THE CASE OF JEFFERSON DAVIS.—The Philadelphia Inquirer has the following dispatch from Washington: It appears to have been finally decided that Jefferson Davis will receive a full and free pardon, and be furnished a passport to Europe, on giving his parole never to return. The several plans for his trial have all fallen through. The Norfolk Court, of Judge Underwood, was abandoned on account of a doubt as to the question of jurisdiction, and the improbability of obtaining an unbiased jury at that place. A military commission had been also agreed upon at one time, and evidence prepared tending to convict him of conspiracy in the assassination of Mr. Lincoln; but the President has concluded to have no more military court-martials or commissions. It was also proposed to try him in Virginia by a United States Circuit Court, over which Chief Justice Chase was to preside, but this was also found impracticable, as there is as yet no organization of the United States Court in Virginia, and if there had been, an impartial trial by jury there would be impossible. It is said the President decided that he should not be tried anywhere out of Virginia, and overruled the proposition to try him in Baltimore or Washington, because he, Davis, "committed his crimes in Virginia." Thus the matter stands. It is said that in addition to the united appeals of the rebel leaders in the South to "let Davis go," Horace Greeley, Ward Beecher, and others, have visited the President and begged for the life and pardon of the "eminent Southern statesman."

Another account states that "it is definitely and positively ascertained that Jefferson Davis is to be tried for treason before a United States Court."

MYSTERIOUS EXPLOSION AT A NEW YORK HOTEL.—New York, Nov. 5.—At half-past 11 o'clock this morning an explosion of a mysterious box in front of the Wyoming Hotel, 333 Greenwich street, took place, shattering the front of the hotel and breaking nearly all the glass in the building opposite and along the square where the hotel is situated. Two men were killed and nine persons wounded. A short time ago, it appears, a guest of the hotel left this box as security for his bill, and promised to call soon and redeem it. The box was placed in the baggage room, in charge of the porter, and this morning smoke was seen issuing from the box, when it was taken by two men and carried to the sidewalk. Just as they reached the edge of the pavement the explosion occurred, killing the men carrying the box, and doing much damage, as above mentioned. The police have arrested all the persons stopping at the hotel, and the matter is now under investigation. The explosion was very loud, and attracted the attention of persons a mile distant from the locality.

THE correspondent of a New York paper, writing from Tallahassee, Fla., says:

The South, which by the fortunes of war became so extensively and rapidly devastated, is with almost equal rapidity being rebuilt and restored to her former condition. Already in the principal towns and cities great progress has been made towards the revival of trade and industrial pursuits. Night and day the mechanics are at work plying their trades, transforming blackened ruins into commodious stores or dwellings. The worn out railroads are wholly inadequate for the transportation of the large amount of cotton awaiting shipment to the Northern markets, and the depots are filled to repletion with goods, wares and merchandise coming from the North to replenish the shelves which have been empty for four years.—Every one is bent on making money.—While those who have sufficient capital are engaged in cotton speculation, the smaller fry are buying small stocks of goods and starting in business. Should the free labor system prove successful, I predict for the South a season of prosperity greater than she has ever known in the past.

TAX-PAYERS TAKE NOTICE!

THE STATE AND COUNTY TAXES FOR 1865, including the Bounty and Public School tax, are now due, and the undersigned Collector for the Second Tax District of Kent county, hereby gives notice that the tax books are in his hands, and the amounts due by the tax-payers are made out, and he is ready to receive them. He most respectfully solicits prompt payment, as the demands upon the Collector for this year, both by the State and county, *will not permit indulgence as heretofore.*

If tax-payers desired, there would be no difficulty in promptly settling their taxes annually, but neglect of duty is often the cause of expense, which in many cases exceed the tax itself. The demands of the State this year, however, must of necessity be met more promptly than heretofore, and the wants of those who have claims against the County will compel the collector to be more rigid in his collections. He hopes, however, that the Tax-Payers will be prompt in their payments and thus avoid the penalty for neglect of duty.

A discount of five per cent. will be allowed on all State Tax paid on or before the first day of September; four per cent. if paid on or before the first day of October; and three per cent. if paid on or before the first day of November, 1865.

For the convenience of Tax-Payers I will be at the office of Henry W. Earnest, Esq., in Chestertown, every TUESDAY, THURSDAY, and SATURDAY.

Being Collector, by law, of the Corporation Tax of Chestertown, it will be necessary for me to receive these taxes at once, on account of the immediate and pressing wants of the town.
WM. H. HAMILTON,
aug5tf. Collector for Second District.

By a faithful attention to business, they expect to merit a good share of public favor, and ask a continuation of the patronage of old customers, and a fair trial by new ones.

They will continue the sale of *Woods' Prize Mower, Woods' Self-raking Reaper, Westinghouse's Horse Powers and Threshing Machines, Bickford & Huffman's Grain and Guano Drills, Van Wickle's Grain Fans,* and many other Implements and Machines, of superior merit.

They assure their customers that they are prepared to furnish any article in their line on as good terms as they can be supplied by any house in Baltimore.

Circulars, Catalogues, etc., giving descriptions, prices, &c., will be furnished on application. Respectfully,
NORRIS & PUSEY,
