A Self-Denying Rector.—The Rev. Dr. Hall, Rector of the Church of the Epiphany, in Washington, has just received a call to the Cathedral Church, at San Francisco, with a salary of $10,000, payable in gold. He replied that he had not time even to investigate the case, and they must therefore look for another candidate. His present salary is $3,000 in greenbacks. So says a despatch from Washington.

Quick Work.—On Saturday, James Conners was arrested in Richmond for pocket-picking, tried before the provost court, and sentenced at hard labor in the penitentiary for one year. From the time of his arrest until his arrival at the penitentiary, was just forty-five minutes.

Cotton Exported from Charleston.—A British bark with a cargo of cotton valued at $200,000, cleared at Charleston on the 2nd inst. for Liverpool. This is the first vessel that has left Charleston with a cargo for a foreign port since the blockade has been raised.

Election in Wilmington.—At the municipal election in Wilmington, Del., on Tuesday last, the whole Union ticket was successful, as follows: For Mayor, Joshua Maris; Alderman, Francis Vincent; Treasurer, Wesley Talley; Assessor, Allen Smith.

The latest returns of the Kentucky election say the House will stand Opposition, 58; Union, 52. The Senate, Opposition, 18; Union, 18. It is said that Lieutenant Governor Jacob favors the amendment. If so, his casting vote will carry it in the Senate.

A terrible tragedy was perpetrated at South Dedham, Miss., on Thursday night, a Mrs. Marston murdered her husband and daughter and then killing herself.—The woman is supposed to have been insane.

From present indications two-thirds of the Iowa General Assembly, which commences its session in January next, will be returned soldiers.

The laying of the railroad track from Salisbury to Princess Anne, Md., is being rapidly pushed forward.

Lieut. Col. Charles Anderson is now Governor of Ohio.

A CARD
To the Farmers of Kent County.

A CUSTOM has obtained in the Grain trade of Baltimore, from which I have suffered, and to which I, as a grain seller, am unwilling longer to submit. It is no uncommon thing for a Commission Merchant to have grain consigned to him and the first intimation he receives that the Grain is in the market is a return made to him by another commission merchant for so many bushels of Grain sold at a price that he does not know whether it is right or not, as he does not see the grain. I suppose the custom originated in this way: whem samples of grain are mixed they could not be delivered if sold separately—and in that case the agent having the largest lot has the right to sell, but when grain is separate this is not necessary, except for the convenience of the captain. I do not recoguize the right of any captain to hand over to another party without my consent, a sample of grain to sell, that is consigned to me. I prefer to have the control of my own grain, and the privilege of determining myself whether or not it is to my interest or the interest of my customer, to have it sold by another Commission Merchant who has no interest in it.

Farmers who send me their grain to sell are requested in all cases to direct the Captain to deliver me the sample.

B. B. PERKINS,
Commission Merchant,

and No. 14 Bowly's Wharf,
BALTIMORE.

The subscriber begs leave to inform Dealers and Consumers that he is now prepared to furnish MORO PHILLIPS' GENUINE IMPROVED SUPER PHOSPHATE OF LIME, in any quantities.

The universal satisfaction this article has given during the past four years, has so increased the demand that I have been compelled to greatly enlarge my capacity for its manufacture, and have been induced to establish a branch house in the city of Baltimore. I trust that I will be able to fill all orders during the season. PRICE in Philadelphia $60 per ton of 2,000 lbs.; in Baltimore same price, freight from Philadelphia added.

THE undersigned takes this method of informing his friends and the farming community, that he is now prepared to fill all orders for MORO PHILLIPS' PHOSPHATE at Manufacturer's prices. It is unnecessary to say that this Phosphate is the best now offered to the public, as all who have used it will bear me out in the assertion; and for drilling in with the Wheat cannot be excelled by any other Fertilizer.

TAX-PAYERS
TAKE NOTICE!

THE STATE AND COUNTY TAXES FOR 1865, including the Bounty and Public School tax, are now due, and the undersigned Collector for the Second Tax District of Kent county, hereby gives notice that the tax books are in his hands, and the amounts due by the tax-payers are made out, and he is ready to receive them. He most respectfully solicits prompt payment, as the demands upon the Collector for this year, both by the State and county, *will not permit indulgence as heretofore.*

If tax-payers desired, there would be no difficulty in promptly settling their taxes annually, but neglect of duty is often the cause of expense, which in many cases exceed the tax itself. The demands of the State this year, however, must of necessity be met more promptly than heretofore, and the wants of those who have claims against the County will compel the collector to be more rigid in his collections. He hopes, however, that the Tax-Payers will be prompt in their payments and thus avoid the penalty for neglect of duty.

☞ A discount of five per cent. will be allowed on all State Tax paid on or before the first day of September; four per cent. if paid on or before the first day of October; and three per cent. if paid on or before the first day of November, 1865.

For the convenience of Tax-Payers I will be at the office of Henry W. Earnest, Esq., in Chestertown, every TUESDAY, THURSDAY, and SATURDAY.

Being Collector, by law, of the Corporation Tax of Chestertown, it will be necessary for me to receive these taxes at once, on account of the immediate and pressing wants of the town.
