SEWING MACHINES.

GROVER & BAKER SEWING MACHINE CO.,

181 Baltimore Street,

BALTIMORE.

Buy a good one or none.—Many absolutely worthless sewing-machines are now before the public, to purchase which would result in nought but vexation and disappointment to the owner. A *cheap* sewing-machine generally proves a *dear* bargain. *Grover & Baker's* have stood the test for many years; and but one opinion prevails as to their worth. The advantages they possess for Embroidering, Braiding, Hemming, &c., and their wonderful simplicity renders them the best in use. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? *None*, we conscientiously affirm.

Send for a Circular with description, prices, &c. Call and examine the machines and work executed by them, at our office,

A CARD

To the Farmers of Kent ounty.

A CUSTOM has obtained in the Grain trade of Baltimore, from which I have suffered, and to which I, as a grain seller, am unwilling longer to submit. It is no uncommon thing for a Commission Merchant to have grain consigned to him and the first intimation he receives that the Grain is in the market is a return made to him by another commission merchant for so many bushels of Grain sold at a price that he does not know whether it is right or not, as he does not see the grain. I suppose the custom originated in this way: when samples of grain are mixed they could not be delivered if sold separately—and in that case the agent having the largest lot has the right to sell, but when grain is separate this is not necessary, except for the convenience of the captain. I do not recoguize the right of any captain to hand over to another party without my consent, a sample of grain to sell, that is consigned to me. I prefer to have the control of my own grain, and the privilege of determining myself whether or not it is to my interest or the interest of my customer, to have it sold by another Commission Merchant who has no interest in it.

Farmers who send me their grain to sell are requested in all cases to direct the Captain to deliver me the sample.
