Attention, Tax-Payers!

THE Tax-Payers of the Second Tax District of Kent county, are notified that their Taxes are over-due. Persons having claims against the county levied in my hands, are pressing me for the money, and unless Taxes are paid in more promptly, I shall be under the necessity of proceeding at once to levy and collect them according to law. The county indebtedness must be paid, and paid by money derived from Taxes. It is hoped that this notice will be sufficient, and that I may be saved the unpleasant duty of resorting to the law.

I may be found every Tuesday, Thursday, and Saturday at the office of John N. Usilton, Esq., in Chestertown.

In my absence, John N. Usilton, is authorized to receive and receipt for Taxes.

SEWING MACHINES.

GROVER & BAKER
Sewing Machine Co.
181 Baltimore Street,
BALTIMORE.

Buy a good one or none.—Many absolutely worthless sewing-machines are now before the public, to purchase which would result in nought but vexation and disappointment to the owner. A *cheap* sewing-machine generally proves a *dear* bargain. *Grover & Baker's* have stood the test for many years; and but one opinion prevails as to their worth. The advantages they possess for Embroidering, Braiding, Hemming, &c., and their wonderful simplicity renders them the best in use. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? *None*, we conscientiously affirm.

Send for a Circular with description, prices, &c. Call and examine the machines and work executed by them, at our office,

181 Baltimore street,

WHEELER & WILSON

The principal Companies making Sewing Machines are Wheeler & Wilson, I. M. Singer & Co., Grover & Baker.

Of the Machines made there were sold during the year last reported—

By WHEELER & WILSON . .	21,305
By I. M. SINGER & Co. . . .	10,953
By GROVER & BAKER . . .	10,280

Showing Wheeler & Wilson's sales to be double those of any other Sewing Machine Company in the country.

AGRICULTURAL.

Dorsey's Harvester
For 1865.

WE are prepared to furnish the Farmers of Maryland with DORSEY'S DOUBLE-GEARED, IRON FRAME, SELF-RAKING REAPER AND MOWER.

The rapid increasing popularity of this Machine justifies us in saying that it bids fair to outstrip all its competitors in harvesting grain or grass. After years of labor and experiment, this machine has reached its present state of perfection; there will be over 2,500 used this harvest. For lightness of draft and amount of work done it has no equal—in fact, the only Self-raker of any importance in use. The combination of Reaper and Mower has long been the great *desideratum* of all machine builders, and in this it has fully met all expectations, easily adjusted to cut from 10 inches down to 1½ inches.

All in want of a Reaper and Mower will give us an early order at Matthews' Store, Howard county, Maryland.

FOR SALE AT

BALTIMORE.

The subscriber begs leave to inform Dealers and Consumers that he is now prepared to furnish MORO PHILLIPS' GENUINE IMPROVED SUPER PHOSPHATE OF LIME, in any quantities.

The universal satisfaction this article has given during the past four years, has so increased the demand that I have been compelled to greatly enlarge my capacity for its manufacture, and have been induced to establish a branch house in the city of Baltimore. I trust that I will be able to fill all orders during the ason. Yet my rule is *first come first served. Discount to Dealers.*

BAUGH'S
RAW-BONE PHOSPHATE,
UNSURPASSED FOR PRODUCING A
HEAVY GROWTH OF CORN, OATS, POTATOES,
AND ALL SPRING CROPS, AND PERMANENTLY ENRICHING THE SOIL.

IT CONTAINS the fertilizing properties of Guano, Bone, Stable Manure and Lime.

Producing in many cases larger crops by fifty per cent. than either of the above articles, when used separately.

It is a highly concentrated manure, being made from Bones containing all their original animal matter. No Burnt Bones are used.

It has been used by thousands of farmers in this State, with the highest satisfaction. It has proved a perfectly reliable substitute for "Peruvian Guano," being sufficiently quick in its action on the crops, and in all cases enriching the soil, and it is permanent in its effects.

It would be well for farmers to send in their orders early, either to the subscriber or to any of his agents, from whom circulars can be obtained, giving certificates.

BROWNING'S
EXCELSIOR COFFEE.

Whilst trying Coffee of all the various brands,
Remember "BROWNING'S EXCELSIOR," at the head it stands.
True it's not like others that are *'sold everywhere'*
A little stretch, we all do know, good goods will easily bear,
(But a stretch like this—'sold everywhere'—is very apt to tear.)
Now, I can safely say, without any hesitation,
There's none like BROWNING'S EXCELSIOR in this enlightened nation.
Skilled chemists have not found a Coffee from any store [Excelsior."
Possessing the same ingredients as "Browning's
Nor is there any one, in or out of the Coffee trade,
Who knows the articles from which "Browning's Excelsior's" made.
I'm told it's made from barley, rye, wheat, beans and peas;
Name a thousand other things—but the right one if you please. [tention
But with the Coffee men I will not hold con-
For the many, many things they say—too numerous to mention.
Whilst they're engaged in running round from store to store
To learn the current wholesale price of Browning's Excelsior,
Some who know my Coffee gives perfect satisfaction,
Have formed a plan by which they hope to cause a quick reaction.
The case—'tis with a few; no doubt 'twill be with more—
To name their Coffee after mine, (Browning's) "EXCELSIOR."
Some say their's the only brand that will stand a ready test;
Now, try a little of them all—see which you like the best.
Three years have passed away since I first sold a store;
Never have I in your paper advertised before;
Nor would I now, or ever consent to publish more,
If like some used by "everybody," "sold everywhere," in "every store."
A trade like this I do not wish; the orders I could not fill;
The factory all Jersey's land would take—leave not a foot to till.
My trade is not so very large; still I think I have my share;
But, reader, you may rest assured, 'tis NOT "SOLD EVERYWHERE."

Manufactured and for Sale by the writer,

George L. Browning,
No. 20 Market Street, CAMDEN, N. J.

This Coffee is not composed of poisonous drugs, it contains nothing deleterious; many persons use this Coffee that cannot use the pure coffee; it takes but one ounces to make a quart of good strong coffee, that being just one-half the quantity it takes of Java Coffee, and always less than half the price.

Retail Dealers may purchase it in less quantities than ten gross at my prices from the Wholesale Grocers.

☞ Orders by mail from Wholesale Dealers promptly attended to. [feb25-3m.]
