For the Kent News.

Messrs. Editors:—It may perhaps interest some of your readers to see in your excellent paper the following proceedings of a meeting held at St. James' M. P. Church, on Saturday, Sept. 30th.

Agreeably to notice the Teachers of Public Schools in School Commissioner district composed of the 3d and 5th election districts, met as above to organize a TEACHERS' ASSOCIATION for said district.

The meeting was called to order by H. Meeks, Esq., President of the Board of School Commissioners of Kent county, who in a few pertinent remarks stated the object of the meeting.

On motion of Mr. S. S. Hepbron, Mr. E. W. Newman was chosen Secretary.

On motion of Mr. C. H. Crittenden, a committee of three was appointed to draft Resolutions expressive of the views and objects of the meeting, who after a brief consultation reported a series of Resolutions, which were adopted, setting forth the objects of the association to be for mental improvement, and to elevate the standard of the public schools to a higher and more honorable standard than they have heretofore occupied, and expressing the high appreciation of the zealous and indefatigable labors of the State Superintendent, and President and Board of Commissioners of Kent county, and assuring them of the hearty co-operation of the members of the Association in the great work of education.

The resolutions elicited considerable discussion as to the benefits likely to flow from the organization of Teachers' Associations, and the impression seemed to be very decided that no better plan could be devised to stimulate teachers to make every effort to bring their respective schools up to the highest possible standard of excellence.

On motion of Mr. Newman, Mr. C. H. Crittenden was elected Corresponding Secretary of the Association.

On motion, the following Committees were appointed, to report at the next meeting:

On By-Laws: Messrs. Newman, Crittenden and Bryan.

On School Discipline: Messrs. Hepbron and Miller, and Miss S. C. Smith.

On Geography: Misses C. C. Fisher, J. G. Macbeth, and Mr. Hepbron.

On Arithmetic: Miss E. T. Fisher and Messrs. Newman and Copper.

MR. Copper was appointed a committee to arrange for the next meeting.

The Association then adjourned to meet at Hynson's Chapel (the Trustees thereof consenting) on Saturday, Oct. 28th, at 1 o'clock P. M. E. W. NEWMAN, *Sec'y.*

SPEECH OF GEN. SLOCUM AT HOME.—A serenade was given to General Slocum, the democratic candidate for Secretary of State of New York, at Syracuse, on the 28th ult., upon his return from Mississippi, which was numerously attended. W. C. Ruger, Esq., was deputed by the citizens to welcome the General, who in response replied as follows:

"*My Fellow-Citizens*—For the first time since the commencement of the war I have returned to my home with the expectation of remaining here permanently. All the armed foes of our Government have been subdued, and peace, with all its gentle influences, has again dawned upon our land. Already its effect is felt in every city and at every fireside.

We have abundant reason to hope that civil law will soon prevail throughout the entire country, and that the question as to the treatment of the States recently in rebellion will, under the wise policy adopted by the President, be settled in a manner best calculated to promote the true interests of all classes of citizens in those States. The time having come when I could consistently, leave the military service I have returned to civil life, with an earnest desire to lend my influence in support of that policy. On reaching home I find two parties—one a unit in supporting that policy, and the other divided in regard to it. I leave it to you, my fellow-citizens, to say with what party I should, as a supporter of President Johnson's efforts, have identified myself. I have enjoyed many advantages in studying the condition of those States, the disposition of the citizens and the condition of the freedmen. At a proper time I shall take occasion to express my views on those subjects. I shall content myself this evening with thanking you for this expression of your kind feelings towards me, and for the complimentary terms in which you have alluded to my services."

ARREST OF A GENERAL ON THE CHARGE OF STEALING.—General Baker, the Government detective, has unearthed a scheme which embraced the robbery of a large amount of Government funds from the post quartermaster's safe at Lynchburg, Va.—No less a personage than Brig. General J. C. Briscoe, of the One Hundred and Ninth Pennsylvania Volunteers, who has commanded the post at Lynchburg since Lee's surrender, has been arrested on the charge, together with A. W. Lackey, sutler of the post. The plot appears to have been elaborately contrived, and only failed through Captain Alberger, to whom the secret was confided, giving information to the Government. Briscoe himself took the impression of the safe key in wax, and sent Lackey to Philadelphia to get the duplicate made. When the day came for carrying out the scheme, detectives were on the watch. They saw Briscoe unlock the safe, load himself down with coin and greenbacks, amounting to $82,000; they followed him to his office, and arrested him in the very act of counting his ill-gotten booty. Both Briscoe and Lackey are now in the Old Capitol prison.

The election for members of Congress in Virginia takes place on the 12th inst.

VALUABLE AND VERY DESIRABLE FARM FOR SALE.

THE undersigned as agent for Mrs. F. H. Constable, on
MONDAY, the 30th October, 1865,
at the Voshell House, in Chestertown, Md., at 11 o'clock, A. M., will offer at PUBLIC SALE

THE FARM

on which he now resides, in Kent county, Md. This Farm in location and quality of soil, embraces all that may be reasonably desired in this latitude by the Farmer, Fruit Grower, and the Sportsman. It lies directly on Swan Creek, within a mile of Swan Point, and in full view of the Chesapeake Bay; about 5 miles from the Steamboat Wharf on Grey's Inn Creek and about the same distance from Rees' Wharf on the Bay, and is convenient to places of public worship, Schools, Mills, &c. The FINEST OYSTER BEDS, and Fishing Grounds in our waters, lie within a short distance of this farm, while SWAN POINT is pre-eminently distinguished for its fine Swan and Duck Shooting.

This Farm contains about

196 ACRES,

of which about 175 are arable, about 7 acres in Marsh, and the resdue in WOOD & TIMBER. There is also a detached WOOD LOT of about 20 Acres, which will be sold with the Farm.

The soil will bear a favorable comparison with the best in the county,—it is of the texture and quality which promptly gives the most ample and satisfactory returns for the use of lime and the approved fertilizers. In location and the natural properties of soils for a Peach and Fruit Farm, it is believed it has no superior in this county, while it is well adapted to all cereals.

THE IMPROVEMENTS

are a comfortable DWELLING and Kitchen, and the usual Out-Buildings, all in fair order.

These TERMS OF SALE are desired, but will be modified if found necessary to secure a fair price: There is a mortgage on the farm for $6,500, payable with interest in four equal annual instalments from Nov. 1st, 1866; the purchase money in excess of said mortgage to be paid on the day of sale or within thirty days thereafter.

For further information consult my attorney, R. HYNSON, Esq., at Chestertown, Md.
WM. R. CONSTABLE.

N. B.—The mortgage referred to may be paid in partial payments, at any time, in sums not less than $1000, or in one payment.

Rail Road Meeting!

THE meeting held at Kennedyville on Tuesday last, after making some progress, adjourned to meet at the Court House, in CHESTERTOWN, on
THURSDAY, 19th of October, 1865,
at 3 o'clock, P. M.

The subscribers for Stock and all others who desire to favor the object, are earnestly desired to be present. All persons holding books are requested to produce them at that time.

The recent meeting appointed Mr. THOMAS J. SHALLCROSS, to call on every land-owner in the First and Second Districts of the County, present the claims of the proposed road, receive subscriptions, and report at the next meeting. JESSE K. HINES, Esq., was also appointed for the Fourth District, for the same purpose, and provision will be made for the other Districts. Every one who has an interest in this great enterprise, will have an opportunity to subscribe, and it will thus be known at the meeting of the 19th whether it can be accomplished. There is abundant means to effect it if the will can be enlisted. Instead of 112 subscriptions to stock, there should be 500, and they should be obtained without difficulty.—An increase of $10 per acre in the value of the land within two miles of the proposed road would construct it, independent of subscriptions and the general enhanced value of property, and the facilities and advantages for travel and a new market for fruit and produce.

A work of such magnitude cannot be effected by a few, but the aid must be general and generous. Let all contribute something and success will be secured. The Shares are $25 each, and will be payable by instalments.

Chairman of last Meeting.

Notice is Hereby Given

TAX-PAYERS TAKE NOTICE!

THE STATE AND COUNTY TAXES FOR 1865, including the Bounty and Public School tax, are now due, and the undersigned Collector for the Second Tax District of Kent county, hereby gives notice that the tax books are in his hands, and the amounts due by the tax-payers are made out, and he is ready to receive them. He most respectfully solicits prompt payment, as the demands upon the Collector for this year, both by the State and county, *will not permit indulgence as heretofore.*

If tax-payers desired, there would be no difficulty in promptly settling their taxes annually, but neglect of duty is often the cause of expense, which in many cases exceed the tax itself. The demands of the State this year, however, must of necessity be met more promptly than heretofore, and the wants of those who have claims against the County will compel the collector to be more rigid in his collections. He hopes, however, that the Tax-Payers will be prompt in their payments and thus avoid the penalty for neglect of duty.

☞ A discount of five per cent. will be allowed on all State Tax paid on or before the first day of September; four per cent. if paid on or before the first day of October; and three per cent. if paid on or before the first day of November, 1865.

For the convenience of Tax-Payers I will be at the office of Henry W. Earnest, Esq., in Chestertown, every TUESDAY, THURSDAY, and SATURDAY.

Being Collector, by law, of the Corporation Tax of Chestertown, it will be necessary for me to receive these taxes at once, on account of the immediate and pressing wants of the town.
WM. H. HAMILTON,
aug5tf. Collector for Second District.
