The Kent News.

CHESTERTOWN:

SATURDAY MORNING, MAY 26, 1866.

THE NEWS.

The President and the various members of the Cabinet were serenaded at Washington on Wednesday night, by the National Union Club, attended by a very large concourse of citizens, numbering several thousand. In response to the compliment, the President returned thanks for the "approbation of his conduct," &c. Speeches were made by Secretaries Stanton, McCulloch, Welles, and by his son Frederick for Mr. Seward, who was absent, and by Postmaster General Dennison, all endorsing the reconstruction policy of the President. Attorney-General Speed and Secretary Harlan declined to speak, but the latter wrote a letter taking sides with Congress. Mr. Speed, it is believed, is the same way. The most remarkable thing brought out on the occasion was the fact that Secretary Stanton, in the common parlance of the day, "has gone over to the Rebels," as is now flippantly said of every Union man who endorses the President.

Senator Wright, of New Jersey, died on Tuesday. His death leaves New Jersey without a representative in the United States Senate. Gov. Ward (Republican) has the power of appointing his successor.

A large and enthusiastic meeting of the supporters of the policy of President Johnson was held at Westminster, in Carroll county, on Saturday last. Speeches were made by Hon. Montgomery Blair, Senator Hendricks, of Indiana, General Rousseau, member of Congress from Kentucky, and Capt. Frank Gallagher, of Baltimore.—Resolutions were adopted fully endorsing the restoration policy of President Johnson, and opposition to negro suffrage and negro equality, and inviting the people, "without regard to other political opinions or to former party associations," to unite with them in maintaining the principles set forth in the resolutions.

Secretary Seward delivered a lengthy speech on national affairs on Tuesday night at Auburn, New York. He advocated the President's policy, and remarked that it was not restoration, but conciliation, that was now needed, for "between the federal government and these restored and reorganized State governments there exists now," said he, "a more complete and practical harmony than has ever before prevailed between the Union and so many of its members since it was first established. The national life lately hung on the issue of victory won in war. It now hangs on the issue of reconciliation in peace."

A financial panic is prevailing in England, and a large number of merchants and bankers have failed. A similar state of affairs may shortly be expected in this country, only on a more extended scale, if Congress persists in its non-restoration and destructive policy.

A very disastrous fire occurred in New York on Monday night. It commenced in the Academy of Music, on Irving Place, which was entirely destroyed, and the flames spread to the Medical University and adjoining buildings, destroying the entire square. Two churches were burnt, and several lives lost. The entire loss is estimated at over one million of dollars.

CAMP MEETING.—No official action has yet been taken in relation to a camp meeting on Kent M. E. Circuit, but as there seems to be a general desire for such a meeting, one will probably be held about the last of July. The next quarterly meeting, to be held on the 10th of June, will no doubt definitely fix the time. The success attending the camp meeting last year and the excellent order which prevailed, should encourage the continuance of these time-honored Methodist demonstrations, through which instrumentality so much good has been accomplished in the past.

FIRE.—The dwelling of Mr. James L. Davis, on his farm near Chesterville, was destroyed by fire on Monday afternoon last. The fire is said to have originated from sparks from the kitchen chimney.—Most of the furniture on the lower floor was saved. Mr. Davis was absent at the time, engaged in his labors as one of the county assessors. We learn that there was no insurance on the property, and the loss is supposed to be about $1,500.

RAILROAD MEETING.

A meeting was held at Millington on Saturday, the 19th inst., of those favorable to a Railroad from Millington, through Massey's Cross Roads, or near it, to the nearest or most desirable point on the Delaware Road. Dr. T. H. Crane was called to the Chair, and S. H. Knock made Secretary.

After some very appropriate remarks by B. T. Biggs, Esq., a subscription list was opened, and near Thirty Thousand Dollars of stock taken.

After the appointment of committees for several purposes the meeting adjourned, subject to the call of the Chairman.

The above Road is proposed as an extension of the Queen Anne's County Road from Millington.

An interesting communication on "Rail Roads in the Counties on the Eastern Shore," is in type, but its publication is necessarily deferred till next week.

LARGE SALE OF REAL ESTATE.

Our advertising columns this morning contain the largest offer of valuable real estate probably ever made at one time in this county, embracing the well-known lands of the late Edward Comegys, by Richard Hynson, Esq., his Executor, and other valuable tracts, by the same gentleman as Attorney for the owners—amounting altogether to about four thousand acres—to be sold at the "Voshell House," in Chestertown, on Tuesday and Wednesday, the 19th and 20th days of June next.—Some of these lands are among the most productive in the county, and none of them are of inferior quality. Seven of the nine farms offered lie directly on navigable water, and the other two are in close proximity to it. Parties desiring to purchase real estate will probably never have a better opportunity for profitable investment than that now offered.

A "HOG TICKET."--We understand that at the election for Town Commissioners on Monday next, it is contemplated by some of our citizens to run a "hog ticket"—that is, a ticket composed of gentlemen favorable to keeping hogs and hog pens in town during the summer months. We cannot but regard this as a very unwise and dangerous step, particularly for the approaching summer, when it is highly important that the town be kept in as cleanly a condition as possible. It is argued by some, however, that no danger need be apprehended, as the pens will be required to be kept clean, and if they are not the owners will be fined. But, should some of them be neglected, as no doubt they would be, will the fine imposed compensate for the risk of engendering disease that might result fatally to many of our citizens? We hope the advocates of this movement will ponder the matter and conclude to abandon it, at least for the present year, so that if we should be visited with the terrible scourge, which is apprehended, we may not have to reproach ourselves, as a community, with having done anything to invite its appearance in our midst.

This Estate is most beautifully situated on Chester River, adjoining the celebrated Peach Farms of Col. Edward Wilkins and Robert S. Emory, Esq. This Farm viewed in reference to the advantages and beauty of its location, the enterprise and thrift of its neighborhood, and its natural fertility of soil, becomes one of the most attractive and desirable Estates in the County.

It lies within three miles of the County Town by the road, and less than half that distance by the River, and is convenient to Churches, Schools, Mills, Steamboat Landings, &c.

It contains

It has been laid off and plotted into two divisions, as will be shown at the time of sale. Each division will be first offered, and then the Farm as a whole. Each division lies immediately on the River. The UPPER one has the improvements mentioned, and an

EXECUTOR'S SALE OF VALUABLE REAL ESTATE

In Kent County, Maryland.

THE UNDERSIGNED, AS EXECUTOR of EDWARD COMEGYS, on

Wednesday,

The TWENTIETH of JUNE, 1866,

at the "VOSHELL HOUSE," in CHESTERTOWN, Maryland, at 11 o'clock, A. M., will offer at PUBLIC SALE the following LANDS of his said Testator, generally known as "THE FAIRLEE FARM," "THE CARVILLE FARM," "THE FREEMAN FARM," "THE STEWARD FARM," "THE COMEGYS HOME FARM," and "THE CURRY FARM." All of these Lands lie in Kent County, Maryland, and taken in the aggregate, for growing Grain, Fruits and Grasses, are not excelled by any in this locality, and several of them will compare favorably with any in the State.

THE FAIRLEE FARM,

CONTAINS

841 ACRES,

of which about six hundred and ninety are arable; the residue is in

WOOD & TIMBER,

among which there is a large quantity of fine CEDAR and LOCUST.

It lies directly on the Chesapeake Bay and Fairlee Creek, and has a most magnificent water view.

The Improvements

are a TWO-STORY BRICK DWELLING with a Kitchen attached; a large BRICK STABLE, and all other Out-Buildings necessary to the purposes of the Farm. Also,

A FINE APPLE ORCHARD.

This Farm has justly had for many years the reputation of being one of the finest and most productive estates in this County. It will admit of an advantageous division into

Three Farms,

and will be so divided and plotted. It is supposed that the North and South West division will each contain TWO HUNDRED AND SIXTY ACRES, which will give to the South East division THREE HUNDRED AND TWENTY-ONE ACRES, with all the Improvements.

Each division will have an ample supply of Wood and Timber, and the North division an inexhaustible deposit of Oyster Shells and rich mold.

The Carville Farm,

CONTAINS

628 ACRES,

of which about Five Hundred and Eight Acres are arable, and the balance in

WOOD AND TIMBER.

This Farm lies on Fairlee Creek, and also has a fine view of the Chesapeake Bay.

The Improvements

ARE A TWO-STORY

BRICK DWELLING,

with a KITCHEN attached, and all the necessary OUT-BUILDINGS.

A Fine Apple Orchard,

and a good variety of PEARS.

It has been classed among the first estates of this locality. It has been divided into TWO FARMS, and this division gives to the Upper Farm, which lies on the public road,

About 300 ACRES,

and to the Lower one, on Fairlee Creek,

About 328 ACRES

with all the Improvements. Each division has an ample supply of Wood and Timber.

The Freeman Farm,

CONTAINS

465 ACRES;

Four hundred and thirty Acres at least being arable, and the residue in

WOOD AND TIMBER.

It lies on the public road leading from the Trappe to Rock Hall, and about six miles from Chestertown. The soil is esteemed to be equal to any in the county.

THE IMPROVEMENTS,

ARE A

FRAME DWELLING,

with a KITCHEN attached, and suitable OUT-BUILDINGS. Also, an APPLE and PEACH ORCHARD.

It is decidedly a fine estate.

THE STEWARD FARM

CONTAINS

342 ACRES;

about Three Hundred are arable, and the residue in

WOOD & TIMBER.

This Farm lies directly on the North East Branch of Langford's Bay, in Quaker Neck.

The Improvements

are a TWO-STORY BRICK DWELLING, with a Kitchen attached. The usual OUT-BUILDINGS, and an APPLE ORCHARD.

Than this there is no more productive Farm in the Neck, and few in the County.

The Comegys HOME FARM,

AS NOW LAID OFF

CONTAINS 456½ ACRES;

of which Three Hundred and Eighty-six Acres are arable. The balance is in

WOOD AND TIMBER.

It lies on Chester River, near the head of Comegy's Bite, and has one of the finest water views on the River.

THE IMPROVEMENTS

ARE A LARGE

TWO-STORY BRICK DWELLING,

with a KITCHEN attached and the necessary OUT-BUILDINGS.

THE CURRY FARM,

CONTAINS

270½ ACRES;

of which about Two Hundred and Thirty Acres are arable, the residue in

WOOD AND TIMBER.

It also lies on Chester River, and adjoins the Home Farm on the East.

THE IMPROVEMENTS

ARE A

Brick Dwelling,

with a KITCHEN attached, and the ordinary OUT-BUILDINGS.

Each of these Farms, save the Freeman Estate, have all the advantages, conveniences and luxuries of our most highly favored water situations. WILD DUCKS, TERRAPINS, OYSTERS, FISH and CRABS, in due season, are always at hand. Fairlee Bar on the Bay, and Comegy's Point, on Chester River, are preeminently distinguished for their fine duck shooting.

To those seeking wealth in agricultural pursuits, it matters not whether in the culture of Grain, or in that of Peaches and other Fruits, as well as to the lover of good living and fine sport; these Farms present rare inducements to purchasers. They lie in FINE NEIGHBORHOODS and HEALTHY LOCALITIES; are convenient to places of public worship, schools, mills, and Steamboat Landings, and all are under good and substantial fences.

Each Farm has one or more

Good Landings

upon it, save the Freeman, and that lies within two miles of a public Landing on the North West Branch of Langford's Bay; and the farthest is not more than ten miles from Chestertown.

A more full and particular description of this estate is not deemed essential, as persons desiring to purchase are requested to examine each Farm before the sale. On Fairlee, they will find Mr. GEO. B. FORD; on the Carville Farm, Mr. THOS L. BOWERS, of William; on the Freeman Farm, Mr. JOHN M. HUDSON; on the Steward Farm, Mr. JOS. B. TREW; on the Home Farm, Mr. O. P. JONES; and on the Curry Farm, Mr. JESSE JEROME. Each of these gentlemen will take pleasure in showing his land to those who may wish to view them.

Plots of the several Farms for sale will be exhibited at the time of the sale.

Terms of Sale.

These Terms of sale are proposed, subject however, to any reasonable modification that may be found desirable to effect judicious sales, to wit: Five per cent. cash, and the residue as follows: one-half of the purchase money to be paid in equal instalments of six, twelve, eighteen and twenty-four months from the day of sale, and the residue in three equal annual instalments, dating from the maturity of the last mentioned instalment of twenty-four months; the whole to bear interest from the day of sale, to be secured by bond with approved security. The interest on the last moiety of the purchase money to be paid with the instalments of the first moiety, and after that with annual payments of the last moiety.

RICHARD HYNSON.
Executor.
