GOV. ORR, OF SOUTH CAROLINA, AND THE NATIONAL CONVENTION.

Governor Orr has issued an address to the people of South Carolina, in which he heartily approves of the objects of the Philadelphia Union National Convention, and urges upon them the duty of immediately electing delegates to the National Convention. The Governor, in urging upon the people the propriety of being represented in the convention, remarks:

We are invited to join in an acknowledgment of the wisdom of that policy by which Andrew Johnson, President of the United States, has, in the midst of difficulties unparalleled in the history of any administration, maintained the integrity of the Constitution, identified the exercise of executive power with the rules of strict justice and the spirit of mercy, and proved his legitimate right to succeed the great founders of the republic as the chief magistrate of a common country, which can be made and preserved as one nation only by the equal administration of just and equal laws.

The purpose of the convention will be to organize, upon the principles set forth in the committee's address, all conservative men of all sections and of all former parties—and, if possible, drive from power that radical party who are daily trampling under foot the constitution, and fast converting a constitutional republic into a consolidated despotism.

The great mass of the people, North and West, have no higher interest in party than through it to secure the wise, enlightened and just government of the country; and when organization is effected and the President's enlightened policy of reconstruction is presented for their approval or condemnation, there can be little doubt that he will be triumphantly sustained, and our rights as equals in a restored Union fully conceded.

The compact organization of the conservative men is a necessity to meet successfully the well organized band of the radicals, and every man who disapproves of the tyranical and unjust policy of the latter, should join in this national patriotic league to defeat them.

We are without representation in both houses of Congress; neither our opinions or condition can be officially known to the country; unjust and discriminating taxes are imposed on us, a people sadly impoverished by the calamities of the last five years, and we are allowed no voice of protest even in the councils of the nation.—Our loyalty to the government of the United States is impugned in the face of our oaths of allegiance, taken solemnly and in good faith, and the poor privilege of an official denial is withheld. We are threatened with disfranchisement, and being remanded to a territorial condition, and we are to be denied all the rights and privileges dear to an American, consecrated by the blood of the heroes of 1776, until we subscribe to terms too degrading and humiliating to be entertained by a freeman for a single moment.

THE POSTAL MONEY-ORDER SYSTEM.—The new law of Congress in relation to the money order system was put in force last week, and all the offices are now operating under its provisions. The working of the system is changed in several respects, and orders of $50 and under are now sold, while under the old system the maximum was $30. The fees for money orders have also been changed, orders frrm $1 to $20 being now issued at ten cents, and over $20 to $50, inclusive, at twenty-five cents. Under the old law, when it was necessary for a duplicate to be insued, an affidavit with stamp was first required, for which the party had to pay, as also a fee for the new certificate. Under the new law, postmasters can administer oaths free of charge, and the certificate is also furnished without cost—the only expense to the party being the five-cent revenue stamp. Besides these changes quite a number of other objectionable features have been removed. It is stated that on the 2d of August three hundred additional money-order offices, mostly in the South and West, will be put in operation. The system is daily increasing in popularity.

A MINIATURE SHIP GONE TO SEA.—The miniature piece of naval architecture, the Red, White and Blue, a full-rigged ship, started from New York on Monday, under command of Captain Hudson and a crew of ten men. She was accompanied down the bay by a steamboat, on board of which were a number of persons anxious to see the gallant little craft out to sea and bid her noble captain farewell. The vessel is about the size of a yawl boat, and her ropes are no thicker than a clothes line. The masts and spars look to be about as round as a hoe handle. She sailed for London, but whether she ever reaches that port time alone can determine.—*N. Y. News.*

MAJOR GENERAL HOOKER has been relieved of his command in New York in consequence of a severe attack of paralysis. He is to be granted a long leave of abscence. General Pope is to succeed Gen. Hooker. There is also to be a change in the Middle Department, Gen. Hooker is to take command at the West in place of Pope, and Gen. Schofield is appointed to succeed Hancock.

MARYLAND AND DELAWARE RAILROAD.—On Monday, the 9th of July, the trains commence running on the Maryland and Delaware railroad from Halltown, (Maryland and Delaware State line.) The superintendent hopes to reach Greensborough by 1st August, the material for laying the track having been purchased.—*East. Star.*

THE FIREWORKS NUISANCE.—The suggestion that we celebrate the Fourth of July in future in all our large cities and towns without pyrotechnics is received with general favor by the journals almost everywhere.

NOMINATION CONFIRMED.—The nomination by the President of Mr. Thomas King Carroll for Assessor 1st District of Maryland, was confirmed by the United States Senate, in secret session, on Saturday.

State Convention.

IN accordance with a resolution passed by the Unconditional Union State Central Committee, on the 29th of May last, the voters of the State who sustain the restoration policy of President Johnson are requested to send Delegates from the several counties and the city of Baltimore to a State Convention, which will assemble in the said city on the 25th day of July instant, for the purpose of nominating a candidate for Comptroller of the Treasury; and the said city and county meetings are also requested to appoint delegates to nominate candidates for Congress, at such time and place as said delegates shall agree upon.

W. H. PURNELL, Ch'n.
J. V. L. FINDLAY, Secretary.

☞ In pursuance of the above call of the State Central Committee of the Union party, all voters of Kent County who sustain the restoration policy of President Johnson, and are opposed to negro suffrage and negro equality, are requested to meet at the Court House in Chestertown on WEDNESDAY, the 18th July, 1866, at 11 o'clock, A. M., for the purpose of appointing a committee of three persons, to attend a State Convention to be held in the city of Baltimore on the 25th July, 1866, to nominate a candidate for Comptroller of the Treasury, and to authorize said committee to meet in a Convention of the Eastern Shore, or First Congressional District, to nominate a candidate for said District.

S. W. SPENCER,
ALEX. WILSON,
of State Central Com. Union Party Md.

Kent County, July 7, 1866.

TO THE UNCONDITIONAL Union Voters of Kent County.

AT a meeting of the State Central Committee of the Unconditional Union Party of Maryland, held in the city of Baltimore on the 29th day of May, the following resolutions were adopted:

"*Resolved by the State Central Committee of the Unconditional Union Party*, That this Committee refuse to recognize the call by a minority of the Executive Committee for a State Convention on the 6th of June, the same being made without the consent and approval of the Committee and contrary to the usages of the Union party.

"*Resolved*, That the Chairman of the State Central Committee be and he is hereby authorized to call a Convention of the Unconditional Union men of Maryland to meet in this city on the fourth Wednesday of July, for the purpose of nominating a Comptroller, and organizing the voters of the State upon the basis of the restoration policy of President Johnson.

"*Resolved*, That this Committee fully endorse the sentiments expressed in the recently published letter of Governor Swann.

"*Resolved*, That the Unconditional Union men of the State are requested to meet in their respective counties and in the city of Baltimore, by convention, on the third Wednesday of July, to appoint delegates to meet in State Convention to be held in the city of Baltimore on the fourth Wednesday of July, for the purpose of nominating a candidate for Comptroller, and also to appoint delegates to meet in their respective Congressional Districts to nominate candidates to represent them in Congress."

In pursuance with the above last resolution, the Unconditional Union voters of Kent county, will meet in Convention at Chestertown, on

WEDNESDAY, the 18th instant,

at 3 o'clock, P. M., for the purpose of appointing three Delegates to the State Convention to be held in the city of Baltimore on Wednesday, the 25th inst., for the purpose of nominating a candidate for Comptroller; and also to appoint delegates to a Convention to be held for the purpose of nominating a Candidate for Congress for the First Congressional District of this State.
