ONE WAY TO PUNISH JEFF. DAVIS.—A novel suggestion is made by the New York correspondent of the London Spectator; thus:

Mr. Davis must be condemned to death, but were I President Johnson, I would neither pardon him and send him into exile, nor allow him to be hanged. If he were pardoned on condition of exile, he would merely lead a comfortable, perhaps a luxurious life abroad, receiving much attention from certain people. He must be conspicuously punished, and yet not made a martyr either by his imprisonment or his death. Therefore, upon his condemnation I would reprieve his sentence indefinitely, on condition that he gave his parole never to leave the country, and to report himself once a manth to the judicial or military officer of the republic nearest to his place of residence, and once a year to the President at Washington.—From any position of public trust he is of course cut off. If necessary he should be comfortably supported at the expense of the nation. His only punishment should be that of owing his life to the clemency of the Government he sought to destroy, and the becoming humiliation of publicly acknowledging its authority once a month while he lived. And such an example would be more instructive than a hanging. Thus would I do with the chief civil and military leaders of the rebellion."

THE TRIAL OF THE GUERILLA CHAMP FERGUSON—*The Prisoner Charged with fifty-four Murders.*—The Nashville *Despatch* says: "The charges and specifications against Champ Ferguson were delivered to Judge Advocate H. C. Blackman, of the Military Commission, yesterday morning, and in the afternoon the prisoner was summoned to the rooms of the Commission to hear the charges and specifications read. He is charged with the murder of fifty-four persons, and the horrible manner in which the deeds were committed are fully specified. One specification charges him with the murder of nineteen men at one time, twelve at another, and other instances in which there were several victims.

"Ferguson was brought in by five guards who were stationed around the room. He was seated at the table in the middle of the room, and resting his elbow on the table, reclined his head on his hand. In this attitude he remained with his gaze rivetted on the Judge Advocate, while the bloody charges and specifications were being read. We observed him closely, and throughout this trying ordeal he never evinced an emotion. His iron-knit countenance never changed once. At the conclusion the Judge Advocate remarked 'that's all,' to which Ferguson drew a long breath, and in a low voice remarked: 'It is enough, I think.'

EXTENSION OF THE AMNESTY.—Governor Pierpont, of Virginia, has addressed a long manifesto to the President, arguing in favor of the extension of the amnesty and pardon to the people of Virginia without reservation. The document has been placed before the Cabinet, and is said to have received careful discussion.

VALUABLE FARM FOR SALE.

THE undersigned will sell at Private Sale his FARM, lying in Eastern Neck, Kent county, Md., situated on Chester River, at the mouth of Grey's Inn Creek,
Containing about 450 ACRES,
of which over three hundred acres are arable. The balance is WOODLAND, covered with young Chesnut, (a large portion of which is large enough for rails,) Oak and Pine.
The arable land has been heavily limed, and the growing crops are equal to any in the county. It requires, for its size, but little fencing, being nearly surrounded by water; the fencing required is of chesnut rails and in complete order. There is an Orchard of
3,000 PEACH TREES
in full bearing, and also a good Apple Orchard.
The land is of fine quality, and very productive. The location is remarkably healthy, there having been no case of Bilious or Chill and Fever on the Farm for seventeen years. The neighborhood is also desirable; Churches, Post Office, Schools, Stores and Mechanic's Shops, are very convenient.
The situation is considered the best and most desirable on Chester River, which is on the South side of the farm, and four miles wide at this point, while Grey's Inn Creek, half a mile wide, is on the East.
Several Steamboats run daily to and from Baltimore to Grey's Inn Creek, where there is a Wharf, which is about a mile and a half from the house. The Boats pass within three hundred yards of the Dwelling.
Fish, Oysters, Terrapin and Wild Fowl are abundant in season, and can be procured from the River and Creek near the Farm.
THE DWELLING
is frame, two stories high, in thorough order, with a KITCHEN and PANTRY attached; also, a School House, Wash House, Dairy House and Quarter. There is a Barn fifty feet long, with Stabling, in good order.—Also, Corn Cribs, Sheds, Colt Stables, &c.
The proprietor will take pleasure in showing the Farm to any one who may wish to examine it. Possession will be given the first day of January next, or immediately if preferred.
THE TERMS OF SALE:
One-tenth of the purchase money on or before the first day of January next, and the balance in ten years from the 1st of January, 1866: one-tenth to be paid each year. The credit payments to bear interest, and to be secured by mortgage on judgment.
A larger cash payment may be made if preferred by the purchaser, and any reasonable change in the above terms will be made. Every facility will be given to the purchaser to sow wheat, &c.

U. S. 7-30 LOAN.

THIRD SERIES,
$230,000,000.

BY authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the
7-30 LOAN.

These notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into
U. S. 5-20 Six per Cent.
GOLD BEARING BONDS,
These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, *from State, County, and Municipal taxation, which adds from one to three per cent. per annum to their value,* according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.
The interest at 7-30 per cent. amounts to
One cent per day on a $50 note.
Two cents " " $100 "
Ten " " $500 "
20 " " $1000 "
$1 " " $5000 "
Notes of all the denominations named will be promptly furnished upon receipt of subscriptions. The notes of the Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent. instead of 7 3-10ths in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.
The delivery of the notes of this third series of the Seven-thirties will commence on the 1st of June, and will be made promptly and continuously after that date.
The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.
The return to specie payments, in the event of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent. in currency. This is
The Only Loan in Market
now offered by the Government, and its superior advantages make it the
Great Popular Loan of the People.
Less than $300,000,000 of the Loan authorized by the last Congress are now on the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within two months when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.
In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders. JAY COOKE,
