CHOLERA AT ST. MICHAEL'S, MARYLAND.—This disease made its appearance amongst us this week. There have been as yet but two cases in the town. The first was Robert Harrison, attacked on Tuesday midnight, and died on Wednesday morning. The second that of Mr. Foster, taken Wednesday night; at last accounts his life was despaired of. In the country there have been three cases. Mr. John Valliant, of Tilghman's Island, died on Wednesday morning, after only a few hours' illness. Alex. Joshua, a colored man, living near town, died on Thursday night. A man named Wm. Thomas, of Bay Hundred, was attacked while on his way from Baltimore, but is reported as improving. In each of these cases the disease appears to have been brought on by imprudence in diet. It will also be seen that it is not confined to the town, but prevails as extensively in the country.—Since writing the above we have been informed that the wife of Mr. Valliant, mentioned above, also died of cholera.—*St. Michael's Comet, 6th inst.*

RAISING A DUST.—The Radicals, full of resources, have adopted another device to throw dust in the eyes of the people.—Afraid to meet the Conservatives on the real issues involved in the present campaign, and trying with all their might to dodge the vital issue of negro suffrage, they persistently look one way and row another. The latest effort is to get up a panic on the subject of paying for the slaves freed in the State. Where they get the idea from, it is difficult to tell. Certainly we have heard nothing upon the subject except from their own orators. Of course they are posted on the intentions of the Conservatives. They ought to be; for only thus can they excuse their wonderful ignorance upon the subject of their own programme. We repeat, the only agitation we have heard upon the subject of paying for slaves, has been by our negro suffrage Senator, who every little while, in the Senate, throws a plum or two of that kind to his pets to keep them in a good humor. Conservatives nowhere urge any such claims. The Senator, however, is more considerate, and seems ever and anon to be touched by a twinge of conscience lest the faith of the government to pay for the slaves of loyal or radical owners be broken. Conservatives, it is true, can see no reason why Mr. Creswell's pets should be favored above all others, and now, when the line of "loyalty" has been contracted, so as to exclude everybody who is not a radical *per se*, would be very apt to oppose any such partial legislation. —*Cecil Democrat.*

SOUTHERN CROP PROSPECTS.—The accounts that reach us by the Southern mail are a little more favorable for the cotton crop in Louisiana and Alabama, but in Mississippi things appear to be getting no better. The Carroll (Miss.) Record, of 30th, says:

"We have no crops. Some few weeks ago we had a fair prospect, but the worms have eaten up the leaves, forms and bolls, and have now commenced on the stalks. In another week, if they continue as they have been doing, they will devour the crop root and branch, and it will be difficult for one to tell that such a thing as cotton was ever planted in the fields, which, three weeks ago, were blooming with the great staple."

MR. LINCOLN AND HIS COMPOSITIONS.—One of Mr. Lincoln's secretaries, in his "White House Sketches," tells of a personal peculiarity in him we have not seen mentioned. His writing was done when alone, and was rarely corrected, either by himself or others. He composed slowly, and when done, was accustomed to read his manuscript over aloud, "to see how it sounded, as he could hardly judge of a thing by merely reading it."

THE PROFITS OF A RACE HORSE.—By an account filed in the Probate Court at Chicago, in connection with the settlement of the estate of Trussell, the owner of half of the famous race horse Dexter, it appears that from June 15th, 1866, to the date of the account, less than four months, the horse earned for his owners $22,777 53, whilst his expenses were $6,783 10, the net profits being $15,994 43

SHOULD UNDERSTAND that Taxes are due on the FIRST OF JULY, and not, as many seem to think, on the 1st of January. I desire to collect all the taxes in my District *before the first of January next*, so that I may be prepared to pay promptly all levies when demanded. It cannot be expected that I should wait with tax-payers until the first of January, as at that time all levies upon me are due.

This notice is deemed sufficient to show the necessity of prompt payment, and parties need not flatter themselves with long indulgence, as I am determined to collect the taxes within a reasonable time, and will resort to the law in every case where it may be necessary.

For the convenience of tax-payers, I will be (until further notice,) at CHESTERVILLE every Saturday, from 9 o'clock, A. M., to 12 M., and in MILLINGTON on the same days, from 1 to 6, P. M.; at home and GALENA the balance of the week.

DR. CONDIE'S

ANTI-CHILL PILLS!

A SPECIFIC

For the Cure of Intermittent Fever!

A Sovereign Remedy for DYSPEPSIA, Anæmia, Debility, and exhausted vital forces.

The Remedy here offered is found to counteract and destroy the deleterious effects of Malaria, to enrich the blood, increase the circulation and to build up the exhausted and emaciated system. It is not a secret nostrum. The formula is published with each parcel to relieve the odium attached to proprietary preparations. It is understood by Physicians, and will merit your praise if necessity requires you to give it a trial.

DEAR SIR:—My daughter suffered from Chills for a long time and the various so-called remedies gave no relief. Having procured some of your Anti-Chill Pills, I gave eight of them, and since then she has had no symptoms of the disease. She is hearty, cheerful, and in vigorous health, unlike the torpid, feeble creature she was while a prey to the fever. It gives me pleasure to put my name to the record, though unsolicited. Your obedient servant,

WM. WIGHTMAN,

1213 Howard St.

Dear Sir:—I have used your Ague and Fever Medicines in several cases, and can truly say, that in those cases it acted like a charm.

Respectfully, F. C. TREADWELL, M. D.
