We notice that some of the Radical papers, although they have a great deal to say about Mr. Lincoln, in connection with Mr. Bancroft's eulogy, have very little to say for the eulogy itself. We think the secret of this may be found in the following concluding paragraph of the oration:

"The States which would have left us are not brought back as conquered States, for then we should hold them only so long as that conquest could be maintained; they come to their rightful place under the Constitution as original, necessary and inseparable members of the State.

"We build monuments to the dead, but no monuments of victory. We respect the example of the Romans, who never, even in conquered lands, raised emblems of triumph. And our generals are not to be classed in the herd of vulgar conquerors, but are of the school of Timoleon, and William of Orange, and Washington.—They have used the sword only to give peace to their country and restore her to her place in the great assembly of the nations. Our meeting closes in hope, now that a people begins to live according to the laws of reason, and republicanism is intrenched in a continent."

This sounds very much like the talk of "the man at the other end of the Avenue."

SUFFRAGE IN THE DISTRICT OF COLUMBIA.—It has been the general opinion that the bill granting universal suffrage in the District, which was passed in the House, would never be acted upon by the Senate. But a few days ago Senator Morrill, chairmain of the District Committee, reported it without amendment, and it is understood the committee will urge its immediate passage. With the known views af the President upon the measure, this action seems directly intended to force another veto.

NEW JERSEY ENDORSES PRESIDENT JOHNSON.—In the New Jersey Senate on Wednesday, Mr. Trisdale, Democrat, presented a concurrent resolution, "that we have full faith in the ability, patriotism, and fidelity of Andrew Johnson, President of the United States; and that we have confidence in him as the Executive of the National Government." An effort was made to put off present action, but it failed, and the resolution was passed.

SUICIDE.—Mr. John Mackie, a wealthy and respectable farmer, residing in the fourth district of Cecil county, committed suicide by hanging, on Tuesday, the 13th instant, while laboring under temporary mental aberation.

CORN & OATS.

BERGER & BUTZ'S
EXCELSIOR
SUPER-PHOSPHATE OF LIME,
—AND—
Berger & Butz's
AMMONIATED
SUPER-PHOSPHATE
OF LIME.

WE OFFER TO THE FARMERS OF KENT and the adjoining counties, these well known FERTILIZERS, for the Spring seeding. BERGER & BUTZ'S EXCELSIOR SUPER-PHOSPHATE OF LIME has for the last five years undergone the most rigid tests upon all crops, and has never been excelled:—It not only acts immediately upon the crop but is certain to produce a heavy growth of grass. BERGER & BUTZ'S AMMONIATED SUPER-PHOSPHATE OF LIME we guarantee to be a good article.

We give a certificate from one of the most reliable Farmers in New Jersey, showing the effect upon Wheat, Oats and Corn:

HOPEWELL TOWNSHIP, *Cumberland Co., N. J.*, August 7th, 1865.

MESSRS. BERGER & BUTZ:

I have now used your Super-Phosphate of Lime for two seasons. Last fall I used it upon part of my wheat, which has turned out as well as where I manured with good barn-yard manure. This last spring I put in my oats with it; the oats were sown upon poor ground, still the yield was most excellent, far better than I had any reason to expect.

I also used it upon Corn alongside of another well known fertilizer. The drought has been very severe this summer, and the corn is therefore backward, still your phosphate has done very much better than the other, and does not seem to have suffered so much from the drought. I consider your Super-Phosphate of Lime not only a good manure, but better than any other fertilizer I ever used.

Yours, respectfully,
ROBERT JONES.

We will say to Farmers and Dealers, that by the introduction of new and improved machinery into our factory, our article will be much better prepared than heretofore, and if it is not found to be in every way equal to the original standard we will not demand one dollar for our article.
