THE HIGH PRICE OF PAPER.—Paper has risen almost one hundred per cent. since the first of August, and is now quite as high as it was at any time last year, and the tendency is still onward and upward. There is little prospect for relief before spring. Paper, ink, labor, and all the materials which go to make a newspaper are so high, that no proprietor can afford to publish a paper for less than double the price received before the war.—Still, people complain because the prices are not reduced, never thinking that the matter is entirely beyond the control of publishers.—*Westminster (Md.) Sentinel.*

A VERDICT AGAINST GAMBLERS.—A few days ago a case was tried in Cincinnati, in which John A. McMillan recovered $17,545 from Thos. Meade, R. Lear, Robert Barker and Chas. Stone, the keepers of a faro bank. McMillan, it appears, lost $23,100 by gambling in the establishment of the defendants, and won $6,160. The jury, by their verdict, rendered judgment against the gamblers for the balance of the money lost, with costs.

THE MINISTER TO MEXICO.—The French Courier, at New York, affects to be indignant at the appointment of General Logan as United States Minister to the Republic of Mexico, and pronounces it a "provocation." It adds in substance, that the French troops now will not leave Mexico. France is allied with Mexico, now, right or wrong, and will maintain the alliance.

PARDONED BY THE QUEEN OF SPAIN.—A letter from Havana to the New York Tribune states that the Queen of Spain has pardoned Arguelles, who, it will be remembered, was arrested two years ago in New York, taken to Havana, convicted of some connection with the slave-trade, and sentenced to prison for many years.

1.—THE FANCY FARM,

800 ACRES.

This property is divided into twelve fields of about 40 to 60 acres, well fenced; the cross fencing mostly of Chesnut. There are four Lots of about five acres each, and two small lots. Also an ORCHARD of about 200 to 300 Apple Trees, and about the same quantity of Peach Trees. The land was formerly well limed; the soil is a good loam, adapted to the growth of Wheat, Corn and Oats, also, to clover and other grasses and to fruits. The land is very kind and productive. There are about 600 acres of arable land, and 200 Acres of

WOOD AND TIMBER.

A portion of the Woodland lying nearest to Chestertown might be sold, leaving an abundance for the supply of the Farm. A considerable number of Timber trees, Oak and Hickory may be sold, to the amount of several thousand dollars, without lessening the value of the property—the soil, when cleared, would be of a superior quality for agricultural purposes.

There is a running stream of water on the upper part of the farm, watering several fields. Several other fields are also watered.

The Buildings,

consist of a DWELLING containing nine rooms, two Halls, and two Stairways; also a Kitchen. Also, a good DWELLING occupied by the manager. The Out-Buildings are, two BARNS, with Corn-Sheds attached; one large STABLE, besides SHEDS for Horses and Cattle; also, a Machine House, with Meat and Poultry House. On the upper portion of the Farm there is a comfortable DWELLING new, but not entirely finished, with a Back-Building used as a Kitchen; also, a BARN, with Stabling, &c.

This property will be surveyed, and laid off into two Farms, also into three Farms, and will be offered as a whole or in parts, to suit purchasers—plots will be exhibited at the sale.

Mr. JOHN BRICE, the tenant, will take pleasure in shewing the premises to those may call and desire to examine them.

This is one of the best and most beautiful Farms in the county, and is noted for the salubrity of its location. There is a very fine Lawn with trees from the public road to the main Buildings.

No. 2.—A FARM, usually called

"The Forest Farm,"

lying within a short distance of the "Fancy," and adjoining the lands of the late Samuel E. Baker, Wm. Thomas Baker, Evan Thomas and others, containing

322 ACRES.

It is divided into six fields, well fenced, and well drained. The soil is very fine, and the land remarkably productive. All the grains and grasses grow well.

THE BUILDINGS

consist of a comfortable TWO-STORY FRAME DWELLING, about the centre of the Farm, with Kitchen. A good BARN, with Corn Sheds and Stable attached, with other necessary Out-Buildings.

There is a School House very near each of the farms, and both are convenient to Churches, Post Offices, &c.

THE TERMS OF SALE

of each property, are:—One-fifth part of the purchase money to be paid on the day of sale, or in thirty days thereafter, at the option of the Trustee, and the balance in three equal instalments, in one, two and three years from the first day of January next; the interest payable half yearly, and to be secured by the bond or bonds of the purchaser or purchasers, with security to be approved by the Trustee. Upon the payment of the whole purchase money deeds to be executed to the purchasers.

Farm and Plantation

in Kent county, between Fairlee and Worton Creeks, being the Frisby Farm, called

"GREAT OAK MANOR,"

or "MOUNT AIRY," late the property of John B. H. Anderson, deceased, containing

300 to 400 ACRES,

and adjoining the Gamble and Handy Farms.

This Farm is divided into six fields, and has a PEACH ORCHARD of 500 trees about four years old, of different varieties. The whole Farm has been limed several times—the soil is naturally kind, has been improved, and grows grain and grasses finely. One field near the Bay has sometimes yielded 850 barrels of Corn. There is a sufficiency of WOOD and TIMBER for the Farm, but Drift Wood can be gathered in quantities sufficient for the uses of the Farm.

This property is naturally divided and may be converted with great facility and little expense into two Farms, requiring about 250 to 300 pannels of fence to make the division about equal. Fencing good post and rail. There are very considerable beds of Oyster Shells in the banks, which are accessable, and may be burned with the drift wood near at hand.

THE DWELLING

is of Brick, and was erected in 1860, and is three stories in height. In the main building are six rooms; the back building is of brick and new, two stories high, with four rooms, pantry and Kitchen. There is a Piazza in front; also one back, covered, and the entire length of the additional building.—The Kitchen is new and of brick. There is a good Cellar under the main building its entire length, divided into three apartments. There is a QUARTER for hands. The OUT-BUILDINGS are an OVERSEER'S HOUSE, two large BARNS, with two long Sheds for Stabling, MEAT HOUSE, POULTRY HOUSE and CARRIAGE HOUSE; also, Corn Cribs. The Dwelling is finished, and one of the best in the County.

The situation of this property is high, commanding and healthy, lying immediately on the Chesapeake Bay, and is one of the most pleasant and desirable residences and Farms in the County. It is distant about thirty miles from Baltimore, and about two from a Steamboat Landing.

Mr. WM. F. ANDERSON, residing on the premises, will shew the premises to any who may call to examine them.

ALSO, ALL THAT

Also, Two Lots of Land,

THE TERMS OF SALE ARE:

One fifth of the purchase money to be paid on the day of sale, or in thirty days thereafter, at the option of the Trustee, and the balance in three equal instalments, in one, two and three years from the first day of January next, with interest thereon from that time, the interest payable half yearly, and to be secured by the bond or bonds of the purchaser or purchasers, with security to be approved by the Trustee.—Upon payment of the whole purchase money a Deed or Deeds will be executed to the purchaser or purchasers.

A FARM,

lying on the Chesapeake Bay, in Kent County, known as the "VANLEAR FARM," at present occupied by Mr. Peter Stokes, and adjoining the lands of Mr. Walter Miller, John L. Gale, and others, containing about

200 ACRES.

The soil is good, kind, and with a small outlay can be made productive. The Farm is divided into four fields. There are two WOOD LOTS in the Swamp, containing about 14 or 15 Acres, to be sold with the Farm.

THE DWELLING

is frame, one-story in height, with two rooms below and two above, with Kitchen adjoining. There is usually Drift Wood sufficient to supply the Farm liberally. A Meadow of from 12 to 14 Acres may be made by clearing. The situation is remarkably healthy and the drinking Water fine—no Marsh connected with the premises. It lies about three miles from Rees' Corner, and convenient to Churches, Schools, Post Office, &c. The land is moderately rolling, and may be made valuable property. A CARD
To the Farmers of Kent county.

A CUSTOM has obtained in the Grain trade of Balt., from which farmers have suffered, and to which I, as a grain seller, am unwilling longer to submit. It is no uncommon thing for a Commission Merchant to have grain consigned to him and the first intimation he receives that the Grain is in the market is a return made to him by another commission merchant for so many bushels of Grain sold at a price that he does not know whether it is right or not, as he does not see the grain. I suppose the custom originated in this way: whem samples of grain are mixed they could not be delivered if sold separately—and in that case the agent having the largest lot has the right to sell, but when grain is separate this is not necessary, except for the convenience of the captain. I do not recognize the right of any captain to hand over to another party without my consent, a sample of grain to sell, that is consigned to me. I prefer to have the control of my own grain, and the privilege of determining myself whether or not it is to my interest or the interest of my customer, to have it sold by another Commission Merchant who has no interest in it.

Farmers who send me their grain to sell are requested in all cases to direct the Captain to deliver me the sample.

TAX-PAYERS
TAKE NOTICE!

THE STATE AND COUNTY TAXES FOR 1865, including the Bounty and Public School tax, are now due, and the undersigned Collector for the Second Tax District of Kent county, hereby gives notice that the tax books are in his hands, and the amounts due by the tax-payers are made out, and he is ready to receive them. He most respectfully solicits prompt payment, as the demands upon the Collector for this year, both by the State and county, *will not permit indulgence as heretofore.*

If tax-payers desired, there would be no difficulty in promptly settling their taxes annually, but neglect of duty is often the cause of expense, which in many cases exceed the tax itself. The demands of the State this year, however, must of necessity be met more promptly than heretofore, and the wants of those who have claims against the County will compel the collector to be more rigid in his collections. He hopes, however, that the Tax-Payers will be prompt in their payments and thus avoid the penalty for neglect of duty.

☞ A discount of five per cent. will be allowed on all State Tax paid on or before the first day of September; four per cent. if paid on or before the first day of October; and three per cent. if paid on or before the first day of November, 1865.

For the convenience of Tax-Payers I will be at the office of Henry W. Earnest, Esq., in Chestertown, every TUESDAY, THURSDAY, and SATURDAY.

Being Collector, by law, of the Corporation Tax of Chestertown, it will be necessary for me to receive these taxes at once, on account of the immediate and pressing wants of the town.

WM. H. HAMILTON,
