CHESTERTOWN:

SATURDAY MORNING, OCTOBER 28, 1865.

CONSERVATIVE TICKET.

The following ticket was nominated by the Conservatives of this County on Wednesday last:

For State Senator:

GEORGE VICKERS.

For Sheriff:

WILLIAM M. GILPIN.

For County Commissioners:

DAVID CLEMENTS,
COMEGYS COSDEN,
JOHN HADDAWAY.

For County Surveyor:

WILBUR F. MASSEY.

We regard this as a good Conservative ticket. The gentlemen composing it are well known to the people of this county generally, and need no introduction at our hands. Nearly all of them, we believe, have been identified with the Union cause. It is true that, viewed from a partizan standpoint, some of them are regarded as having deviated somewhat from their original position, or rather failed to keep time with the progress of events, but all who understand the character of the changes through which the country has passed, are prepared to make due allowance for such conclusions. All of them, we believe, dissented from the radical measures forced upon Mr. Lincoln.

Of course some dissatisfaction will exist with the ticket—this has always been the case, and always will be; but we are satisfied it will receive the support of the great conservative masses of the county. The issue now presented, whatever form the opposition may assume, will be regarded as simply a contest between *radicalism* on the one hand, and *conservatism* on the other,—the people will so understand it, and vote accordingly!

DEATH OF HENRY B. SLAUGHTER.—It is our painful duty to announce the death of Captain H. B. Slaughter, one of our most valuable and enterprising citizens. He died on the 26th inst. at his residence in this county, near Crumpton, in his 48th year, after an illness of ten days, with typhoid fever.

The deceased was a man of the strictest integrity and honor, of warm and generous impulses, and always kind and benevolent to the unfortunate. In his death the church has lost a most worthy and consistent member, the poor a true friend, his family a devoted husband and father, and our community one of its most useful and upright citizens.

Mr. Slaughter came into this county from the State of Delaware about twenty-two years ago with very limited means, and purchased his late residence, then almost a barren waste, entirely unknown to the business world. By his bold and enterprising mind and habits of industry he has given to this locality a reputation for business and thrift far in advance of any any other in this or the adjoining counties. Mr. Slaughter was emphatically a man of progress, fully up to the present age. He was the pioneer on this Shore in canning peaches and other fruits. He organized and owned the line of steamers generally known as "Slaughter's Chester River Line"—one of those steamers (the Chester) was built at his place, under his own supervision and direction. He has run this line for nearly or quite five years, and has so conducted it as to give general satisfaction. Under his management it has proved to be one of the most successful and popular lines ever established on our river. His death must be felt and deplored as a great public loss.

FIRE.—The colored people's meeting house at Millington was destroyed by fire on Friday night of last week. A school for negro children was held in the church, and the fire is believed to have been the work of an incendiary—perhaps of some evil disposed person who desired to break up the school. We cannot believe that any respectable person in that community would countenance such an act, and hope that every effort will be made to find out and bring to justice the guilty party.

VENDUES.—Public attention is called to the following sales:

Saturday, Oct. 28th (to-day)—Wm. T. Tomlinson's, at Kennedyville.

Wednesday, Nov. 1st—Mrs. Sallie T. Brooks', in Morgan's Creek Neck.

Friday, Nov. 3d—Wm. G. Trew, administrator, will sell the personal estate of C. C. Brown, dec'd, at his late residence in Quaker Neck. [See advertisements.]

ELECTION DAY.—The election this fall takes place on Tuesday, November 7th, and not on Wednesday the 8th, as is supposed by some. The polls open at 9 A. M. and close at 6 o'clock P. M.

CIRCUIT COURT.—Our Court is still in session. The following cases have been disposed of since the close of our last report:

State vs. Washington Hudgins—assault and battery. Fined $20 and costs.

State vs. Thomas F. Hamilton—assault and battery. Not guilty.

State vs. Washington Hudgins—assault and battery. Not guilty.

Same vs. Same—assault and battery. Fined $20 and costs.

State vs. C. H. Deford—assault and battery. fined $20 and cost.

State vs. Washington Hudgins—assault and battery. Fined $5 and cost.

Same vs. Same—assault and battery. Fined $10 and cost.

State vs. J. Brown, fn.—indicted for stealing barness. Jury trial. Not guilty.

State vs. Mary E. Thomas, fn.—indicted for stealing. Jury trial. Guilty.

State vs. Robert Johnson—indicted for stealing valise and clothes. Guilty.

State vs. William Preston, fn.—indicted for stealing Shoes. Acquitted.

Same vs. Same—indicted for stealing pocket book. Jury trial. Acquitted.

State vs. Richard Thompson, fn.—indicted for stealing corn. Guilty.

State vs. George Washington, fn.—indicted for stealing Boots. Jury trial. Acquitted.

The trial of Lucas for the murder of Irons, was taken up yesterday (Friday) morning.—Lloyd Tilighman, Thos. J. Keating and Joseph A. Wickes, Esqs., appeared as counsel for the prisoner, and George Vickers and Wm. S. Lassell, Esqs., on the part of the State.

FIRE AND LOSS OF LIFE.—A house occupied by a colored family, name unknown, about three miles above Head of Sassafras, in this county, was destroyed by fire on the night of the 16th inst., and four children perished in the flames. The origin of the fire is not known, but supposed to have been accidental.

☞ THE opposition to the Conservative ticket met at the Court House on Thursday afternoon, but adjourned without making any nominations.

SALE OF A TOWN LOT.—The vacant lot adjoining the Bank, in this town, was sold at public sale on Wednesday, and purchased by B. H. Gardner for $1,030.

The store house, on the upper side of the Bank, offered at the same time, was withdrawn at a bid of $710.

FIRE AT CHURCH HILL.—The Saw and Grist Mill at Church Hill, in Queen Ann's county, belonging to a Mrs. Brown, was totally destroyed by fire on Tuesday night last. There seems to be no doubt but that the origin of the fire was the work of incendiaries—the object being plunder.

COLONEL DON PIATT, known here in military circles, is a member elect to the Ohio Legislature.—*Balt. Sun.*

This is the man, it will be remembered, of whom Creswell, John Frazier & Co. made a tool to fill our county with soldiers in '63 and to order the arrest of many of our citizens. We cannot believe he could have been elected had the people of Ohio known him, but like Creswell in this county, he would have run far behind his ticket.

☞ The communication of our correspondent "H. M." is in type, but unavoidably crowded out.

OPPOSITION TO THE REGISTRY LAW.—A large and enthusiastic meeting of the citizens of Talbot county, without regard to party, opposed to the present registration law, was held at Easton on the 17th inst. Speeches were made by Col. Sam'l Hambleton, James Ll. Martin and Dr. Nipian Pinkney, and resolutions adopted endorsing the course of President Johnson, and urging a repeal of the registry law. Letters were read from Hon. Montgomery Blair, Gen. George Vickers, and Hon. Reverdy Johnson, all expressing sympathy with the object of the meeting, and a desire for the early repeal of the obnoxious law.

DISTRICT MEETING.

The Voters of all parties in favor of sustaining the President in his measures of reconstructing the Union by respecting the rights of the States to regulate the question of suffrage, who were opposed to negro suffrage, and in favor of a repeal of the present Registry law, in pursuance of notice met at the Court House in Chestertown on Saturday, the 21st October, 1865, at three o'clock, P. M., and organized by electing Gen. George Vickers chairman, and appointing J. H. Plummer secretary.

On motion of Geo. B. Westcott, Esq., a committee of four persons were appointed by the Chair to select and recommend to the meeting six persons to be voted for as Delegates to the County Convention, viz: Col. Edward Wilkins, S. W. Spencer, J. A. Wickes and Wm. Lamb, Esqs.

The committee retired, and after consultation recommended the following gentlemen to attend the County Convention, to wit: George B. Westcott, S. W. Spencer, Thomas Baker, J. A. Wickes, John Loud and George Vickers.

The meeting, after the passage of resolutions approving the President's plan of restoring the South to the Union by sanctioning the principle of their sole right to judge of the right of suffrage; declaring their hostility to negro suffrage, and their earnest desire for the repeal of the present Registry law, adjourned.

GEORGE VICKERS, Chm'n.
J. H. PLUMMER, Sec'y.

DISTRICT MEETING.

The Conservative voters of the Third (Worton) District, assembled at Hanesville on Saturday, Oct. 21st, and organized by electing James Beck, of George, Chairman, and appointing Samuel Vannort, Secretary.

On motion a committee of six were appointed to attend the County Nominating Convention, held at the Court House in Chestertown, Tuesday, Oct. 24th, namely: George S. Holliday, Wm. W. Parks, John Greenwood, of Wm., James Beck, of George, Dr. Samuel Beck, William A. Taylor. JAS. BECK, of Geo., Chm'n.
SAMUEL VANNORT, Sec'y.

COUNTY CONVENTION.

The Conservative men of all parties, who are friendly to the reconstructive policy of President Johnson in relation to the Southern States, by recognizing their right to regulate political suffrage, who are opposed to negro suffrage, and in favor of the repeal of the present Registration law, met in their respective election districts on Saturday last, and appointed six men from each district, equally divided according to old party divisions, to meet in Chestertown on Wednesday, the 25th October, 1865, to nominate a State Senator to supply the vacancy occasioned by the lamented death of the late Daniel Jones, Esq., a candidate for Sheriff of Kent county, three County Commissioners, and a County Surveyor—the said Convention met accordingly at the Court House in Chestertown on Wednesday, the 25th instant, at three o'clock, P. M., and was organized by calling General George Vickers to the Chair and appointing William M. Gilpin Secretary.

After a free and full interchange of opinions and views, and mature deliberation, characterized by the utmost harmony and good feeling, the Convention unanimously nominated the following ticket and recommended it to the voters of the county—to wit:

For State Senator—General George Vickers.

For Sheriff—William M. Gilpin.

For County Commissioners—David Clements, Comegys Cosden, John Haddaway.

County Surveyor—Wilbur F. Massey.

The following resolutions, prepared by a committee, were passed and sanctioned by the Convention:

1. *Resolved*, That we cordially approve the policy of President Johnson, in his efforts to restore the Southern States to the Union, by recognizing their exclusive right to regulate the elective franchise within their respective limits, and that we will sustain the President in all his Constitutional and patriotic measures to effect re-union.

2. *Resolved*, That we are uncompromisingly opposed to negro suffrage.

3. *Resolved*, That we will use all fair and honorable means to procure a repeal of the present Registry Law, considering it oppressive and unjust, and especially so in our present national condition, when there should be a union of all patriotic men to aid and support the Administration in reconstructing the Government upon a solid and Constitutional basis.

GEORGE VICKERS, Chm'n.
WM. M. GILPIN, Sec'y.

THE NEWS.

Wendell Phillips indulged himself at Boston last week with one of his usual violent tirades. He said that President Johnson had made himself three-fourths Rebel in order that the Rebels themselves might become one-fourth Union, and denounced Gen. Banks as "a vagrant mountebank, laden with the curses of every loyal man in Louisiana and Massachusetts." The Republican party, he insisted, had no longer an existence, and had none since the Baltimore Convention, which renominated President Lincoln, though "there is a spectre walking over the country in its shroud."

Lieutenant General Grant's official report for the years 1864 and 1865, covering the active and stirring operations in the campaign which ended with the complete suppression of the rebellion, has been completed, and will soon be sent to the War Department; but it is not expected to be given to the public till after the meeting of Congress.

After a great deal of deliberation between General Grant and the Secretary of War, it has been determined to muster out of service the veteran reserve or invalid corps. This decision causes considerable rejoicing among the enlisted men of the corps and an opposite feeling on the part of the officers.

The War Department has sustained Gen. Terry in his refusal to restore to Gov. Henry A. Wise his estate, known before the war as "Onancock, near Only."

Hon. Wm. L. Sharkey has been elected United States Senator from Mississippi, to fill the unexpired term of Jeff. Davis, commencing March 4, 1863.

IT is said that Gen. W. B. Franklin is about to resign his commission in the army to accept the presidency of the Colt's Arms Company, at a salary of $8,000 a year and an interest.

Provisional Governor Johnson, of Georgia, writes President Johnson that he desires the Federal troops to remain in that State until the local forces can be organized.

THE ADMISSION OF SOUTHERN MEMBERS.—The Washington correspondent of the N. Y. Post reports Mr. McPherson, Clerk of the House of Representatives, to declare that "he will not place upon the official list of members, any person claiming to be elected from a State that has been in rebellion against the Government." The reason assigned by the clerk for this decision is, that "to let in eighty members, at the outset, to vote upon the subject of their own recognition, would end the controversy in their favor at once."

IMPORTANT TO DESERTERS.—General orders No. 152, bearing date of October 17th, 1865, just promulgated from the War Department, directs that hereafter no person shall be arrested as a deserter for having failed to report under any draft, or for any other noncompliance with the enrollment act, or the amendments thereto. All persons of this class now held will be immediately discharged.

THE SOUTH CAROLINA ELECTION.—The result of the election in South Carolina for Governor, is said to be in some doubt.—Although General Hampton declined before the election, he received a heavy vote. Mr. Orr's chances, however, are believed to be the best. In the city of Charleston the workingmen elected a large portion of the Legislative ticket.

DECLINED TO NOMINATE.—The Union convention of Queen Anne's last week resolved that it was "inadvisable at present to make any nominations for county officers for the approaching election."

GOV. HUMPHREYS' INAUGURAL ADDRESS.—Governor Humphreys' of Mississippi, in his inaugural address says:

I have always believed that no one or more States could constitutionally sever ties that unite people of the several States in one. The people rejected this school of politicians. Those advocating the right of secession could not have found a better mode of solving the question than the arbitrament of war. The question was forthwith referred and decided against us. The people of Mississippi acknowledge the decision and express their wish to return to the Union. It has been officially reported that our people are not sincere, but if unflinching fidelity in war gives evidence of reliable fidelity in peace of the unvarying professions that spring from private, public sources furnish evidence of its truth. It is demonstrated that the people of the South may be safely trusted, when they profess more than willingness to return to their allegiance. The State of Mississippi has already, by her own solemn act, abolished slavery, and it is due to her honor to show by her future that she has done so in good faith, and that slavery shall never again flourish in our border in whatsoever name or guise it may be brought forward.

Considerable trouble exists in South Carolina concerning the ownership of the Sea Islands, the freedmen having the impression that the lands were given to them outright. General Bennett has issued an order preventing the organization of colored militia in Charleston.

Fond Mother dry the tear,
That glistens in thine eye,
And learn with fortitude to bear
The loss of one dear tie.
The little boy that loved so well
Within thine arms to rest,
Hath left this land of woe to dwell
Within the Saviour's breast.
Like the fairest rose of summer
Josie bloomed and Josie died,
O, how lone this world without him,
For he was our joy and pride. A. E.
