PRESIDENT JOHNSON.

The London Spectator, of May 6, has a long article on our new President, which commences as follows:

A very original, very determined, it may be very dangerous, but unquestionably very powerful man, has succeeded Abraham Lincoln. The public in this country has been deceived as much by the formal utterance of Mr. Johnson when accepting the Presidency as by the accident which threw such ridicule over his inauguration in the subordinate office. This is no feeble ruler, sure to be a tool in the hands of his secretaries or the parties around him, any more than it is a drunken rough elevated by an accident and incapable of an idea, but a strong, self-reliant man, accustomed to rule and to rule in a revolution, with a policy as distinct as that of the oldest European statesman, and a will which, be that policy wise or rash, will assuredly make resistance to it a most dangerous task.

There is no single point in politics which it is so important to Englishmen to understand as the character of the American President; they cannot afford a second mistake such as that committed about Mr. Lincoln, and we have passed hours in studying the speeches and acts of Mr. Johnson as Governor of Tennessee. The more we have read the more strongly has the conclusion grown on us that the new American President is one of the most individual men on the continent—a ruler who, whatever else he may do or leave undone, will most assuredly rule; who will borrow knowledge, but accept advice only when it harmonizes with his own preconceived convictions.

COUNSEL FOR JEFFERSON DAVIS.—According to one of the New York papers, Charles O'Conor, a celebrated lawyer of that city, has tendered his professional services to defend Jefferson Davis.

STAMP ON DUPLICATE RECEIPTS.—The Commissioner of Internal Revenue has decided that where receipts are made and issued in duplicate, *both* require to be stamped as original.

FARM FOR SALE
In Kent County, Md.

I WILL sell at private sale that portion of my home estate which adjoins the lands of John Kilpatrick and Col. James H. Gale.

The portion I propose to sell lies on the south west side of my farm and contains a little over

182 ACRES.

I have had it accurately surveyed and platted.

This Land lies in a fine and improving neighborhood, and the soil is naturally good, and is now producing well.

About 80 Acres are in WOOD & TIMBRER principally Oak, Chesnut and Hickory.

I desire to sell, and will do so at a fair price and upon easy terms, for I am anxious to put my son Thomas in business.

For further pasticulars consult my Attorney, RICHARD HYNSON, Esq., Chestertown, Md.

MARY A. NORRIS.

EXECUTORS' SALE
OF
VALUABLE
REAL ESTATE.

THE undersigned, in virtue of the power and authority vested in them under the last Will and Testament of Thomas Woodward, late of the city of Philadelphia, deceased, will sell at PUBLIC SALE at the time and places hereinafter mentioned, the

Whole of the Real Estate,

of the said deceased, lying in the counties of Kent and Queen Anne's, State of Maryland, consisting of FOUR SEVERAL TRACTS OR PARCELS OF LAND, hereinafter designated by the Nos. 1, 2, 3, and 4. That is to say

ON TUESDAY,
The 20th day of June, 1865,

at the VOSHELL HOUSE, in Chestertown, Maryland, at 12 o'clock, M., they will sell the Property in Kent county, consisting of a FARM and an undivided moiety or half part of the SWAN TOWN MILL PROPERTY.

NO. 1.
THE FARM

lies on the public road from Chestertown to Millington, adjoining the lands of Moses Lampson, George W. T. Perkins and others, and CONTAINS

262 Acres, 3 Roods, 27 Perches.

Its location is desirable, being within a half mile of Washington College, not over a mile from Chestertown, and directly upon Chester River. It is now divided into three fields, and well fenced. The soil is naturally good, and particularly well adapted to wheat and grass. It could, with proper attention and small outlay, be made one of the best grazing Farms in the County.

This Farm may advantageously be divided into two parts, so as to give to the upper part or division 100 ACRES, which would have upon it

2,600 Peach Trees,

which should soon be in full bearing; and to the other division nearly 163 ACRES, on which are the

DWELLING 
AND OTHER IMPROVEMENTS.

The Farm will be first offered in those several parts and then as a whole.

NO. 2.
The Mill Property

Lies on the public road from Galena to the Head of Sassafras, and has attached to it, including a lot called "Cock of the Game,"

About 80 Acres of Land.

The location is good, while the stream is fully equal to the best in that section of the county. But a few years since this Mill had a fine run of custom, which by neglect has been diverted from it. It could no doubt with proper attention soon be re-established.

There is a FRAME DWELLING and other improvements on the land attached to the Mill.

The interest of the said late Thomas Woodward, in the above Mill Property, is an undivided half part, which the undersigned will sell.

And on the next day,

WEDNESDAY,
THE 21st DAY OF JUNE, 1865,

at 11 o'clock, A. M., on the late Thomas Woodward's Farm, known as a part of the "Round Top" Estate, in Queen Anne's county, the undersigned will sell at public sale the whole of his Real Estate situate and lying in that county, consisting of the aforesaid FARM, and an undivided half part of the FARM called "ROUGH AND READY."

NO. 3.
THE "ROUND TOP FARM"
CONTAINS 331 ACRES,

and some Perches. It adjoins the justly celebrated Peach Farm of C. P. Morton, and also the fine lands of David Martin and others.

This Farm is most eligibly located, being within a mile of a good wharf and landing on Chester River; not more than three miles from Chestertown, and convenient to places of Public Worship, &c.

The neighborhood is healthy and thriving; in it there are many fine farms, but not one superior to this in natural fertility and productiveness. The soil is naturally well adapted to all cereals, grasses and fruits, and especially Peaches.

The Farm is now divided into six fields, and well and substantially fenced.

The IMPROVEMENTS are a two-story
FRAME DWELLING,
with a BACK BUILDING and KITCHEN attached; a fine, large Granary, Stable, and other Out-Buildings. All these improvements are new and in good order.

Mr. George Snitcher is now occupying the Farm as tenant, and will take pleasure in showing to all who may wish to view it.

NO. 4.
"ROUGH AND READY"

Is a Farm containing about

180 Acres,

and lies on the public road leading from Chestertown to Millington, and on the public road from Rough and Ready to Church Hill.

The soil is naturally good, and may be highly improved by the use of lime, clover and plaster. It is under good fences.

The IMPROVEMENTS are a two-story
FRAME DWEMLING,
some Out-Buildings, and several Tenant Houses. Of this Farm the undersigned will sell an undivided half part, that being the extent of the interest of their testator therein.

THE TERMS OF SALE

Are as follows:—One-fourth cash on the day of sale, or on the final ratification thereof; the balance in six, twelve, and eighteen months from the day of sale The whole purchase money unpaid on the day of sale to be secured by the bond or bonds of the purchaser or purchasers, bearing interest from the day of sale, with security approved by the undersigned.

These terms will be modified if found desirable.

For further particulars consult our Attorney, RICHARD HYNSON, Esq., at Chestertown.

NOTICE
TO PERSONS ENGAGED IN Catching Oysters.

TREASURY DEPARTMENT,
COMPTROLLER'S OFFICE,
ANNAPOLIS, May 30, 1865.

ALL PERSONS engaged in the taking or catching of OYSTERS within the waters of this State for sale, with a scoop, drag or dredge, rakes, tongs or any other instrument, and all persons engaged in the carrying, or employed in the Oyster trade in the Chesapeake Bay, (except those who buy from persons licensed to catch oysters with tongs or rakes,) are hereby WARNED to obtain a License, as required by an act of the General Assembly of Maryland, passed at January session, 1865, chapter 181.

Application for license, except in the case of tongsmen, must be made in person to the Comptroller by the owner or master of the vessel to be used. The applicant must have resided in the State at least twelve months immediately preceding his application, and must pay before the license can be issued, at the rate of Five Dollars per ton for every ton his vessel may measure, according to its Custom House emolument or license, which license must be produced before the Comptroller.

This license will authorize the taking of oysters with scoop, drag, dredge or other instrument, from the first day of September next until the first day of June following, within the waters of Chesapeake Bay, and not within any other bay, river, creek, strait or sound, and not on any oyster bed or rock on or about Taly's Point, Sandy Point, Thomas' Point, Hackett's Point, The Three Sisters, on the western side of Chesapeake Bay, and not within Chesapeake Bay where the water is less than fifteen feet deep.

Any one, who is required by the provisions of the act to take out license, failing to do so, is liable to a fine of not less than $50 or more than $500, and the forfeiture of the vessel used, her cargo, &c.

Persons engaged in catching oysters with RAKES or TONGS are reqnired to obtain License from the Clerk of the Circuit Court for the county in which they respectively reside, or, if in Baltimore city, from the Clerk of the Court of Common Pleas, or be liable to a fine of not less than $20 or more than $100.

This license will authorize the taking of Oysters with rakes or tongs in one canoe or other boat from the first day of June next until the first day of June following.
