THE REBEL DEBTS.—The Washington correspondent of the New York *Commercial* writes:

The Southern gentlemen here are quite taken aback by the telegram sent by Secretary Seward to Governor Johnson, of Georgia; notifying him that President Johnson cannot recognize the people of any State as having resumed the relations of loyalty to the Union that do not repudiate their Rebel war debts. This is a damper on the hopes of those who have been planning schemes for securing the assumption of the Confederate war debt by Congress, by the aid of the lobby. The addition of this enormous amount to our already heavy National debt would have a ruinous moral as well as financial effect, and it is but another proof of President Johnson's determination to faithfully discharge his duties, that he has promptly placed himself in opposition to the project.

GREAT HAUL IN COUNTERFEIT NOTES.—On Saturday a man named Bohagar was arrested in New York, and on the police searching his room, they found a stock of bogus Treasury notes, of the denominations of five dollars, twenty dollars and fifty cents, representing altogether one hundred and eleven thousand dollars, put up in one thousand dollar packages. The bills are rather poor ones, and would not deceive those accustomed to handling money; but it is believed that large quanties of them have been sent to the West and South, where they may have a better chance of getting into circulation. It is supposed his house was the headquarters for a large gang of counterfeiters.

DEATH OF LORD PALMERSTON.—The European steamer brings us the news of the death of the great English premier on the 18th of October, from the effects of a severe cold. Lord Palmerston, Viscount, Henry John Temple, was born in England, October 20th, 1784, and had he lived two days longer, would have attained the advanced age of 81. He was a peer of Ireland, and succeeded to the title on the death of his father, in 1805. He first entered Parliament in 1807, and continued in public life, with intervals of a few years only, until the day of his death, a period of fifty-eight years.

John Mitchell was released from Fortress Monroe on Monday. His release was conceded by President Johnson at the solicitation of members of the Fenian Congress, and a delegation of that body was appointed to visit Washington and express their thanks for this act of Executive clemency. The President, in reply to the remarks of Mr. Roberts, who spoke on behalf of the delegation, said:—"We could not remember Mr. Mitchell's American career; but we are anxious, as a mark of respect and compliment to the large section of our countrymen with whom Mr. Mitchell was previously identified, to yield to their expressed wishes in that regard."

BALTIMORE COUNTY POLITICS.—Richard Grason Esq., Towsontown, is an independent candidate for Judge of the Circuit Court of Baltimore county at the coming election. It will be remembered that Mr. Grason was elected the first Judge of that court under the new Constitution, and removed from his position by the Legislature, at its last session, for alleged disloyal practices. He has since his removal from the Judgeship been registered as a qualified voter in Baltimore county.

LADIES' MUFFS.—A letter from New York says: "The ladies who are about purchasing their furs for the winter season, ought to be informed that there is a novelty in muffs just now. It is in the shape of the morocco bags which ladies carry when they go out shopping. A pocket for the purse and another for the handkerchief are in the muff, and there are also cord and tassels to go around the neck."

THE NEXT CONGRESS.—The National Intelligencer of Wednesday says:

Several members of Congress, regarded as radical in the extreme, are in the city, and are said to be quite earnest and unreserved in their expression of opposition to tolerating any person in Congress from the lately rebellious States, without the most improbable conditions.

RELEASE OF PRISONERS.—Orders, it is said, will soon be issued for the immediate release of a large number of persons who were sentenced during the war to imprisonment in forts and penitentiaries.

SAMUEL W. CALEB,

The following is the warrant of the Governor ordering an election for Senator:

The State of Maryland, Set:

To the Sheriff of Kent County, Greeting:

WHEREAS, Daniel Jones, a Senator of the State of Maryland for Kent County has recently departed this life. And whereas, the Constitution of this State provides that in case of the death of a Senator during the Legislative recess, a warrant of Election shall be issued by the Governor for the election of another person in his place, and the Governor being notified that a special session of the Legislature would intervene between this date and the day of the next general election for Delegates:

TAX-PAYERS TAKE NOTICE!

THE STATE AND COUNTY TAXES FOR 1865, including the Bounty and Public School tax, are now due, and the undersigned Collector for the Second Tax District of Kent county, hereby gives notice that the tax books are in his hands, and the amounts due by the tax-payers are made out, and he is ready to receive them. He most respectfully solicits prompt payment, as the demands upon the Collector for this year, both by the State and county, *will not permit indulgence as heretofore.*

If tax-payers desired, there would be no difficulty in promptly settling their taxes annually, but neglect of duty is often the cause of expense, which in many cases exceed the tax itself. The demands of the State this year, however, must of necessity be met more promptly than heretofore, and the wants of those who have claims against the County will compel the collector to be more rigid in his collections. He hopes, however, that the Tax-Payers will be prompt in their payments and thus avoid the penalty for neglect of duty.

☞A discount of five per cent. will be allowed on all State Tax paid on or before the first day of September; four per cent. if paid on or before the first day of October; and three per cent. if paid on or before the first day of November, 1865.

For the convenience of Tax-Payers I will be at the office of Henry W. Earnest, Esq., in Chestertown, every TUESDAY, THURSDAY, and SATURDAY.

Being Collector, by law, of the Corporation Tax of Chestertown, it will be necessary for me to receive these taxes at once, on account of the immediate and pressing wants of the town.

CO-PARTNERSHIP.

BALTIMORE, March 1, 1865.

THOMAS NORRIS, for ten years past engaged in the sale of Agricultural Implements and Machines, Field and Garden Seeds, etc., respectfully informs his friends and customers that he has this day associated with him Mr. JOEL PUSEY, of Havre de Grace, very favorably known to many of the farmers of Maryland. The business will be continued under the name and style of

NORRIS & PUSEY,

at the old stand, No. 141 PRATT STREET, (near Light.) The senior partner tenders his grateful acknowledgments to his many friends who have so liberally patronized him, and solicits for the new firm a continuation of their favors. In addition to the old business, the subscribers will be prepared to transact, in an extensive way, the

Lime, Plaster and Cement Business.

Yielding to the solicitations of many friends in the country, they beg to offer their services as

General Commission Merchants

for the sale of GRAIN and all kinds of Country Produce.

By a faithful attention to business, they expect to merit a good share of public favor, and ask a continuation of the patronage of old customers, and a fair trial by new ones.

They will continue the sale of

Woods' Prize Mower, Woods' Self-raking Reaper, Westinghouse's Horse Powers and Threshing Machines, Bickford & Huffman's Grain and Guano Drills, Van Wickle's Grain Fans,

and many other Implements and Machines, of superior merit.

They assure their customers that they are prepared to furnish any article in their line on as good terms as they can be supplied by any house in Baltimore.

Circulars, Catalogues, etc., giving descriptions, prices, &c., will be furnished on application. Respectfully,

NORRIS & PUSEY,

141 Pratt Street, near Light,
