SECTION 1. Be it enacted by the General Assembly of Maryland, That James A. Hooper, Isaac Deford, Jas. H. Gary, George J. Appold and A. F. Crane, their associates, successors and assigns be and they are hereby created and made a body corporate by the name and style of the "Baltimore and Southern Steam Transportation Company," and by that name shall have perpetual succession and shall be capable in law to hold and dispose of property, to sue and be issued, to plead and be impleaded, answer and defend, and be answered and defended in any court of law or equity, and in any other place whatsoever, to receive and make deeds and contracts, to make, have and use a common seal, and the same to change, alter or renew at pleasure; to ordain and establish such by-laws, ordinances, and regulations as may appear necessary for regulating the concerns of said corporation, not being contrary to this act; to purchase, own, possess, freight, hire, charter, and build vessels, and the same to sell and dispose of and to purchase and dispose of cargoes for the same, and to charge and receive commission, pay or hire on all merchandise or other things owned by others and freighted in such vessels, and for passenger conveyed therein, and generally to do all such acts and things as shall be proper and necessary for the purpose of conducting a line or lines of packets or vessels by steam or otherwise for the transportation of merchandise and other things and for the conveyance of passengers between the cities of Baltimore, Maryland, and Newbern, North Carolina, or elsewhere, and also to engage in any lawful business calculated to give employment to the said packets or vessels.

Sec. 2. And be it enacted, That the capital stock of said corporation shall be one hundred thousand dollars, divided into one thousand shares of one hundred dollars each, ten dollars shall be paid on each share at the time of subscribing and the remainder instalments as the Board of Directors may require, and privilege is hereby given to the said company to increase its capital stock to three hundred thousand dollars, by new subscriptions, or by adding to the said capital semi-annually a portion of its net profits not otherwise appropriated, whenever it shall be so determined by the Board of Directors.

Sec. 3. And be it enacted, That the persons named in the first section of this act, or a majority of them, be and they are hereby appointed commissioners to receive subscriptions to the capital stock of said company, and they or a majority of them, may cause books to be opened at such time and place in Baltimore or elsewhere as they may direct, for the purpose of receiving such subscriptions, and may keep the same open until the whole number of shares shall have been taken or subscribed for; it shall be lawful for said company to proceed and act in all things according to this charter when two hundred and forty shares are subscribed for.

Sec. 4. And be it enacted, That if any subscriber or his assigns shall refuse or neglect to pay the instalment before mentioned, or any part thereof for the space of ten days next after the same shall become due and payable, the stock on which the same is demanded shall not be forfeited to the said company, but the original subscriber shall and may be held liable for the full amount due on such stock.

Sec. 5. And be it enacted, That the persons named in the first section of this Act shall be directors of said corporation, and shall have full power to act as such for the term of twelve months from and after the organization of said company, which organization shall take place as soon as two hundred and forty shares shall have been subscribed for as aforesaid, and on the expiration of such twelve months, on such day as the said Directors shall name, the stockholders of said company shall shall choose by ballot five members of said corporation to be Directors, to manage the affairs thereof for twelve months, and until successors be chosen; and on the same day in each succeeding year shall the like election be made, and in all general meetings of said company and election of Directors, every stockholder shall be entitled to give in person or by proxy, one vote for every share of the capital stock standing in his or her name, on the books of said corporation; and at their first meeting after said election, said Directors shall choose a President, and should it at any time happen that an election of Directors shall not be made upon the day when pursuant to this Act it ought to have been made, the said corporation shall not for that reason be deemed to be dissolved, but it shall be lawful on any other day within ten days thereafter, to hold and make an election of Directors, in such manner as shall have been regulated by the by-laws and ordinances of said corporation, and in case of death, resignation or disqualification of Director, the place of such Director, for the remainder of the year, shall be filled up by the Board of Directors for the time being.

Sec. 6. And be it enacted, That the President and Directors for the time being, or a majority of them, shall have power to appoint all such officers, clerks, agents, mechanics, engineers and servants as they may deem necessary to conduct or execute the business of said corporation, and fix their compensation, and in their discretion to dismiss them; to contract, agree for and purchase, rent or hire all such vessels, lands, chattels, fixtures, materials, rights, privileges and effects whatsoever, and to make, own, use, have, and repair all such wharves, boats, vessels, carriages and other conveniences as may be necessary for effecting the objects of said corporation; to prescribe the form of certificates to be issued to stockholders, and to regulate the mode of transferring their capital stock; to apply the funds of said corporation, so far as may be necessary, to effect the objects aforesaid, and in payment of the necessary expenses of the company; to call general meetings of the stockholders, and generally to pass such by-laws as may be necessary for the exercise of the aforesaid powers vested in the said corporation, and the same by-laws, from time to time to alter and repeal such by-laws, being subject to the approval of a majority of the stockholders.

Sec. 7. And be it enacted, That the President and Directors shall, from time to time, declare and pay to the stockholders dividends of so much of the profits realized by the company as they shall deem expedient, after reserving such sum as they shall decide to be reasonable to meet the expenses of repairs, or the purchase of any articles necessary for the use of said company, semi-annually; and also at the paying of each dividend of profits, a general statement of the affairs of the company shall be prepared by the Directors, and kept open for the inspection of the stockholders or any of them, for the space of ten days after the same shall have been presented to them.

Sec. 8. And be it enacted, That this act of incorporation shall continue and be in force for the term of twenty-five years; *provided*, always, that the General Assembly reserves to itself the power of altering, amending or repealing the same, and all the provisions thereof, at any time hereafter.

Sec. 9. And be it enacted, That this corporation shall not be permitted to issue any note, token, device, or other evidence of debt, to be used as currency.

Sec. 10. And be it enacted, That this act of incorporation shall be subject to the provisions and restrictions of any general law that may be passed in this State for the incorporation of steamboat companies.

Sec. 11. And be it enacted, That this act shall take effect from and after its passage.

CHAPTER 2.

An act to authorize Grayson Eichelberger, State Bounty Commissioner of Frederick county, to pay Dennis H. Maynard certain bounties.

Whereas, by Acts of the General Assembly of Maryland of eighteen hundred and sixty-five, chapter thirty-three, section two, and chapter one hundred and six, section two, and chapter one hundred and six, section two, certain bounties were given to volunteers therein mentioned, payable to them or their authorised agents or attorneys; and whereas, it is represented to this General Assembly that the following named twenty men, viz: Tascar Newman, George Bowers, Thomas Powers, John Braxton, James Thomas, Robert Turner, Thos. Turner, Wm. Miner, Nelson Parker, Thomas Braxton, Henry Jones, Richard Washington, Wm. Watson, James Barton, Thos. Loomis, Samuel Smith, Louis Colb, Garret Ball, Wm. Eck and Robert Lee, volunteers in the United States Navy, duly credited to Jonsville District of Frederick county, made an assignment or transfer "of all their right and interest" to the State bounty to which they were entitled, under said acts, to Dennis H. Maynard, of Frederick county, who had advanced the said State bounty for each and all of them; and whereas, the said Eichelberger objects to paying said bounties to said Maynard by reason of informality of said transfer, under said sections of the acts above referred to; Therefore,

Section 1. Be it enacted by the General Assembly of Maryland, That Grayson Eichelberger, State bounty Commissioner, of Frederick county, be and he is hereby authorised and directed to pay Dennis H. Maynard, upon the aforesaid transfer or assignment, now in his possession, the bounties which accrued to the parties named above for their enlistment under the acts above named.

Section 2. And be it enacted, That this act shall take effect from the date of its passage.

CHAPTER 171.

An Act supplementary to an Act entitled, an Act to incorporate the Baltimore and Cuba Smelting and Mining Company, passed at December session eighteen hundred and forty-four.

Section 1. Be it enacted by the General Assembly of Maryland, That after the first day of June, in the year eighteen hundred and sixty-six, the affairs of the said Baltimore and Cuba Smelting and Mining Company, incorporated under and by virtue of the act of eighteen hundred and forty four, chapter two hundred and thirty-one, of the laws of this State, shall be managed, and all its powers be exercised, by eleven directors, which said directors shall be chosen by the stockholders, and the said directors shall elect a president of said company from among themselves, and shall also appoint a vice president, and shall allow the said president and vice president such compensation for their services as they may deem proper, and the said president, vice president, and directors shall hold office for one year from their said election; and if any vacancy shall occur by death, resignation or refusal to act of any president, vice president or director, before the year for which he was elected has expired, a person to fill such vacant place for the residue of the year, may be appointed by the president and directors of said company, or a majority of them, and that the president, vice president and directors of the company, shall hold and exercise their offices until a new election of president and directors; and shall have power to pass all by-laws which they may deem necessary or proper for exercising all the powers vested in the said company, and no omission to elect directors or president on a particular day or at a particular time shall operate as a dissolution of the said corporation.

Sec. 2. And be it enacted, That the president and directors of the said Baltimore and China Smelting and Mining Company, be and they are hereby authorized to increase from time to time the capital stock of the said corporation by such number of shares, not exceeding one million and a half of dollars, as may be deemed sufficient and proper for the business of the said corporation, and may receive subscriptions to and payment for the said stock, and may issue the same in such manner as the said president and directors may prescribe.

Sec. 3. And be it enacted, That this act shall take effect from its passage; and the General Assembly reserves to itself the right to alter, amend or repeal this acs at pleasure.

☞ Read the following certificate of one of the best chemists of this country:

CHEMICAL LABARATORY,
No. 108 Arch Street,
PHILADELPHIA, April 10th, 1866.

During the last five years I have been in frequent consultation with Mr. George M. Woodward, manufacturer of Messrs. BERGER & BUTZ'S artificial manures, in regard to the preparation of their Super Phosphate of Lime, etc. The materials used in these Fertilizers, are in all cases subjected to my examination and analysis before purchase. Being fully acquainted with their formula and methods of manufacture, I can assure those interested in the purchase and sale of Fertilizers, that their "EXCELSIOR" and "AMMONIATED" Super Phosphate of Lime are of such a character as must render them of great value to the farmer, and place them amongst the BEST FERTILIZERS now in the market. SOLUBLE PACIFIC GUANO.

200 LBS. SOLUBLE PACIFIC GUANO contains 70 lbs. *animal matter*, yielding 7 to 8 lbs. *ammonia*. Also 80 to 90 lbs. *earthy bone Phosphate of Lime*, 30 lbs. of which are *soluble Phosphate*.

It combines all the advantages of the *best brands* of Super Phosphate, with those of Peruvian Guano.

By reason of its greater *concentration*, we recommend 20 per ct. less by weight to be used per acre, than of any fertilizer costing the same per ton; and no more per acre than of those selling at 20 per ct. more per ton. Hence its *economy*.

This Guano weighs 65 lbs. per bushel, hence in applying it farmers must be governed by weight and not by bulk, for it is much lighter than the Super Phosphates. *Every cargo duly inspected.*

GENERAL AGENTS FOR THE SOUTH,

"FLOUR OF BONE."

WE will give a *money* guarantee of the *purity* of this article. It is pure *unsteamed, unburnt bone*, reduced to the *fineness of flour*, which adds 100 per cent. to its value. It is as *quick* and *active*, as acid *dissolved bone*, hence its value is vastly greater, because it contains neither acid nor water, which necessarily add weight, and reduce the quantity of valuable elements. We recommend 250 lbs. to be used in place of 300 lbs. Super Phosphate or dissolved bone.
