REPORT OF THE JOINT COMMITTEE ON RECONSTRUCTION.

The joint committee of fifteen of the two houses of Congress submitted the following report on Monday last:

A joint resolution proposing an amendment to the Constitution of the United States.

Be it resolved by the Senate and House of Representatives of the United States of America in Congress assembled, two-thirds of both houses concurring, That the following article be proposed to the Legislatures of the several States as an amendment to the constitution, which, when ratified by three-fourths of the said Legistures, shall be valid as a part of the constitution, namely:

Article.–Section 1. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty or property without due process of law, nor deny to any person within its jurisdiction the equal protection of the laws.

Sec. 2. Representatives shall be apportioned among the several States which may be included within this Union according to their respective numbers, counting the whole number of persons in each State, excluding Indians not taxed. But whenever in any State the elective franchise shall be denied to any portion of its male citizens not less than twenty-one years of age, or in any way abridged, except for participation in rebellion or other crime, the basis of representation in such State shall be reduced in the proportion which the number of such male citizens shall bear to the whole number of male citizens not less than twenty one years of age.

Sec. 3. Until the 4th day of July, 1870, all persons who voluntarily adhered to the late insurrection, giving it aid and comfort, shall be excluded from the right to vote for members of Congress and for electors for President and Vice-President of the United States.

Sec. 4. Neither the United States nor any State shall assume to pay any debt or obligation already incurred, or which may hereafter be incurred, in aid of insurrection or war against the United States, or any claim for compensation for loss of involuntary services or labor.

Section 5. The Congress shall have power to enforce, by appropriate legislation, the provisions of this article.

A bill to provide for the restoration of the States lately in insurrection to their full political rights.

Whereas it is expedient that the States lately in insurrection should at the earliest day consistent with the future peace and safety of the Union be restored to full participation in all political rights.

And whereas the Congress did by joint resolution, propose for ratification to the legislatures of the several States, as an amendment to the Constitution of the United States, an article in the following words, to wit: [The constitutional article recited above is here inserted.]

Now, therefore, be it enacted, etc., That whenever the above-recited amendment shall have become a part of the constitution, and any State lately in insurrection shall have ratified the same, and shall have modified its constitution and laws in conformity therewith, the Senators and Representatives from such State, if found duly elected and qualified, may, after having taken the required oaths of office, be admitted into Congress as such.

And be it further enacted, That when any State, lately in insurrection shall have ratified the foregoing proposed amendment to the Constitution, any part of the direct tax under the act of August 5th, 1861, which may remain due and unpaid in such State may be assumed and paid by such State, and the payment thereof, upon proper assurances from such State to be given to the Secretary of the Treasury of the United States, may be postponed for a period not exceeding ten years from and after the passage of this act.

A bill declaring certain persons ineligible to office under the Government of the United States.

Be it enacted, &c., That no person shall be eligible to any office under the government of the United States who is included in any of the following classes, namely:

First. The President and Vice-President of the Confederate States of America, so called, and the heads of departments thereof.

Second. Those who in other countries acted as agents of the Confederate States of America, so called

Third. Heads of Departments of the United States, officers of the army and navy of the United States, and all persons educated at the military or naval academy of the United States, judges of the courts of the United States, and members of either House of the Thirty-sixth Congress of the United States who gave aid or comfort to the late rebellion.

Fourth. Those who acted as officers of the Confederate States of America, so called, above the grade of colonel in the army or master in the navy; and any one who, as governor of either of the so-called Confederate States, gave aid or comfort to the late rebellion.

Fifth. Those who have treated officers or soldiers or sailors of the army or navy of the United States, captured during the late war otherwise than as prisoners of war.

THE PHILADELPHIA MASSACRE:–SENTENCE OF PROBST.—*Philadelphia*, May 1.—Antoine Probst was sentenced this morning to be hung for the murder of the Deering family. He received his sentence unmoved, and made no remarks. The day of his execution will be fixed by the Governor of the State. The speedy justice that has been thus meted out in this case is remarkable. The murders were committed on the 7th of April; discovered on the 12th; on the 13th the murderer was in Moyamensing; on the 17th the grand jury brought in a true bill; on the 19th the case was called up in the court; on the 24th the trial commenced; on the 29th the jury rendered a verdict of guilty; today he was sentenced, and probably on Friday, the 11th, he will expiate his offenses on the gallows.

THE hail storm which passed over Baltimore on Tuesday night was one of the most remarkable meteorological phenomena of the kind ever witnessed. In force and fury, and the size and hardness of the hail stones it was unparalleled.—Many of the particles of ice discharged from the atmosphere were perfectly round, the largest ranging from three to four inches in circumference, clear as a crystal, and of almost flinty hardness. The destruction of window glass was immense. On the southern and eastern end of the city, where the storm spent its fury, there is hardly a window facing north that was not more or less shattered. The churches, large public buildings, and buildings with skylights suffered most severely.—We think it a moderate computation to say that twenty thousand panes of glass were shattered by the storm.—*Balt. Amer.*

The United States Senate has rejected the nomination of Mr. John V. L. Findlay as Collector of Internal Revenue at Baltimore, and of Gen. F. P. Blair, Jr., as Collector of Int. Revenue at St. Louis.

Public Local Laws,

OPERATIVE IN KENT COUNTY,

Passed at the special Session, January, 1866, and published in accordance with "An Act to add an Article to the Code of Public General Laws, in relation to the Publication of Laws," which provides that—

"Every Public Local Law made to take effect before the first day of June next, after the session at which it may be passed, shall immediately after its passage be published once in each of three successive weeks in all the newspapers of the respective counties in which it may operate; and in case there is no newspaper published in any county, then in such manner as the County Commissioners of said county may direct, and in case any such law is to operate in the city of Baltimore, then once in each week for three successive weeks in such daily newspapers published in said city as the Mayor thereof may direct; and the Mayor and City Council of Baltimore, and County Commissioners of the several counties shall provide for payment of the expenses of such publication."

CHAPTER 148.

Section 1. *Be it enacted by the General Assembly of Maryland*, That the lien held by the State of Maryland on the property of the Kent County Railroad Company, to secure the payment of six per centum interest out of the profits of the work, on the shares of the capital stock of said Company held by the State, shall not be construed to give a preference to the said State over the bond holders of the said Company, and the said lien is hereby expressly waived, postponed and deferred in favor of the holders of bonds of the said Company, which may be issued for the construction and equipment of the said Railroad, to an amount not exceeding in the whole, three hundred thousand dollars.

Section 2. *And be it enacted*, That the said Company shall have full power to issue its bonds, or other securities, or the pledge of its property, estate and franchise, bearing interest at a rate not exceeding six per centum per annum, redeemable at any time within twenty years, and not exceeding in amount the sum of three hundred thousand dollars, and dispose of the same for the objects aforesaid, and no bond of the said Company, issued in good faith for the construction, completion, or equipment of the said Railroad, shall be annulled or abated, because the same may be disposed of by the said Company at less than its par value.

Section 3. *And be it enacted*, That in the election of Directors on the part of the private Stockholders in Kent County Railroad Company, and in all other Railroad Companies on the Eastern Shore of Maryland, the stock of the State shall not be voted, nor shall the same be counted in ascertaining the presence of a quorum necessary for such election.

Sec. 4 *And be it enacted*, That this act shall take effect from the date of its passage.

CHAPTER 158.

Baker, of said county, to be held in trust for the Methodist Episcopal Church on Kent Circuit, for the purpose of holding camp-meetings or other meetings on the same, Sunday School festivals, and so forth."

By order of the Commissioners for Kent Co.

JOHN RUSSELL, Clerk.

Feb. 27, 1866.

By the County Commissioners of Kent county, Maryland, Ordered, that James Lamb, late Collector of said County, after thirty days previous notice, at the Court House door, and at the most public places in said county, and also in the Kent News and Chestertown Transcript, (newspapers published in said county,) proceed to sell to the highest bidder, the foregoing tracts of land, or lot or lots of ground, or such parts thereof as may be sufficient to discharge the taxes and legal charges thereon due, and the same, when sold, to transfer by deed or bargain and sale to the purchaser thereof. SOLUBLE PACIFIC GUANO.

200 LBS. SOLUBLE PACIFIC GUANO contains 70 lbs. *animal matter*, yielding 7 to 8 lbs. *ammonia*.

Also 80 to 90 lbs. *earthy bone Phosphate of Lime*, 30 lbs. of which are *soluble Phosphate*.

It combines all the advantages of the *best brands* of Super Phosphate, with those of Peruvian Guano.

By reason of its greater *concentration*, we recommend 20 per ct. less by weight to be used per acre, than of any fertilizer costing the same per ton; and no more per acre than of those selling at 20 per ct. more per ton. Hence its *economy*.

This Guano weighs 65 lbs. per bushel, hence in applying it farmers must be governed by weight and not by bulk, for it is much lighter than the Super Phosphates. *Every cargo duly inspected.*

"FLOUR OF BONE."

WE will give a *money* guarantee of the *purity* of this article. It is pure *unsteamed, unburnt bone*, reduced to the *fineness of flour*, which adds 100 per cent. to its value. It is as *quick* and *active*, as acid *dissolved bone*, hence its value is vastly greater, because it contains neither acid nor water, which necessarily add weight, and reduce the quantity of valuable elements. We recommend 250 lbs. to be used in place of 300 lbs. Super Phosphate or dissolved bone.
