them were performed.

Sec 2. *And be it enacted*, That this act shall take effect from the date of its passage.

CHAPTER 47.

AN ACT to add a new section to article twenty-four of the Code of Public General Laws entitled "Conveyancing," to provide for the execution, acknowledgement and recording of bonds of conveyance and other obligations to convey real estate and to make valid such instruments as may have been heretofore executed, acknowledged and recorded.

Section 1. *Be it enacted by the General Assembly af Maryland*, That the following section be inserted in Articles twenty-four of the Code of Public General Laws entitled, "Conveyancing," next after section twenty-seven of said article:

Every bond, writing, obligatory, or contract for the conveyance of real estate, or any interest or estate of, in, or relating to real estate, and every bond, writing, obligatory or contract for the lessing and demising for any term of years of real estate, may be executed acknowledged and recorded in the same manner as deeds of real estate are required by this Article to be executed, acknowledged and recorded, and as if such bonds, writings, obligatory and contracts, were deeds as aforesaid; and a certified copy of the record of any such bond, writing, obligatory or contract, shall be received as evidence of such bond, writing, obligatory or contract, as fully as a like copy of the record of any such deed duly executed, acknowledged and recorde in the manner aforesaid, would be evidence of such deed.

Sec. 2. *And be it enacted*, That this act shall take effect from the day of its passage. [May 27–1t.]
